

The System Of Dantes Hell

A New York Times Book Review Editors ‘ Choice “Inferno is a disturbing and masterfully told memoir, but it ‘ s also an important one that pushes back against powerful taboos. . .” --The New York Times Book Review “Explosive” --Good Morning America “Sublime” --Bookpage (starred review) When Catherine Cho and her husband set off from London to introduce their newborn son to family scattered across the United States, she could not have imagined what lay in store. Before the trip ‘ s end, she develops psychosis, a complete break from reality, which causes her to lose all sense of time and place, including what is real and not real. In desperation, her husband admits her to a nearby psychiatric hospital, where she begins the hard work of rebuilding her identity. In this unwaveringly honest, insightful, and often shocking memoir Catherine reconstructs her sense of self, starting with her childhood as the daughter of Korean immigrants, moving through a traumatic past relationship, and on to the early years of her courtship with and marriage to her husband, James. She masterfully interweaves these parts of her past with a vivid, immediate recounting of the days she spent in the ward. The result is a powerful exploration of psychosis and motherhood, at once intensely personal, yet holding within it a universal experience – of how we love, live and understand ourselves in relation to each other.

In his introduction to THE INFERNO, the translator says: “I suppose that a very great majority of English-speaking people, if they were asked to name the greatest epic poet of the Christian era in Western Europe, would answer Dante.” THE DIVINE COMEDY continues to be widely read today, whether for its religious inspiration or for the sheer power of its verse. In the second part of the epic, THE PURGATORIO, Dante climbs out of the pit of Hell with the guidance of the ancient Roman poet, Virgil, who then takes him on a journey up the mountain of Purgatory. Here we find the souls of those who died in sin, but whose transgressions have not placed them irredeemably beyond the saving grace of God’s mercy. Sooner or later, they WILL reach Heaven. A first-rate English-language rendition of a classic of western literature.

“A remarkable narrative of childhood and youth’s spiraling out of Dante’s Inferno.”--

Including 6 Persons, a previously unpublished novel; The System of Dante’s Hell; and Tales, this collection also features four uncollected short stories.

One of the greatest works of world literature, Dante Alighieri’s The Divine Comedy has, despite its enormous popularity and importance, often stymied readers with its multitudinous characters, references, and themes. But until now, students of the Inferno have lacked a suitable resource to guide their reading. Welcome to Danteworlds, the first substantial guide to the Inferno in English. Guy P. Raffa takes readers on a geographic journey through Dante’s underworld circle by circle—from the Dark Wood down to the ninth circle of Hell—in much the same way Dante and Virgil proceed in their infernal descent. Each chapter—o*r “region”—of the book begins with a summary of the action, followed by detailed entries, significant verses, and useful study questions. The entries, based on a close examination of the poet’s biblical, classical, and medieval sources, help locate the characters and creatures Dante encounters and assist in decoding the poem’s vast array of references to religion, philosophy, history, politics, and other works of literature. Written by an established Dante scholar and tested in the fire of extensive classroom experience, Danteworlds will be heralded by readers at all levels of expertise, from students and general readers to teachers and scholars.*

A Modern Adaptation of Dante’s Inferno

The system of Dante’s hell

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son’s fight to survive, this “tale of survival and the miracle of goodness only adds to McCarthy’s stature as a living master. It’s gripping, frightening and, ultimately, beautiful” (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don’t know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, “each the other’s world entire,” are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Robert Duncan was a defining figure of twentieth-century American poetry. Eric Mottram was a pioneer in the field of American Studies in the UK and a key contributor to the British Poetry Revival. In the 1970s the two men conducted a wide-ranging dialogue on poetry, politics and the religious through an exchange of intense and often expansive letters. Mottram continued the dialogue in two substantive critical examinations of Duncan’s work. The Unruly Garden presents an annotated edition of the complete available correspondence along with the two essays. The first essay was heavily edited when originally published and is included here in its restored form. The second essay appeared in a small press magazine and now receives the wider circulation it deserves.

The National Book Award-winning author of The Women of Brewster Place explores the secrets of an affluent black community. For its wealthy African American residents, the exclusive neighborhood of Linden Hills is a symbol of “making it.” The ultimate achievement: a home on prestigious Tupelo Drive. Making your way downhill to Tupelo is irrefutable proof of your worth. But the farther down the hill you go, the emptier you become . . . Using the descent of Dante’s Inferno as a model, this bold, haunting novel follows two young men as they attempt to find work amid the circles of the hell-off community. Exploring a microcosm of race and social class, author Gloria Naylor reveals the true cost of success for the lost souls of Linden Hills—an existence trapped in a nightmare of their own making.

The Divine Comedy, Book Two

Hearing across media is the source of innovation in a uniquely African American sphere of art-making and performance, Brent Hayes Edwards writes. He explores this fertile interface through case studies in jazz literature—both writings informed by music and the surprisingly large body of writing by jazz musicians themselves.

“A fevered and impressionistic riff on the struggles of blacks in the urban North and rural South, as told through the prism of The Inferno.” --Kirkus Reviews This 1965 novel is a remarkable narrative of childhood and youth, structured on the themes of Dante’s Inferno: violence, incontinence, fraud, and treachery. With a poet’s skill, Baraka creates the atmosphere of hell, and with dramatic power he reconstructs the brutality of the black slums of Newark, a small Southern town, and New York City. The episodes contained within the novel represent both states of mind and states of the soul—lyrical, fragmentary, and allusive. With an introduction by Woodie King Jr. “Much of the novel is an expression of the intellectual and moral lost motion of the age . . . the special agony of the American Negro.” —The New York Times Book Review “It’s a tortured nightmare, excruciatingly honest and alive, painful and beautiful. . .” —Michael Rumaker, author of A Day and a Night at the Baths This modern adaptation of Dante’s inferno reveals a cast of largely contemporary wrongdoers including real and fictional characters. The book poses questions about social values, society and how we measure right and wrong.

Tales of the Out & the Gone

Dante’s epic poem Inferno is brought to the reader complete in this superbly translated hardcover edition. As the opening part of this superbly translated hardcover edition, and the opening part of this superbly translated hardcover edition. We see the poet lost in a dark wood, and promptly confronted by three mighty beasts: a leopard, a lion, and a she-wolf. Symbolic of sinful behaviour and desires, the trio of creatures pursue Dante into darkness, wherein Virgil - a deceased Roman poet representing human cognition and reason - appears. Initially unsure of Virgil’s intentions, Dante is persuaded when the poet mentions that Beatrice Portinari, a young woman Dante knew and a symbol of love, sent him to find Dante with instructions from the Virgin Mary. It is thus that their journey to the underworld begins, with Virgil to act as Dante’s guide through the malevolent environs.

This compelling account concludes Nobel Prize-winner Aleksandr Solzhenitsyn’s literary memoirs of his years in the West after his forced exile from the USSR following the publication of The Gulag Archipelago. The book reflects both the pain of separation from his Russian homeland and the chasm of miscomprehension between him and Western opinion makers. In Between Two Millstones, Solzhenitsyn likens his position to that of a grain that becomes lodged between two massive stones, each grinding away—the Soviet Communist power with its propaganda machine on the one hand and the Western establishment with its mainstream media on the other. Book 2 picks up the story of Solzhenitsyn’s remarkable life after the raucous publicity over his 1978 Harvard Address has died down. The author parries attacks from the Soviet state (and its many fellow-travelers in the Western press) as well as from recent émigrés who, according to Solzhenitsyn, defame Russian culture, history, and religion. He shares his unvarnished view of several infamous episodes, such as a sabotaged meeting with Ronald Reagan, aborted Senate hearings regarding Radio Liberty, and Gorbachev’s protracted refusal to allow The Gulag Archipelago to be published back home. There is also a captivating chapter detailing his trips to Japan, Taiwan, and Great Britain, including meetings with Margaret Thatcher and Prince Charles and Princess Diana. Meanwhile, the central themes of Book 1 course through this volume, too—the immense artistic quandary of fashioning The Red Wheel, staunch Western hostility to the historical and future Russia (and how much can, or should, the author do about it), and the challenges of raising his three sons in the language and spirit of Russia while cut off from the homeland in a remote corner of rural New England. The book concludes in 1994, as Solzhenitsyn bids farewell to the West in a valedictory series of speeches and meetings with world leaders, including John Paul II, and prepares at last to return home with his beloved wife Natalia, full of misgivings about what use he can be in the first chaotic years of post-Communist Russia, but never wavering in his conviction that, in the long run, his books would speak, influence, and convince. This vibrant, faithful, and long-awaited first English translation of Between Two Milstones, Book 2, will fascinate Solzhenitsyn’s many admirers, as well as those interested in twentieth-century history, Russian history, and literature in general.

“From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares.” --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America From the Hebrew Bible’s shadowy realm of Sheol to twenty-first-century visions of Hell on earth, The Penguin Book of Hell takes us through three thousand years of eternal damnation. Along the way, you’ll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk—a monster with a thousand giant hands; wander the nine circles of Hell in Dante’s Inferno, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints’ lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death.

The author, poet, playwright, and composer documents the racial politics of America between 1960 and 1965 in a collection of essays on urban life, boxing, black sexuality, Harlem, and the Cuban revolution.

Stories spanning over three decades, many previously unpublished, from “ a keen observer of the outlandish and outrageous in politics and human behavior ” (Booklist). Comprising short fiction from the early 1970s to the twenty-first century—most of which has never been published—Tales of the Out & the Gone reflects the astounding evolution of America ‘ s most provocative literary anti-hero. The first section of the book, “ War Stories, ” offers six stories enmeshed in the volatile politics of the 1970s and 1980s. The second section, “ Tales of the Out & the Gone, ” reveals Amiri Baraka ‘ s increasing literary adventurousness, combining an unpredictable language play with a passion for abstraction and psychological exploration. Throughout, Baraka ‘ s unique and constantly changing style will enlighten readers on the evolution of one of America ‘ s most accomplished literary masters of the past four decades.

In late 1995, the Million Man March drew hundreds of thousands of black men to Washington, DC, and seemed even to skeptics a powerful sign not only of black male solidarity. Yet while generating a sense of community and common purpose, the Million Man March, with its deliberate exclusion of women and implicit rejection of black gay men, also highlighted one of the central faultlines in African American politics: the role of gender and sexuality in antiracist agendas. In this groundbreaking anthology, a companion to the highly successful Critical Race Feminism, Devon Carbado changes the terms of the debate over racism, gender, and sexuality in black America. The essays cover such topics as the legal construction of black male identity, domestic abuse in the black community, the enduring power of black machismo, the politics of black male/white female relationships, racial essentialism, the role of black men in black women’s quest for racial equality, and the heterosexist nature of black political engagement. Featuring work by Cornel West, Huey Newton, Henry Louis Gates, Jr., A. Leon Higginbotham, Jr., Houston Baker, Marion T. Riggs, Dwight McBride, Michael Awkward, Ishmael Reed, Derrick Bell, and many others, Devon Carbado’s anthology stakes out new territory in the American racial landscape.

After almost seven centuries, Dante endures and even seems to haunt the present. Metamorphosing Dante explores what so many authors, artists and thinkers from varied backgrounds have found in Dante ‘ s oeuvre, and the ways in which they have engaged with it through rewritings, dialogues, and transpositions. By establishing trans-disciplinary routes, the volume shows that, along with a corpus of multiple linguistic and narrative structures, characters, and stories, Dante has provided a field of tensions in which to mirror and investigate one ‘ s own time. Authors explored include Samuel Beckett, Walter Benjamin, André é Gide, Derek Jarman, LeRoi Jones/Amiri Baraka, James Joyce, Wolfgang Koepfen, Jacques Lacan, Thomas Mann, James Merrill, Eugenio Montale, Pier Paolo Pasolini, Cesare Pavese, Giorgio Pressburger, Robert Rauschenberg, Vittorio Sereni, Virginia Woolf.
