CHORUS is the anthem of a new generation of poets unified by the desire to transcend the identity politics of the day and begin to be seen as one. One hundred voices woven through testimony and new testament. It is the cry of the unheard. The occupation of the page itself. It embodies the "speak-up" spirit of the moment, the confidence propagated through hip-hop, and the defiant "WTF?" of the now. It is the voice that comes after the rebellious voice that once cried, "I want my MTV!" branded back to where punk was, slammed up and beyond it. A combination of trash, heart, and craft. An anthology in rant. CHORUS is what all modern-day losers chant.

Charlie struggles to cope with complex world of high school as he deals with the confusions of sex and love, the temptations of drugs, and the pain of

losing a close friend and a favorite aunt.

Following her acclaimed, Los Angeles Times Book Prize–nominated novel, The God of War, Marisa Silver’s extraordinary book, Alone With You, is a starkly elegant and superbly rendered collection of short stories. Marisa Silver dazzled and inspired readers with her critically acclaimed The God of War (a Los Angeles Times Book Prize finalist), praised by Richard Russo as “a novel of great metaphorical depth and beauty.” In this elegant, finely wrought new collection, Alone With You, Silver has created eight indelible stories that mine the complexities of modern relationships and the unexpected ways love manifests itself. Her brilliantly etched characters confront life’s abrupt and unsettling changes with fear, courage, humor, and overwhelming grace. In the O. Henry Prize–winning story “The Visitor,” a VA hospital nurse’s aide contends with a family ghost and discovers the ways in which her own past haunts her. The reticent father in “Pond” is confronted with a Solomonic choice that pits his love for his daughter against his feelings for her young son. In “Night Train to Frankfurt,” first published in The New Yorker, a daughter travels to an alternative-medicine clinic in Germany in a gambit to save her mother’s life. And in the title story, a woman vacations in Morocco with her family while contemplating a decision that will both ruin and liberate them all. From “Temporary,” where a young woman confronts the ephemeral nature of companionship, to “Three Girls,” in which sisters trapped in a snowstorm recognize the boundaries of childhood, the nuanced voices of Alone With You bear the hallmarks of an instant classic from a writer with unerring talent and imaginative resource. Silver has the extraordinary ability to render her fictional inhabitants instantly relatable, in all their imperfections. Her stories have the singular quality of looking in a mirror. We see at once what is familiar and what is strange. In these stirring narratives, we meet ourselves anew.

The first full and authoritative biography of an American—indeed a world-wide—musical and cultural legend “No one worked harder than B.B. No one inspired more up-and-coming artists. No one did more to spread the gospel of the blues.”—President Barack Obama “He is without a doubt the most important artist the blues has ever produced.”—Eric Clapton Riley “Blues Boy” King (1925-2015) was born into deep poverty in Jim Crow Mississippi. Wrenched away from his sharecropper father, B.B. lost his mother at age ten, leaving him more or less alone. Music became his emancipation from exhausting toil in the fields. Inspired by a local minister’s guitar and by the records of Blind Lemon Jefferson and T-Bone Walker, encouraged by his cousin, the established blues man Bukka White, B.B. taught his guitar to sing in the unique solo style that, along with his relentless work ethic and humanity, became his trademark. In turn, generations of artists claimed him as inspiration, from Jimi Hendrix and Eric Clapton to Carlos Santana and the Edge. King of the Blues presents the vibrant life and times of a trailblazing giant. Witness to dark prejudice and lynching in his youth, B.B. performed incessantly (some 15,000 concerts in 90 countries over nearly 60 years)—in some real way his means of escaping his past. Several of his concerts, including his landmark gig at Chicago’s Cook County Jail, endure in legend to this day. His career roller-coasted between adulation and relegation, but he always rose back up. At the same time, his story reveals the many ways record companies took advantage of artists, especially those of color. Daniel de Visé has interviewed almost every surviving member of B.B. King’s inner circle—family, band members, retainers, managers, and more—and their voices and memories enrich and enliven the life of this Mississippi blues titan, whom his contemporary Bobby “Blue” Bland simply called “the man.”

GET WRITING: PARAGRAPHS AND ESSAYS helps developmental students learn to think and plan before they write, and evaluate their own and others' writing, with a focus on critical thinking through features called **Critical Thinking: What Are You Trying to Say?** and **Revision: What Have You Written?** The text helps those who are struggling with writing requirements, including recent high school graduates, returning students, or those for whom English is a second language. Integrated exercises enable them to practice what they have just learned, and student papers in annotated first and revised drafts provide realistic models. Sample professional writing demonstrates how writers understand the context of their writing, utilize writing strategies, and make language choices. "Wrenching . . . powerfully sensuous." — New York Times "As searing and unforgettable as an electric shock." —Kirkus Reviews At the age of eight Brian Lackey is found bleeding under the crawl space of his house, having endured something so traumatic that he cannot remember an entire five-hour period of time. During the following years he slowly recalls details from that night, but these fragments are not enough to explain what happened to him, and he begins to believe that he may have been the victim of an alien encounter. Neil McCormick is fully aware of the events from that summer of 1981. Wise beyond his years, curious about his

developing sexuality, Neil found what he perceived to be love and guidance from his baseball coach. Now, ten years later, he is a teenage hustler, unaware of the dangerous path his life is taking. His recklessness is governed by idealized memories of his coach, memories that unexpectedly change when Brian comes to Neil for help and, ultimately, the truth.

A heartfelt and funny new novel about forgiveness and redemption, and about how hope is the ultimate act of rebellion, perfect for fans of John Green and Becky Albertalli. Growing up in a conservative Christian household isn't easy for rock-obsessed Hope Cassidy. She's spent her whole life being told that the devil speaks through Led Zeppelin, but it's even worse for her sister, Faith, who feels like she can't be honest about dating the record shop cashier, Mavis. That is, until their youngest sister hears word of their "sinful" utopia and outs Faith to their parents. Now there's nowhere for Faith to go but the Change Through Grace conversion center...or running away. Following Faith's disappearance, their family is suddenly broken. Hope feels a need to rebel. She gets a tattoo and tries singing through the hurt with her Janis Joplin-style voice. But when her long-time crush Danny comes out and is subsequently kicked out of his house, Hope can't stand by and let history repeat itself. Now living in Faith's room, Danny and Hope strike up a friendship...and a band. And their music just might be the answer to dethroning Alt-Rite, Danny's twin brother's new hate-fueled band. With a hilarious voice and an open heart, Hopepunk is a novel about forgiveness, redemption, and finding your home, and about how hope is the ultimate act of rebellion.

Three generations of critics have commented on the parallels between George Orwell and his favorite novelist, George Gissing. -I am a great fan of his, - Orwell wrote in 1948, proclaiming -that England has produced very few better novelists.- This in-depth study reveals that Orwell drew heavily on the Gissing novels he admired in shaping his own. Gissing's "New Grub Street" and "The Odd Women" directly influenced Orwell's Depression-era novels "Keep the Aspidstra Flying" and "A Clergyman's Daughter." Even Orwell's most imaginative work, "Animal Farm," mirrors Gissing's own novel of a failed Socialist Utopia, "Demos." Gissing was Orwell's role model and alter ego. Gissing provided him with a touchstone to his beliefs, his pessimism, his love of Dickens and cozy corners, his suspicion of -progress, - his restless sexuality. To understand Orwell fully, one must first read Gissing."

Acclaimed independent filmmaker Ed Burns shares the story of his remarkable career and offers a candid, instructive account of the ins-and-outs of making great movies without the backing of Hollywood. As the second of three children from a working-class Long Island family, Ed Burns thought a career in filmmaking was a pipe dream. When his first film, *The Brothers McMullen*, won the Grand Jury Prize at the Sundance Film Festival, he proved himself to be one of the most distinctive and tenacious filmmakers of our time. Since then he has gone on to star in major Hollywood films while remaining dedicated to his true passion: making small films that he believes in. Sharing the lengths he's gone to in order to write, direct, cast, produce, shoot, and edit films on a shoestring budget, Burns uses stories from his life and career to illustrate what it takes to make it as an indie filmmaker. His extreme focus and drive prove that passion and hard work can pay off, and he urges students and aspiring filmmakers to embrace and learn from their failures--and continue to pursue their goals. A gripping, inspirational story about forging your own path, *Independent Ed* is a must-read for casual movie fans, serious film students, and any creative person searching for a bit of inspiration.

Introduction by Kevin Baker *The Natural*, Bernard Malamud's first novel, published in 1952, is also the first—and some would say still the best—novel ever written about baseball. In it Malamud, usually appreciated for his unerring portraits of postwar Jewish life, took on very different material—the story of a superbly gifted "natural" at play in the fields of the daylight baseball era—and invested it with the hardscrabble poetry, at once grand and altogether believable, that runs through all his best work. Four decades later, Alfred Kazin's comment still holds true: "Malamud has done something which—now that he has done it!—looks as if we have been waiting for it all our lives. He has really raised the whole craziness and fanaticism of baseball as a popular spectacle to its ordained place in mythology."

The only screenwriting book that includes a DVD that contains performances of the short films and screenplays that are featured in the book! The beauty and power of any story lies in its ability to connect to the reader, listener, or observer. *Crafting Short Screenplays That Connect* is the first screenwriting guide to introduce connection as an essential, although essentially overlooked, aspect of creating stories for the screen and of the screenwriting process itself. Written with clarity and humor, this book teaches the craft of writing short screenplays by guiding the student through carefully focused writing exercises of increasing length and complexity. Eight award-winning student screenplays are included for illustration and inspiration. The text is divided into three parts. Part one focuses on preparing to write by means of exercises designed to help students think more deeply about the screenwriter's purposes; their own unique vision, material and process; and finally about what screenplays are at their simplest and most profound level--a pattern of human change, created from specific moments of change--discoveries and decisions. Part two teaches students how to craft an effective pattern of human change. It guides them through the writing and re-writing of "Five (Not So Easy) Pieces"--five short screenplays of increasing length and complexity--focusing on a specific principle of dramatic technique: The Discovery, The Decision, The Boxing Match, The Improbable Connection, and The Long Short Screenplay. Part Three presents the five screenplays used throughout the book to illustrate the dramatic principles that have been discussed, and includes interviews with the screenwriters, a look at where they are now and what they are doing, and brief discussion of how each film evolved.

Ever watch a movie, and despite great production value, fantastic action sequences, a great cast, etc, you come away thinking-I just didn't buy it. Chances are it was because you didn't care about the characters. *Screenwriter's Compass* presents a new way of approaching screenwriting, examining how effective screen storytelling must be grounded in the vivid imagining and presentation of character. *Screenwriter's Compass* will not

offer formulas to follow but instead will give you the tools needed to chart your own path to screenwriting success. It details useful ways of thinking about writing, as well as practical ideas and concepts to help you discover the unique geography of your own imagination and navigate the problems posed by the struggle to express vision, agenda, and story. You'll learn how to root your writing in motivation and voice, to create screenplays that seduce and make your reader lean forward, and, most importantly, identify with your characters.
