

The Secret Life Of Walter Mitty By James Thurber

“How the vulgarization of American popular culture has distorted the image of the United States for millions of people around the world.”–Francis Fukuyama,New York Times bestselling author
What does the world admire most about America? Science, technology, higher education, consumer goods—but not, it seems, freedom and democracy. Indeed, these ideals are in global retreat, for reasons ranging from ill-conceived foreign policy to the financial crisis and the sophisticated propaganda of modern authoritarians. Another reason, explored for the first time in this pathbreaking book, is the distorted picture of freedom and democracy found in America’s cultural exports. In interviews with thoughtful observers in eleven countries, Martha Bayles heard many objections to the violence and vulgarity pervading today’s popular culture. But she also heard a deeper complaint: namely, that America no longer shares the best of itself. Tracing this change to the end of the Cold War, Bayles shows how public diplomacy was scaled back, and in-your-face entertainment became America’s de facto ambassador. This book focuses on the present and recent past, but its perspective is deeply rooted in American history, culture, religion, and political thought. At its heart is an affirmation of a certain ethos–of hope for human freedom tempered with prudence about human nature—that is truly the aspect of America most admired by others. And its author’s purpose is less to find fault than to help chart a positive path for the future. “An extremely intelligent mix of reporting, analysis, and policy prescription.”–Robert Asahina, author of Just Americans “Informative, witty, and thought-provoking.”–Peter L. Berger, author of Invitation to Sociology
A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love: Death herself. “Tales of gods and men akin to Neil Gaiman’s Sandman as penned by a kindred spirit of Douglas Adams.”–Kirkus Reviews (starred review) First we live. Then we die. And then . . . we get another try? Ten thousand tries, to be exact. Ten thousand lives to “get it right.” Answer all the Big Questions. Achieve Wisdom. And Become One with Everything. Milo has had 9,995 chances so far and has just five more lives to earn a place in the cosmic soul. If he doesn’t make the cut, oblivion awaits. But all Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo’s lover throughout his countless layovers in the Afterlife, Suzie is literally his reason for living–as he dives into one new existence after another, praying for the day he’ll never have to leave her side again. But Reincarnation Blues is more than a great love story: Every journey from cradle to grave offers Milo more pieces of the great cosmic puzzle–if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as Kurt Vonnegut’s, Michael Poore’s Reincarnation Blues is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it’s more than Milo and Suzie’s story. It’s your story, too. Praise for Reincarnation Blues “The most fun you’ll have reading about a man who has been killed by both catapult and car accident.”–NPR “This book made me laugh out loud. And then a page later, it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the dark absurdities of life.”–Chicago Review of Books “Charming . . . surprisingly light and uplifting . . . It reads like a writer having fun.”–New York Journal of Books
NEW YORK TIMES BESTSELLER • A revelatory history of one of Stalin's greatest crimes, the consequences of which still resonate today, as Russia has placed Ukrainian independence in its sights once more—from the author of the Pulitzer Prize-winning Gulag and the National Book Award finalist Iron Curtain. "With searing clarity, Red Famine demonstrates the horrific consequences of a campaign to eradicate 'backwardness' when undertaken by a regime in a state of war with its own people." –The Economist In 1929 Stalin launched his policy of agricultural collectivization—in effect a second Russian revolution—which forced millions of peasants off their land and onto collective farms. The result was a catastrophic famine, the most lethal in European history. At least five million people died between 1931 and 1933 in the USSR. But instead of sending relief the Soviet state made use of the catastrophe to rid itself of a political problem. In Red Famine, Anne Applebaum argues that more than three million of those dead were Ukrainians who perished not because they were accidental victims of a bad policy but because the state deliberately set out to kill them. Devastating and definitive, Red Famine captures the horror of ordinary people struggling to survive extraordinary evil. Applebaum's compulsively readable narrative recalls one of the worst crimes of the twentieth century, and shows how it may foreshadow a new threat to the political order in the twenty-first.
dit Kiss grew up a communist in Budapest, soaking up her father's ideology unquestioningly. As a child she is puzzled when others refer to her as Jewish; she only knows that her family doesn't believe in God. How can they? As her father lies dying, dit tries to understand the enigma surrounding his life. Where does his unshakeable communist conviction come from? Why doesn't he have relatives? As she digs deeper into his tragic history, dit is forced to confront the contradictions and lies woven into the life of her family - and her country - through the dramatic twists of twentieth century Hungary. 'Lyrical and poetic The Summer My Father Died is a powerful memoir. In this remarkable memoir, dit Kiss uncovers the paternal history that shaped her own, even while she was unaware of it ... the journey is riveting.' Lisa Appignanesi 'It shook me profoundly ... not only the richness of the relationship between father and daughter, but the internal development of the narrator also had a deep impact on me.' István Szabó, director of Mephisto and Being Julia.

A Study Guide for James Thurber's "Secret Life of Walter Mitty"

World War I espionage thriller meets modern-day morality tale in Mr. Standfast, the third of five Richard Hannay novels written by acclaimed storyteller John Buchan. Follow Hannay's exploits as a soldier and a spy in a fast-paced book that echoes may of the themes and motifs of John Bunyan's The Pilgrim's Progress.

A book of humor and satire covers topics from baseball to Macbeth

Contains two of the humorist's short stories: the story of aviator Smurch, an amusing satire on the "perilous heights of fame," and Walter Mitty, a man who endures his ordinary life by escaping into fantasy.

A delightfully crafted picture book biography explores the fascinating world of a solitary artist who spent weeks at a time on his personal paradise, sleeping under his boat, and sketching and painting the natural surroundings and the animals that became his friends.

The Secret Life of Walter Mott

James Thurber's [The Secret Life of Walter Mitty]

Volume II

The Garden of Evening Mists

The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies - Brazil, India, and the United States - now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.

Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Stuttgart (Institut für Literaturwissenschaft - Neuere Englische Literatur), course: HS Short Story and Short Story Theory, 14 entries in the bibliography, language: English, abstract: In the following pages I want to focus on James Thurber's famous short story “The Secret Life of Walter Mitty” which was first published in 1939 in the magazine The New Yorker. Thurber tells the story of a Walter Mitty, a man who lives in a dream world to escape from the routines and humiliations which he suffers in everyday life. Today the name “Walter Mitty” also exists in the English language and is used for people who are daydreaming and not paying attention to the real world. Walter Mitty became an archetypal American figure. By reason of the structure of the short story and “Thurber’s own narrative style - economical, lightly ironic, and wonderfully expressive” (Holmes 218) it seems that this short story can be seen as a garden path story. The expression “to lead someone up the garden path” means “to deliberately deceive someone”. Manfred Jahn analysed this short story with respect to his garden path short story theory. Can “The Secret Life of Walter Mitty” generally be regarded as a garden path story? What is of particular interest is whether the reader is misled by Thurber’s narrative technique especially at the beginning of the story. What are the reasons for Walter Mitty’s escapist daydreams and how is Mitty’s character presented in the story? Firstly, I will describe the garden path phenomenon and applied to “The Secret Life of Walter Mitty” I will analyse the beginning of the short story. In addition, I will name some hints where the reader realises Walter Mitty’s various daydream episodes. In the next chapter I will concentrate on the story’s two narrative levels. First of all, I will describe Mitty’s development in the course of his daydreams and then I will take a look on the real Walter Mitty. Moreover, I will briefly try to find similarities between James Thurber and Walter Mitty. Afterwards, James Thurber’s narrative style and his sense of humour will be presented. The conclusion will comprise the main points and some suggestions for further discussion.

The latest The Secret Life of Walter Mitty sensation. There has never been a The Secret Life of Walter Mitty Guide like this. My Secret Life Volumes I to III by An Anonymous Author Or Walter. Victorian Erotica: My Secret Life, by "Walter," is the memoir of a gentleman describing the author's sexual development and experiences in Victorian England. It was first published in a private edition of eleven volumes, at the expense of the author, including an imperfect index, which appeared over seven years beginning around 1888. The work itself is enormous, amounting to over one million words, the eleven original volumes amounting to over 4,000 pages. The text is repetitive and highly disorganised, but its frank discussion of sexual matters and other hidden aspects of Victorian life make it a rare and valuable social document. According to Steven Marcus, it is virtually the only source for information on London's houses of prostitution, in which Walter spent many hours. It has been described as "one of the strangest and most obsessive books ever written." I began these memoirs when about twenty-five years old, having from youth kept a diary of some sort, which perhaps from habit made me think of recording my inner and secret life. When I began it, I had scarcely read a boudy book, none of which excepting "Fanny Hill" appeared to me to be truthful, that did, and it does so still; the others telling of recherche eroticisms, or of inordinate copulative powers, of the strange twists, tricks, and fancies, of matured voluptuousness, and philosophical lewdness, seemed to my comparative ignorance, as boudy imaginings, or lying inventions, not worthy of belief; although I now know by experience, that they may be true enough, however eccentric, and improbable, they may appear to the uninitiated. Fanny Hill was a woman's experience. Written perhaps by a woman, where was a man's, written with equal truth? That book has no boudy word in it; but boudy acts need the boudy ejaculations; the erotic, full flavored expressions, which even the chastest indulge in, when lust, or love, is in its full tide of performance. So I determined to write my private life freely as to fact, and in the spirit of the lustful acts done by me, or witnessed; it is written therefore with absolute truth, and without any regard whatever for what the world calls decency. Decency and voluptuousness in its fullest acceptance, cannot exist together, one would kill the other; the poetry of copulation I have only experienced with a few women, which however neither prevented them, nor me from calling a spade, a spade.

The Secret Life of Walter Mitty 62 Success Secrets - 62 Most Asked Questions on the Secret Life of Walter Mitty - What You Need to Know

From New York Times bestselling author Patricia Cornwell comes Ripper: The Secret Life of Walter Sickert, a comprehensive and intriguing exposé of one of the world’s most chilling cases of serial murder--and the police force that failed to solve it. Vain and charismatic Walter Sickert made a name for himself as a painter in Victorian London. But the ghoulish nature of his art--as well as extensive evidence--points to another name, one that’s left its bloody mark on the pages of history: Jack the Ripper. Cornwell has collected never-before-seen archival material—including a rare mortuary photo, personal correspondence and a will with a mysterious autopsy clause—and applied cutting-edge forensic science to open an old crime to new scrutiny. Incorporating material from Portrait of a Killer: Jack the Ripper—Case Closed, this new edition has been revised and expanded to include eight new chapters, detailed maps and hundreds of images that bring the sinister case to life.

A mesmerizing, “fiery page-turner” (Entertainment Weekly) about a teenage boy on summer vacation who makes an irrevocable mistake and becomes trapped in a spiral of guilt and desire—in the tradition of Alice McDermott’s That Night and E. Lockhart’s We Were Liars. Oscar is dead because I watched him die and did nothing. Seventeen-year-old Leo is sitting in an empty playground at night, listening to the sound of partying and pop music filtering in from the beach, when he sees another, more popular boy strangle himself with the ropes of the swings. Then, in a panic, Leo drags him to the beach and buries him. Over the next twenty-four hours, Leo wanders around the campsite like a sleepwalker, haunted by guilt and fear, and distracted by his desire for a girl named Luce. Meanwhile, the teenage summer rituals continue all around him—the fighting and flirting, the smell of salt and sunscreen, the tinny announcements from the loudspeaker, and above all, the crushing, relentless heat... A prizewinning sensation in France and now stunningly translated by Sam Taylor, Heatwave is Victor Jestin’s “charged and chilling” (Publishers Weekly) debut novel—a searing portrait of adolescent desire and recklessness, and secrets too big to keep. *Originally published in France under the title La Chaleur.

Winner of the Man Asian Literary Prize, an “elegant and haunting novel of war, art and memory” (The Independent) from the critically acclaimed author of The Gift of Rain. Malaya, 1951. Yun Ling Teoh, the scarred lone survivor of a brutal Japanese wartime camp, seeks solace among the jungle-fringed tea plantations of Cameron Highlands. There she discovers Yugiri, the only Japanese garden in Malaya, and its owner and creator, the enigmatic Aritomo, exiled former gardener of the emperor of Japan. Despite her hatred of the Japanese, Yun Ling seeks to engage Aritomo to create a garden in memory of her sister, who died in the camp. Aritomo refuses but agrees to accept Yun Ling as his apprentice “until the monsoon comes.” Then she can design a garden for herself. As the months pass, Yun Ling finds herself intimately drawn to the gardener and his art, while all around them a communist guerilla war rages. But the Garden of Evening Mists remains a place of mystery. Who is Aritomo and how did he come to leave Japan? And is the real story of how Yun Ling managed to survive the war perhaps the darkest secret of all?

James Thurber is universally admired for his hilarious sense of humour, off-beat imagination and unique take on the world around him. The Secret Life of Walter Mitty, in which a young man’s fantasies have a much more powerful hold on him than reality, is probably his best-known prose work, but this selection also contains wonderfully entertaining essays, poetry and cartoons gathered from all of Thurber’s collections. Poking fun at his own weaknesses and those of other people (and dogs) - the English teacher who looked only at figures of speech, the Airedale who refused to include him in the family, the botany lecturer who despaired of him totally - James Thurber is essential reading for everyone who loves to laugh.

I began these memoirs when about twenty-five years old, having from youth kept a diary of some sort, which perhaps from habit made me think of recording my inner and secret life. When I began it, I had scarcely read a boudy book, none of which excepting "Fanny Hill" appeared to me to be truthful, that did, and it does so still; the others telling of recherche eroticisms, or of inordinate copulative powers, of the strange twists, tricks, and fancies, of matured voluptuousness, and philosophical lewdness, seemed to my comparative ignorance, as boudy imaginings, or lying inventions, not worthy of belief; although I now know by experience, that they may be true enough, however eccentric, and improbable, they may appear to the uninitiated. Fanny Hill was a woman's experience. Written perhaps by a woman, where was a man's, written with equal truth? That book has no boudy word in it; but boudy acts need the boudy ejaculations; the erotic, full flavored expressions, which even the chastest indulge in, when lust, or love, is in its full tide of performance. So I determined to write my private life freely as to fact, and in the spirit of the lustful acts done by me, or witnessed; it is written therefore with absolute truth, and without any regard whatever for what the world calls decency. Decency and voluptuousness in its fullest acceptance, cannot exist together, one would kill the other; the poetry of copulation I have only experienced with a few women, which however neither prevented them, nor me from calling a spade, a spade. I began it for my amusement; when many years had been chronicled I tired of it and ceased. Some ten years afterwards I met a woman, with whom, or with those she helped me do; I did, said, saw, and heard, well nigh everything a man and woman could do with their genitals, and began to narrate those events, when quite fresh in my memory, a great variety of incidents extending over four years or more. Then I lost sight of her, and my amorous amusements for a while were simpler, but that part of my history was complete.

Walter Mitty, a mild-mannered forty-year-old man, drives into Connecticut with his wife for their weekly shopping trip. Tired of his drab, schedule-driven life, Walter escapes into five elaborate daydreams, and finally becomes the hero he always hoped to be. “The Secret Life of Walter Mitty” was originally published in a 1939 issue of The New Yorker. It is considered to be an American classic, and author James Thurber’s masterpiece. It has been adapted for film, first in 1947, and most recently for the 2013 feature film starring Ben Stiller and Kristen Wiig. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short stories collection to build your digital library.

A treasury of inspirational readings, accompanied by personal reflections and meditations, features works by Helen Keller, Barbara Kingsolver, Thomas Aquinas, and others on such themes as nature, relationships, creativity, and work

(Faber Piano Adventures). Written for ages 5 and 6, My First Piano Adventure captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5–6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5–6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber’s My First Piano Adventure, Lesson Book A. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural “friends at the piano” who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" – Analysis, Creativity, and Expression, guides the pedagogy of My First Piano Adventure. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. View Helpful Introductory Videos Here

A veteran film critic offers a lively, opinionated guide to thinking and talking about movies—from Casablanca to Clueless Whether we are trying to impress a date after an art house film screening or discussing Oscar nominations among friends, we all need ways to look at and talk about movies. But with so much variety between an Alfred Hitchcock thriller and a Nora Ephron romantic comedy, how can everyday viewers determine what makes a good movie? In Talking Pictures, veteran film critic Ann Hornaday walks us through the production of a typical movie—from script and casting to final sound edit—and explains how to evaluate each piece of the process. How do we know if a film has been well-written, above and beyond snappy dialogue? What constitutes a great screen performance? What goes into praiseworthy cinematography, editing, and sound design? And what does a director really do? In a new epilogue, Hornaday addresses important questions of representation in film and the industry and how this can, and should, effect a movie-watching experience. Full of engaging anecdotes and interviews with actors and filmmakers, Talking Pictures will help us see movies in a whole new light—not just as fans, but as film critics in our own right.

Freedom! Security! This serio-comic novel, set in 1959, dramatizes the conflict between two human yearnings. Walter Mott, a shy, lonesome bachelor, lives secretly in his office, in order to save money, retire early, and travel the world. But life gets complicated when he falls in love with a young coworker. Oh, and after a late-night fling with a striptease dancer, he winds up giving the crabs to hundreds of his coworkers!

By the New York Times bestselling author of The Bone Clocks and Cloud Atlas | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply “a genius.” Now David Mitchell lends fresh credence to The Guardian’s claim that “each of his books seems entirely different from that which preceded it.” The Thousand Autumns of Jacob de Zoet is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “high-walled, fan-shaped artificial island” that is the Japanese Empire’s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancé back in Holland. But Jacob’s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city’s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob’s worst imaginings. As one cynical colleague asks, “Who ain’t a gambler in the glorious Orient, with his very life?” A magnificent mix of luminous writing, prodigious research, and heedless imagination, The Thousand Autumns of Jacob de Zoet is the most impressive achievement of its eminent author. Praise for The Thousand Autumns of Jacob de Zoet “A page-turner . . . [David] Mitchell’s masterpiece; and also, I am convinced, a masterpiece of our time.”—Richard Eder, The Boston Globe “An achingly romantic story of forbidden love . . . Mitchell’s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive.”—Dave Eggers, The New York Times Book Review “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.”—Ron Charles, The Washington Post “By any standards, The Thousand Autumns of Jacob de Zoet is a formidable marvel.”—James Wood, The New Yorker “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.”—Maureen Corrigan, NPR Look for special features inside. "James Thurber was a comedic genius. His fables are not simply parodies of Aesop. They are wry, accurate, and powerful reflections of ourselves, our foibles, our follies, and, above all, our self-importance. And they are very, very funny." --Nora Ephron called "one of the world's greatest humorists" by Alistair Cooke (The Atlantic), and "one of our great American institutions" (Stanley Walker)—and few works reveal Thurber’s genius as powerfully as his fables. Perennially entertaining and as idiosyncrasies of life with verbal frivolity, hilarious insights, political shrewdness, and, of course, quirky, quotable morals. Now, readers can savor 85 fables by the twentieth century's preeminent humorist collected for the first time in a single volume. Further Fables for Our Time, and ten previously uncollected fables—illustrated by ten contemporary artists including Seymour Chwast, Mark Ulriksen, Laurie Rosenwald, and R. O. Blechman—are presented in Collected Fables, a must-have for fans of A Thurber Carnival

Reading the Sacred in Everyday Life

"...these sketches of humorous scenes from American life include some of Thurber's most celebrated and insightful satires: The Night the Bed Fell, Gentlemen Shoppers, The Secret Life of Walter Mitty and the unforgettable File and Forget in which Thurber recounts his famous correspondence with various publishers who ship him books which he doesn't want and never ordered. A perfect evening of comedy." -- Publisher's description.

Walter Kitty is no ordinary housecat. He's Fang—a swashbuckling protector of the high seas, a tiger waiting to pounce on unsuspecting prey, and a caped superhero ready to save the day. But do his "people," Mr. and Mrs.

Biddle, acknowledge his greatness? Not even!So once in a good long while, Walter will answer to Wally or Kitten or even Snookums, but most of the time . . . he's Fang!With a hilarious text by Barbara Jean Hicks and fabulously fun illustrations by Dan Santat, Walter Kitty is one cat readers will not soon forget!

From its arrival on earth to the vast areas it traverses before emptying into the sea, water holds all the knowledge and experience it has acquired. As phenomenal as it may seem, water carries its whole history, just as we carry ours. It carries secrets, too. In The Secret Life of Water, bestselling author Masaru Emoto guides us along water’s remarkable journey through our planet and continues his work to reveal water’s secret life to humankind.

He shows how we can apply its wisdom to our own lives, and how, by learning to respect and appreciate water, we can better confront the challenges that face the twenty-first century—and rejuvenate the planet.

The collection consists of a working screenplay for the movie The Secret life of Walter Mitty, filmed in 1946 and released in 1947, about a mild man driven to daydream by a dull life and domineering mother, based on a short story by James Thurber. The cover is stamped March 15, 1946, but the typescript includes numerous color-coded replacement pages from various dates during the shooting; also stamped "171" on cover. Many revised pages include the screenwriters' initials, KE-EF, Ken Englund and Everett Freeman. The movie starred Danny Kaye and Virginia Mayo and has been very popular, although Thurber tried to prevent it from being made and was not pleased with the result.

Faith and Spirituality in Masters of World Cinema, Volume II continues the work presented in the first volume of this title, published by Cambridge Scholars Publishing in 2008. It provides informed yet accessible articles that will give readers an introduction to masters of world cinema whose works explore the themes of human spirituality and religious faith. Volume II contains essays dealing with canonical directors notably absent from the first entry of the series (such as Godard and Kurosawa) while also including examinations of contemporary auteurs who are still actively working (for example, Andersson, and von Trier). While retaining a truly international emphasis—it includes essays about directors from the United States, Canada, Iran, Sweden, India, Denmark, Italy, Mexico, Australia, and Japan—Volume II also acts as an important contribution to canon formation, illustrating the complexity and variety in the films of those who are truly the masters of world cinema. Built solidly around close, formal readings of selective films, the essays in Volume II also demonstrate familiarity with film history and bring insight from such varied disciplines as New Testament Studies, Clinical Psychology, Art History, and Medieval History. It also seeks to broaden the understanding of ‘faith’ and ‘spirituality,’ examining how the meaning of such terms changes as the cultures that produce the art that defines them continues to evolve.

This is a new release of the original 1953 edition.
