Only the Amazing Spider-Man can stop the sinister Green Goblin when the villain concocts a dangerous trap to test the wall-crawler's most amazing abilities! Boys and girls ages 2 to 5 will love the web-slinging action in this Little Golden Book that features one of the most popular Marvel Super Heroes of all time.

Secrets of Voodoo traces the development of this complex religion (in Haiti and the Americas) from its sources in the brilliant civilizations of ancient Africa. This book presents a straightforward account of the gods or loas and their function, the symbols and signs, rituals, the ceremonial calendar of Voodoo, and the procedures for performing magical rites are given. "Voodoo," derived from words meaning "introspection" and "mystery," is a system of belief about the formation of the world and human destiny with clear correspondences in other world religions. Rigaud makes these connections and discloses the esoteric meaning underlying Voodoo's outward manifestations, which are often misinterpreted. Translated from the French by Robert B. Cross. Drawings and photographs by Odette Mennesson-Rigaud. Milo Rigaud was born in Port au Prince, Haiti, in 1903, where he spent the greater part of his life studying the Voodoo tradition. In Haiti he studied law, and in France ethnology, psychology, and theology. The involvement of Voodoo in the political struggle of Haitian blacks for independence was one of his main concerns.

A Field Guide to Spiders of Australia

The life of shy high school student Peter Parker is changed forever after he is bitten by an irradiated spider. Blessed by the accident with extraordinary strength, amazing agility, lightning speed and a curious spider-sense that warns him of danger. Peter transforms himself into New York's newest crime fighter, the amazing Spider-Man! Peter Porker, the Spectacular Spider-Ham (and breakout character from Into the Spider-Verse), arrives in this all-new, original graphic novel for younger readers! Experience a laugh-out-loud day in the life of Spider-Ham! After long being derided by the citizens of New York, Spider-Ham has finally been recognized for his outsized contribution to the city's safety, and receives the key to the city from none other than the mayor (and, being a cartoon universe, the key actually unlocks New York City's political and financial institutions). Sure, it's just a publicity stunt for the beleaguered mayor--and yeah, maybe every single other super hero was busy that day -- but an award is an award! Of course, Spider-Ham isn't paying attention to the fine print telling him he didn't actually get to keep the key, and he swings off without returning the highly coveted oversized object. The next day, when the mayor's office finally gets in touch to ask for the key back, Spider-Ham realizes he must have dropped it sometime in the last 24 hours. YIKES. Now, our notoriously empty-headed hero must retrace his steps from the past day, following his own trail to discover where he dropped the key before it falls into villainous hands. Did he lose it during a rooftop chase with the Black Catfish? Drop it in the middle of a tussle with the Green Gobbler? Leave it behind while visiting Croctor Strange's magic mansion? Accidentally store it next to May Porker's vacuum cleaner? Who knows? You'll have to read to find out! But one thing's for sure -- Great Power, No Responsibility is an action-packed, hilarious adventure perfect for younger readers. Who was Jeffrey Epstein? A Pulitzer Prize-nominated journalist unearths never-before-reported details in the most comprehensive account yet of the disgraced financier's life, death, and criminal web, including the role of Ghislaine Maxwell. An ID Book Club Selection By now, the basic contours of Jeffrey Epstein's horrendous crimes--his decades-long serial abuse of young women and underage girls--are familiar. But for all that has been written about Epstein since his shocking death in a lower Manhattan jail cell, an astonishing amount remains unknown. A shy Brooklyn kid turned renegade financier, Jeffrey Epstein never wanted to play by the rules of polite society. He was elusive in life and he has remained just as elusive in death. What is known is that he had amassed nearly \$600 million by the time of his death. That fortune allowed Epstein to pursue a privileged, secretive life, jetting between his fortress-like homes in Manhattan,

New Mexico, and Little St. James, his private island. Behind these closed doors, Epstein socialized with scientists and world leaders and preyed on powerless young women. In *The Spider*, Barry Levine shines a light into the darkest corners of Epstein's world, including - Epstein's young adulthood and earliest accusations of sexual misconduct - the murky sources of Epstein's fortune and business dealings - Epstein's circle of confidantes and employees, particularly the nature of his long relationship with socialite Ghislaine Maxwell - his ties to powerful men, including Bill Clinton, Prince Andrew, Les Wexner, and Donald Trump - Epstein's last hours as a free man in Paris and the secret operation to arrest him at a New Jersey airport before he could flee - new details on Epstein's final days in jail and the mystery surrounding his death Featuring rare and never-before-seen photographs, *The Spider* exposes how Epstein operated and evaded justice for so long--and how he drew so many others into his criminal web.

Told in the first person as if written by Arabella herself, she describes how she was the first spider to spin a web in space in 1973, and even made it into the Guinness Book of World Records. Reading Arabella's diary and the story, we learn how spiders spin webs and why this experiment, suggested by a high school student, was important.

The Spider and the Cucumber is a book about a spider that is enchanted with the color green. He lives in a garden and is excited to see a new, splendid green vegetable growing in his garden. He discovers that it is a cucumber. To his surprise, he can't believe that the cucumber is not the same color green through and through. The spider feels sorry for the cucumber because he knows it must be awful to be completely different on the inside than you are on the outside. The spider's narrow way of thinking is challenged by the cucumber. This simple story reveals that there is always more than what meets the eye, and just because something appears one way on the outside doesn't guarantee it's the same way on the inside. It teaches that something different can be a nice addition to life.

A rip-roaring read-aloud (shout-aloud) picture book about a spider who wants to be the family pet from the internationally acclaimed illustrator of Julia Donaldson's What the Ladybird Heard. Spider wants to be a family pet. But the family whose house he lives in are terrified of him. Whenever he tries to show them what a great pet he would make, they simply cry: "AAAARRGGHH, Spider!" The illustrator of Julia Donaldson's famous titles such as The Singing Mermaid and The Rhyming Rabbit proves she is an author in her own right with this best-selling picture book story.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

Australians have a love-hate relationship with spiders. Some spiders, such as the Redback and the Sydney Funnelweb, inspire fear. Yet Peacock Spiders, with their colourful fan-spreading courtship dances, have won rapturous appreciation worldwide. A Field Guide to Spiders of Australia uses photographs of living animals to help people identify many of the spiders they encounter. Featuring over 1300 colour photographs, it is the most comprehensive account of Australian spiders ever published. With more than two-thirds of Australian spiders yet to be scientifically described, this book sets the scene for future explorations of our extraordinary Australian fauna. This field guide will be enjoyed by naturalists and anyone with an interest in learning more about Australia's incredible arachnids. A spider, blown by the wind to a fence post near a farm yard, begins to build her web and cannot be distracted from the task at hand--not by the horse, cow, sheep, goat, or dog. But when the rooster asks if she wants to catch a pesky fly, the busy spider is able to catch it in her web immediately!

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only to the Hotels and Tourist Homes in all of the large cities, but other classifications of places which will be found useful wherever he may be. Also facts and information that the New Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to some of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as soon as these places move, or go out of business and new business places are started giving added employment to members of our race.

"'Will you walk into my parlour,' said the Spider to the Fly..." is easily one of the most recognized and quoted first lines in all of English verse. But do you have any idea the age-old tale of the Spider and the Fly ends? This enduring verse from Mary Howland dates back to the nineteenth century, but its warning - to beware the wiles of women - remains today as relevant as ever. Now in its tenth year, celebrated artist Tony

DiTerlizzi, drawing inspiration from his love of classic Hollywood horror movies of the 1920s and 1930s, shines a cinematic spotlight on Mary Howitt's warning, written to his own children about those who use sweet words to hide their not-so-sweet intentions. Featuring new jacket art and a commemorative poster this special 10th anniversary edition of the quintessential cautionary tale is a must have!

Adrian Tchaikovsky's award-winning novel Children of Time, is the epic story of humanity's battle for survival on a terraformed planet. Who will inherit this new Earth? The last remnants of the human race left a dying Earth, desperate to find a new home among the stars. Following in the footsteps of their ancestors, they discover the greatest treasure of the past age - a world terraformed and prepared for human habitation. But all is not right in this new Eden. In the long years since the planet was abandoned, the work of its architects has borne disastrous fruit. The planet is not waiting for its new masters, pristine and unoccupied. New masters have turned it from a refuge into mankind's worst nightmare. Now two civilizations are on a collision course, both testing the boundaries of what they will do to survive. As the fate of humanity hangs in the balance, who are the true heirs of this new Earth?
