The Sixteenth Round From Number 1 Contender To Number 45472

Not since William Gibson and Bruce Sterling galvanized science fiction in the 1980s has the emergence of a new writer been heralded with such acclaim as that attending David Marusek, whose brilliant first novel, *Counting Heads*, appeared to rave reviews in 2005. But Marusek did not come out of nowhere. Aficionados of the genre

had already taken note of his groundbreaking short fiction: masterfully written, profoundly thought-out examinations of futures so real they seemed virtually inevitable. Now, in this collection of ten short stories, Marusek ' s fierce imagination and dazzling extrapolative gifts are on full display. Five of the stories, including the Sturgeon Award-winning “ The Wedding Album, ” a shattering look at the unintended human consequences of advanced technology, are set in the same future as Counting Heads. All ten showcase Marusek ' s talent for literate, provocative science fiction of the

For fifteen centuries, legends of King Arthur have enthralled us. Born in the misty past of a Britain under siege, half-remembered events became shrouded in ancient myth and folklore. The resulting tales were told and retold, until over time Arthur, Camelot, Avalon, the Round Table, the Holy Grail, Excalibur, Lancelot, and Guinevere all became instantly recognizable icons. Along the way, Arthur ' s life and times were recast in the mold of the hero ' s journey: Arthur ' s miraculous conception at Tintagel through the magical

intercession of his shaman guide, Merlin; the childhood deed of pulling the sword from the stone, through which Arthur was anointed King; the quest for the Holy Grail, the most sacred object in Christendom; the betrayal of Arthur by his wife and champion; and the apocalyptic battle between good and evil ending with Arthur ' s journey to the Otherworld. Touching on all of these classic aspects of the Arthur tale, Christopher R. Fee seeks to understand Arthur in terms of comparative mythology as he explores how the Once and Future King remains relevant in our contemporary world.

New York Times Bestseller Winner of the Women's Prize for Fiction World Fantasy Awards Finalist From the New York Times bestselling author of Jonathan Strange & Mr Norrell, an intoxicating, hypnotic new novel set in a dreamlike alternative reality. Piranesi's house is no ordinary building: its rooms are infinite, its corridors endless, its walls are lined with thousands upon thousands of statues, each one different from all the others. Within the labyrinth of halls an ocean is imprisoned; waves thunder up staircases, rooms are flooded in an instant. But Piranesi is not afraid; he understands the tides as he understands the pattern of the labyrinth itself. He lives to explore the

But as Piranesi explores, evidence emerges of another person, and a terrible truth begins to unravel, revealing a world beyond the one Piranesi has always known. For readers of Neil Gaiman's The Ocean at the End of the Lane and fans of Madeline Miller's Circe, Piranesi introduces an astonishing new world, an infinite labyrinth, full of startling images and surreal beauty, haunted by the tides and the clouds.

The contributors bring these rare books to life, exploring the evolution of the technique, composition, and coloration of the woodcut beginning with the earliest publications. Many of the woodcut designs grew out of the tradition of manuscript illumination, in which book illustrations were painstakingly executed by hand. The authors also present the distinguishing features of national style and taste, treating the reader to examples from Germany, Italy, France, Spain, and the Netherlands. In addition, A Heavenly Craft describes the provenance of these volumes, providing an account of how Lessing J. Rubin Carter is the Hurricane. A pistol shot in a bar room ruined his chances of becoming the middleweight champion of the world. But he did not fire the gun. Nineteen long years in prison, a massively high profile campaign to release him that failed, and the persistence of an unlikely supporter finally saw him free.

New York Times Bestseller: An "elegant" mosaic of trenchant observations on the late sixties and seventies from the author of Slouching Towards Bethlehem (The New Yorker). In this landmark essay collection, Joan Didion brilliantly interweaves her own "bad dreams" with those of a nation confronting the dark underside of 1960s counterculture. From a jailhouse visit to Black Panther Party

cofounder Huey Newton to witnessing First Lady of California Nancy Reagan pretend to pick flowers for the benefit of news cameras, Didion captures the paranoia and absurdity of the era with her signature blend of irony and insight. She takes readers to the “giddily splendid” Getty Museum in Los Angeles, the cool mountains of Bogotá, and the Jordanian Desert, where Bishop James Pike went to walk in Jesus’s footsteps—and died not far from his rented Ford Cortina. She anatomizes the culture of shopping malls—“toy garden cities in which no one lives but everyone consumes”—and exposes the contradictions and compromises of the women’s movement. In the iconic title essay, she documents her uneasy state of mind during the years leading up to and following the Manson murders—a terrifying crime that, in her memory, surprised no one. Written in “a voice like no other in contemporary journalism,” *The White Album* is a masterpiece of
