A brilliant medieval action thriller perfect for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian. It is 1347 and the French, after a crushing defeat at Crécy, are licking their wounds while their king raises a new army. Locked into a fruitless siege, the English are camped in the marshes around Calais. Among them is foot soldier and archer Martin Kemp, whose dreams of serving his king and reliving the chivalrous adventures of King Arthur's Knights of the Round Table are tempered by the gory and brutal reality of siege warfare. Having narrowly escaped death in a surprise attack from the French, Kemp sees a chance for a reprieve when a shaky truce is signed. But can there really be peace for a man like Kemp? Kemp: Passage at Arms is packed with authentic period detail and narrative verve, and cements Jonathan Lunn's reputation as one of the most entertaining historical thriller writers working today.

This volume contains writings on strange beliefs and superstitions collected from the oral traditions of English speaking folk.

"To be devoured in one non-stop gulp...fascinating reading."—The New York Post From 1919 to 1986, Grossinger's Catskill Resort Hotel provided a summer retreat from the city heat for New York's Jews, and entertained the great, the near-great, and the not so great, Jews and Gentiles alike. A melting pot of the Borscht Belt, sports, and show-biz worlds, loyal visitors included Red Buttons, Rocky Marciano, Eddie Fisher, and Jackie Robinson. Tania Grossinger grew up there. In her fascinating insider's account of life in the hospitality industry, she sheds light on how hotel children keep up with the frenetic pace of life, and how they come to grips with the outside world (which intrudes now and again), sex (happening in every room), and, occasionally, their intellectual interests. Growing Up at Grossinger's is both a wonderful coming-of-age story and a sentimental reading of a chapter of the Jewish experience in America that has now closed. 25 b/w photographs. This one is. Death Wears a Red Hat is the kind of mystery that I read the others to find. It has the right ingredients." —Houston Chronicle From William X. Kienzle, author of the classic murder mystery, The Rosary Murders. In Kienzle's second Father Koesler book, the streets of Detroit are stalked by an unknown assailant depositing the decapitated heads of Detroit citizens on the headless shoulders of church statues. But there does seem to be a method in the gruesome madness and Father Koesler is once again drawn into the investigation, this time at the request of Walter Koznicki, the inspector of homicide, and Lieutenant Ned Harris. Meanwhile, the Detroit Free Press and the Detroit News, in the personages of Joe Cox and Pat Lennon, compete for prime coverage of the murders. But as the carefully executed murders continue unabated so does the city's state of fear and bewilderment.

Andre Rival, at home in both Paris and Berlin, has created a fascinating project out of a relatively simple idea: 100 women taking photographs of themselves. The outcome is both startling and impressive. It is an expression of contemporary female identity - self-aware, distinctive and thoroughly positive, in a series of nude photographs that inexorably capture and hold our attention, revealing at the same time the artist's highly creative approach to the medium of photography and to the individual selves of the women portrayed. The author describes his project in this way: "We are inundated with pictures of women in the media. Ordinarily, the pictures we see seek to achieve a kind of 'sameness' based on unwritten ideals of beauty; physical perfection, total fitness become the determining factors. These images of women, provoked as they are by the media industry, awakened in me the urge to confront both that industry and myself with something else. I chose to set aside my own ways of thinking and do a series of 100 women in which it was not I who would put together the photographs, but the women themselves. For this purpose, I gave them each a shutter-switch and left the room. That represented the beginning of the attempt to enable the women to become photographic subjects rather than objects; they were left to decide on their own which personal image of themselves they wanted to convey. The conditions were the same for all of the women: the same lighting, the same white background and the same unchanged camera position. It was essential to fix the location of the camera, so that the women did not perceive themselves as being pursued by an 'observer'; instead, they were able to establish distance and camera angle themselves with the aid of a video screen that showed them each camera exposure as a still photo."

Lady Ava Windbury prays the feud will someday end, to no avail. One dreadful night, her brother accidentally causes the death of Christian Rothcastle's sister, a tragedy that leaves both men maimed. Consumed by grief, Christian makes a grim decision. He will kidnap Lady Ava so that her family will feel the pain of loss as keenly as he feels the loss of his own sister. It was only supposed to be one time. But that red-hot one night stand from the party? The sexy man in the suit who gave me more Os in a few hours than I've had in a year? Turns out my charming British stranger is keeping a little secret. He's as much of a whiz in the kitchen as he is in the bedroom and soon we'll be going head-to-head in NYC's biggest bake off. My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in...
