*NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly* When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road “This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, ‘out of our heads and into our hearts.’”—People “Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be.”—The Boston Globe

*Follow the adventures of how I can recover after my life event with a big dream to win a scholarship from Oxford University. Once upon a Tuesday, my day was just as usual until I left home, suddenly an unexpected disaster happened and ruined my life. My father kidnapped me and my brother in 2020 when I was eight years old, and my mom found only me but not my brother in Vietnam and took me back to our home in Latvia. Then I spent more than one year fighting against my psychological trauma and stress with many antibiotic medicines, sand therapist, talk therapist, stress released massage, psychologist tests... I fought against the Latvian orphans' court, immigration office, civil court, criminal police... to enhance my wish to stay with my mom in Latvia. I need my mom, nothing else. It became even worst and worst because I can't follow my studies at school. Additionally, I got roasting and bullying by classmates, which making me hate school so much. My life stuck totally until I escaped from the catastrophe one day, and a new me was born. I stood up firmly. I learned English by myself and start working on my big plan at the age of nine: I must get a scholarship from Oxford University, which significantly changes everything in me.*

*Helen Keller's autobiographies THE STORY OF MY LIFE and THE WORLD I LIVE IN chronicle in her own words the remarkable true story we have come to know from the stage and film productions of THE MIRACLE WORKER. Here we discover Helen's thoughts and feelings hidden in the blind, deaf,*

and mute character in those productions—thoughts and feelings she came to express with such eloquence orally and in writings in later years. And here we are inspired not only by Helen Keller and her journey but also by the intriguing possibilities that certainly must be awaiting discovery in others. EARLY REVIEWS "The autobiography of Helen Keller is unquestionably one of the most remarkable records ever published."—British Weekly "This book is a human document of intense interest, and without a parallel, we suppose, in the history of literature."—Yorkshire Post "Miss Keller's autobiography, well written and full of practical interest in all sides of life, literary, artistic and social, records an extraordinary victory over physical disabilities."—Times "This book is a record of the miraculous. No one can read it without being profoundly touched by the patience and devotion which brought the blind, deaf-mute child into touch with human life, without being filled with wonder at the quick intelligence which made such communication with the outside world possible."—Queen

The Story of My Life - Helen Keller's Autobiography by Helen Keller. This book is in three parts. The first two, Miss Keller's story and the extracts from her letters, form a complete account of her life as far as she can give it. Much of her education she cannot explain herself, and since a knowledge of that is necessary to an understanding of what she has written, it was thought best to supplement her autobiography with the reports and letters of her teacher, Miss Anne Mansfield Sullivan. The addition of a further account of Miss Keller's personality and achievements may be unnecessary; yet it will help to make clear some of the traits of her character and the nature of the work which she and her teacher have done. For the third part of the book the Editor is responsible, though all that is valid in it he owes to authentic records and to the advice of Miss Sullivan. The Editor desires to express his gratitude and the gratitude of Miss Keller and Miss Sullivan to The Ladies' Home Journal and to its editors, Mr. Edward Bok and Mr. William V. Alexander, who have been unfailingly kind and have given for use in this book all the photographs which were taken expressly for the Journal; and the Editor thanks Miss Keller's many friends who have lent him her letters to them and given him valuable information; especially Mrs. Laurence Hutton, who supplied him with her large collection of notes and anecdotes; Mr. John Hitz, Superintendent of the Volta Bureau for the Increase and Diffusion of Knowledge relating to the Deaf; and Mrs. Sophia C. Hopkins, to whom Miss Sullivan wrote those illuminating letters, the extracts from which give a better idea of her methods with her pupil than anything heretofore published.

**A bright star of the Italian Renaissance, Girolamo Cardano was an internationally-sought-after astrologer, physician, and natural philosopher, a creator of modern algebra, and the inventor of the universal joint. Condemned by the Inquisition to house arrest in his old age, Cardano wrote The Book of My Life, an unvarnished and often outrageous account of his character and conduct. Whether discussing his sex life or his diet, the plots of academic rivals or meetings with supernatural beings, or his deep sorrow when his beloved son was executed for murder, Cardano displays the same unbounded curiosity that made him a scientific pioneer. At once picaresque adventure and campus comedy, curriculum vitae, and last will, The Book of My Life is an extraordinary Renaissance self-portrait—a book to set beside Montaigne's Essays and Benvenuto Cellini's Autobiography.**

Listen to Jesus, the Christ, tell His own story . . . in His own words. You will find all four Gospel accounts combined in one single, flowing narrative. The Story of My Life as Told by Jesus Christ is a complete and thorough picture of the events of Christ's life. Now you can read about the Lord's life in chronological order, without repetition of a single detail; and every sentence in the four Gospels is included. Each of the four Gospels is unique. Yet, taken together, these accounts combine to form a complete story. Allow yourself to be immersed into the setting of the life and ministry of Christ. Follow His footsteps as He walked the earth with those He knew and loved. The impact is so arresting, you will feel that you are hearing the Gospel story as you have never heard it. Based on Tyndale's New Living Translation Bible, The Story of My Life as Told by Jesus Christ is in readable, contemporary English. A wonderful study aid for all ages.

These poetic, inspiring essays offer remarkable insights into the world of a gifted woman who was deaf and blind. Keller relates her impressions, perceived through the senses and imagination, of the world's beauty and promise.

*Once in a great while there appears a baseball player who transcends the game and earns universal admiration from his fellow players, from fans, and from the American people. Such a man was Hank Greenberg, whose dynamic life and legendary career are among baseball's most inspiring stories. The Story of My Life tells the story of this extraordinary man in his own words, describing his childhood as the son of Eastern European immigrants in New York; his spectacular baseball career as one of the greatest home-run hitters of all time and later as a manager and owner; his heroic service in World War II; and his courageous struggle with cancer. Tall, handsome, and uncommonly good-natured, Greenberg was a secular Jew who, during a time of widespread religious bigotry in America, stood up for his beliefs. Throughout a lifetime of anti-Semitic abuse he maintained his dignity, becoming in the process a hero for Jews throughout America and the first Jewish ballplayer elected to the Baseball Hall of Fame.*

**A NEW YORK TIMES Notable Book of the Year** “In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. ‘I’m not going to hide behind you anymore,’ she says. ‘Who are you anyway? You’re not me.’ Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off.”—Anna Quindlen, *The New York Times* Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. *Me* is an unforgettable portrait of Katharine Hepburn as we have not seen her before. “It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn.”—*The New York Times Book Review* NOTE: This edition does not include photographs.

When you're the shortest guy in the sixth grade, standing tall isn't easy. Michael Jordan does not play basketball. He's not named after the Michael Jordan. In fact, he doesn't resemble an NBA player at all. Michael is the shortest boy in his grade, which is a problem for someone starting middle school. As if being the only boy sitting in the front row of every class photo isn't bad enough, his younger sister Emma loves pretending that she is his twin-and everyone believes her. Needless to say, Michael worries that the journal entries he must write every week for literature class will immortalize a very bad year. But then an amazing thing happens-Macy, a pretty, blond eighth-grader, starts being very, very nice to him. Why she would go for a shorter, younger guy is a mystery, but Michael isn't complaining. He just enjoys getting tutored by her (even though he doesn't need it) and seeing her at his older brother's soccer games. Who knows where things could go from there? Jennifer B. Jones's funny, upbeat novel perfectly captures a boy's nervousness about middle school, girls, and learning to stand up for himself.

The Story of My Life and Work

“[In *Pimp*], Iceberg Slim breaks down some of the coldest, capitalist concepts I’ve ever heard in my life.” —Dave Chappelle, from his Netflix special *The Bird Revelation* *Pimp* sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim’s autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago’s street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, “In this book, I will take you, the reader, with me into the secret inner world of the pimp.” An immersive experience unlike anything before it, *Pimp* would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler’s tale that never seems to go out of style.

In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

How did a kid whose dad lived in the poorhouse become the most successful storyteller in the world? · On the morning he was born, he nearly died. · Growing up, he didn't love to read. That changed. · He worked at a mental hospital in Massachusetts, where he met the singer James Taylor and the poet Robert Lowell. · While he toiled in advertising hell, James wrote the ad jingle line "I'm a Toys 'R' Us Kid." · He once watched James Baldwin and Norman Mailer square off to trade punches at a party. · He's only been in love twice. Both times are amazing. · Dolly Parton once sang "Happy Birthday" to James over the phone. She calls him J.J., for Jimmy James. · Three American presidents have invited him to golf with them. How did a boy from small-town New York become the world's most successful writer? How does he do it? He has always wanted to write the kind of novel that would be read and reread so many times that the binding breaks and the book literally falls apart. As he says, "I'm still working on that one." *James Patterson* by James Patterson is the most anticipated memoir of 2022.

**Story of My Life**

É My life is a lovely story, happy and full of incident. If, when I was a boy, and went forth into the world poor and friendless, a good fairy had met me and said, "Choose now thy own course through life, and the object for which thou wilt strive, and then, according to the development of thy mind, and as reason requires, I will guide and defend thee to its attainment," my fate could not, even then, have been directed more happily, more prudently, or better. The history of my life will say to the world what it says to me Ñ There is a loving God, who directs all things for the best. My native land, Denmark, is a poetical land, full of popular traditions, old songs, and an eventful history, which has become bound up with that of Sweden and Norway. The Danish islands are possessed of beautiful beech woods, and corn and clover fields: they resemble gardens on a great scale. Upon one of these green islands, Funen, stands Odense, the place of my birth. Odense is called after the pagan god Odin, who, as tradition states, lived here: this place is the capital of the province, and lies twenty-two Danish miles from Copenhagen. In the year 1805 there lived here, in a small mean room, a young married couple, who were extremely attached to each other; he was a shoemaker, scarcely twenty-two years old, a man of a richly gifted and truly poetical mind. His wife, a few years older than himself, was ignorant of life and of the world, but possessed a heart full of love. The young man had himself made his shoemaking bench, and the bedstead with which he began housekeeping; this bedstead he had made out of the wooden frame which had borne only a short time before the coffin of the deceased Count Trampe, as he lay in state, and the remnants of the black cloth on the wood work kept the fact still in remembrance. Instead of a noble corpse, surrounded by crape and wax-lights, here lay, on the second of April, 1805, a living and weeping child, Ñ that was myself, Hans Christian Andersen. During the first day of my existence my father is said to have sat by the bed and read aloud in Holberg, but I cried all the time. "Wilt thou go to sleep, or listen quietly?" it is reported that my father asked in joke; but I still cried on; and even in the church, when I was taken to be baptized, I cried so loudly that the preacher, who was a passionate man, said, "The young one screams like a cat!" which words my mother never forgot. A poor emigrant, Gomar, who stood as godfather, consoled her in the mean time by saying that the louder I cried as a child, all the more beautifully should I sing when I grew older.
