

The Signature Of God Revised Edition Conclusive Proof That Every Teaching Every Command Every Promise In The Bible Is True

The Bible is certainly the most mysterious book ever created. The Scriptures are filled with hundreds of curious passages that have puzzled both Jews and Christians for thousands of years. In this powerful, faith-building book, respected author Grant R. Jeffrey takes the reader on a journey of mystery while uncovering deep truths found in the word of God. "It is the glory of God to conceal a thing: But the honour of Kings is to search out a matter." Proverbs 25:2 Key Topics Include: • The Mystery of "3 Days and 3 Nights" and Christ's Resurrection • The Mystery of the Virgin Birth and the Star of Bethlehem • The Fall of the Walls of Jericho • Ancient Egyptian manuscript confirms the 10 plagues of Exodus • Joshua's Long Day • Jonah and the Great Fish • The Mystery of the Lost Treasures of the Temple • Why Christians Worship on Sunday

Over the past few decades, the ever-expanding scientific knowledge of the universe and the human condition, combined with the evolution from religion-based to personal morality, has led to a mass crisis of faith. Leaders of most Protestant and Catholic religious traditions, which include nearly 80 percent of Americans, have watched their memberships stagnate or dwindle. Over the years, philosophers and scientists have argued that science has in fact "killed" God, and that if we believe the facts science has presented, we must also accept that God is fiction. Others, holding fast to their long-standing doctrines, attempt to justify their beliefs by using God to explain gaps in scientific knowledge. Having left an upbringing in a family of Mennonite preachers to discover his own experience of God, Galen Guengerich understands the modern American struggle to combine modern world views with outdated religious dogma. Drawing upon his own experiences, he proposes that just as humanity has had to evolve its conception of the universe to coincide with new scientific discoveries, we are long overdue in evolving our concept of God. Gone are the days of the magical, supernatural deity in the sky who visits wrath upon those who have not followed his word. Especially in a scientific age, we need an experience of a God we can believe in—an experience that grounds our morality, unites us in community, and engages us with a world that still holds more mystery than answers.

What is God saying to you today? This guide will help you dive deep into the text of Scripture and reflect on its implications for your life. With fifty-two weeks of six daily readings, you can start at the beginning of any week and read through all four Gospels and the Psalms in one year. Inductive study questions help you observe, interpret, and apply the text and let the Bible speak for itself. Argues that the discoveries of twentieth-century physics--relativity and the quantum theory--demand a radical reformulation of the fundamentals of reality and a way of thinking, that is closer to mysticism than materialism

The Response of History to the Voice of Prophecy, a Verse by Verse Study of These Important Books of the Bible

We must follow the direction of Jesus Christ who said, "Search the Scriptures, for in them ye think ye have eternal life, for they are they which testify of me," (John 5:39). Jesus knew the Scriptures must be searched in order to find the hidden

things of God. The writings of Moses and other prophets came together in 1611 A.D. in the center of the world, in London, England under the guidance of King James 1st. The words of the New Testament were also directed by the Lord God, and the OLD and the NEW Testaments together would become 1 Bible with 66 books. The most mysterious verse of Scripture in the entire Bible is found in Revelation 13:18, where mankind has sought out its meaning since 1611 A.D. This verse of Scripture has been a mystery to every Biblical student since it was first written in 96 A.D. Its meaning is now explained in the book, "Letters From God," and it will bring the truth of this Scripture to the minds of Spiritual men. Soon the antichrist will appear on the earth, where he will fight with the saints of God and prevail against them, (Daniel 7:25). He will have 42 months in which to do this. He will change laws and times, and will force everyone in the world to receive the Mark Of The Beast, and he will sit on a throne in Jerusalem, claiming that he is God. Satan has taken many secret steps to arrange for himself to be recognized as an equal to Jesus Christ, which is something he can never be. The secret things Satan has done to prepare for his entry into the world as the antichrist are listed in this book, and will astound those who have been watching for his emergence. He will come from the most unexpected place, carrying out the most secret underhanded plot ever in the history of the world. The antichrist is the Great Deceiver and he will deceive many in the span of 42 months before he is defeated by Jesus Christ.

Examines four major aspects of the human personality, love, assertion, weakness, and strength, answers questions about personal growth, and explains how the Holy Spirit works in individuals

Here is a masterly study of the inner life by a heart thirsting after God, eager to grasp at least the outskirts of His ways, the abyss of His love for sinners, and the height of His unapproachable majesty - and it was written by a busy pastor in Chicago! Here is a book for every pastor, missionary, and devout Christian. It deals with the deep things of God and the riches of His grace. Above all, it has the keynote of sincerity and humility.

In an age of security cameras, spy chips hidden in consumer products, and an ultra-secret global elite, Jeffrey reveals the biblical description of Satan's global conquest and identifies the tools of technology that the Antichrist will use to rule the world.

From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God's love. Now, in Wm. Paul Young's first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological

discussion, and personal anecdotes. Paul encourages us to think through beliefs we've presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the "Papa" portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God's deep and abiding love.

The secret things belong unto the Lord our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law.

—Deuteronomy 29:29 This new, expanded and completely documented edition of *The Signature of God* contains additional research and compelling documentation proving the Bible is inspired by God. Remarkable new computer discoveries from the Bible Codes reveal astonishing details about the September 11 Islamic terrorist attack on America that were encoded in Hebrew text thousands of years ago. Key topics include:

- New Bible Codes reveal the details of September 11, 2001 terror attacks on the World Trade Center and Pentagon
- Historical documents confirm the supernatural darkness when Jesus was crucified
- Advanced scientific statements provide compelling evidence the Bible was inspired
- Incredibly modern medical statements prove that God inspired the Scriptures
- Hundreds of accurate prophecies demonstrate the Bible is supernatural

Prepare Now for America's Fall The enemies of free-market capitalism have launched their final attack. History's most powerful nation soon will be reduced to an isolated, impoverished country with no influence over international affairs. A close reading of prophecy reveals no mention of the United States. The wealthiest and most powerful nation in history will play no visible role in the culminating events of this age. Prophecy expert Grant R. Jeffrey has exposed the hidden causes behind the rapid disappearance of America as we know it. No longer will other nations count on America to come to their aid. Aggressor nations will not have to fear the possibility of U.S. retaliation because very soon, America will be too weak to take action. And just at the time when the United States is weakened nearly beyond recognition, the Antichrist will unleash his evil rule over the world. When America falls, the collapse will come rapidly. It is to your advantage to know in advance what to look for. In *One Nation, Under Attack* you will find a workable plan to help you protect your family and your future from the far-reaching economic devastation to come.

An instant New York Times bestseller! Charlamagne Tha God—the self-proclaimed "Prince of Pissing People Off," cohost of Power 105.1's *The Breakfast Club*, and "the most important voice in hip-hop"—shares his eight principles for unlocking your God-given privilege. In *Black Privilege*, Charlamagne presents his often controversial and always brutally honest insights on how living an authentic life is the quickest path to success. This journey to truth begins in the small town of Moncks Corner, South Carolina, and leads to New York and headline-grabbing interviews and insights from celebrities like Kanye West, Kevin Hart, Malcolm Gladwell, Lena Dunham, Jay Z, and Hillary Clinton. *Black Privilege* lays out all the great wisdom Charlamagne's been given from many mentors, and tells the uncensored story of how he turned around his troubled early life by owning his (many) mistakes and refusing to give up on his dreams, even after his controversial opinions got him fired from several on-air jobs. These life-learned principles include: -There are no losses in life, only lessons -Give people the credit they deserve for being stupid—starting with yourself -It's not the size of the pond

Remarkable Evidence of God's Design

Based on the largest near-death experience study in history, involving 3,000 people from diverse backgrounds and religious traditions, including nonbelievers, God and the Afterlife presents startling evidence that a Supreme Being exists—and there is amazing consistency about what he is like. In his bestselling book Evidence of the Afterlife, Dr. Jeffrey Long showed us that there is a strong scientific case for life after death. Now, he goes further, revealing evidence that God is real. At the Near Death Experience Research Foundation, Dr. Long studied the stories of thousands of people who have journeyed to the afterlife. Though there are a wide variety of differences in how people experience NDEs—some see a bright light, others go through a tunnel, still others experience a review of their life—he discovered that many of the accounts shared a remarkably similar description of God; a Supreme Being who radiated love and grace. Expanding on his analysis begun in Evidence of the Afterlife, God and the Afterlife is the first intensive exploration of the people who have reported going to the frontier of heaven, met God, and have returned to share their journey. Groundbreaking and profound, it provides new insight into the human experience and expands our notions of mortality, offering possibility, hope, and comfort.

Startling new evidence from prophecy, archeology and science prove the Bible's inspiration, according to author Grant Jeffrey. Sinai Rock Inscriptions describe the Exodus. Mysterious Hebrew codes reveal Hitler, Sadat and Jesus.

According to the authors, the doctrine of inerrancy has been standard, accepted teaching for more than 1,000 years. In 1978, the famous "Chicago Statement" on inerrancy was adopted by the Evangelical Theological Society, and for decades it has been the accepted conservative evangelical doctrine of the Scriptures. However, in recent years, some prominent evangelical authors have challenged this statement in their writings. Now eminent apologist and bestselling author Norman L. Geisler, who was one of the original drafters of the "Chicago Statement," and his

coauthor, William C. Roach, present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God, truth, and language. Pastors, students, and armchair theologians will appreciate this clear, reasoned response to the current crisis.

With passion and boldness, Manning challenges readers to risk living life as Jesus lived: committed to simplicity, purity of heart, and obedience to the gospel.

YOU CAN BELIEVE THE BIBLE. WITHOUT ANY DOUBT. As American society becomes more secularized, Christians need to know all the facts about the Bible. Dr. Grant R. Jeffrey has spent decades researching history, science, archaeology, medicine, and prophecy--finding that each discipline confirms the truth of Scripture. This revised and updated edition of The Signature of God proves that the Bible is not only accurate in its spiritual claims, but is completely reliable as well on matters of origins, medicine, history, and science. Historians of the ancient world--as well as recent archaeological finds--confirm the names of kings and kingdoms, and the dates of wars and mass migrations mentioned in the Bible. Recent breakthroughs in astronomy, physics, and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up. And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people. No matter how loudly the skeptics argue against Christian faith, only one conclusion makes sense: the Bible is God-breathed. You can believe every word, every claim, every prophecy, and every miracle. With no doubts.

Nearly 200,000 copies sold! Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

Who are you? What defines you? What makes you, you? In the past an individual's identity was more predictable than it is today. Life's big questions were basically settled before you were born: where you'd live, what you'd do, the type of person you'd marry, your basic beliefs, and so on. Today personal identity is a do-it-yourself project. Constructing a stable and satisfying sense of self is hard amidst relationship breakdowns, the pace of modern life, the rise of social media, multiple careers, social mobility, and so on. Ours is a day of identity angst. Known by God is built on the observation that humans are inherently social beings; we know who we are in relation to others and by being known by them. If one of the universal desires of the self is to be known by others, being known by God as his children meets our deepest and lifelong need for recognition and gives us a secure identity. Rosner argues that rather than knowing ourselves, being known by God is the key to personal identity. He explores three biblical angles on the question of personal identity: being made in the image of God, being known by God and being in Christ. The notion of sonship is at the center - God gives us our identity as a parent who knows his child. Being known by him as his child gives our fleeting lives significance, provokes in us needed humility, supplies cheering comfort when things go wrong, and offers clear moral direction for living.
