

The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

A valuable dream guide shows readers how to use nightly messages from the unconscious to inform and instruct their waking consciousness. Original.

A visionary journey into the crucible in which America was born, a tale of love and war and of a master shaman who folds time to seek the key to the survival of his people.

This handbook provides a comprehensive overview of the nature of dreams as understood from a range of diverse perspectives, and their relevance for pastoral care. Its approach is both systematic and practical, enabling ministers, spiritual directors and counsellors to understand the nature of dreams and the role they play in the lives of those in their pastoral care. Dreams are a universal phenomenon and have a long established role in religious faith and practice. Yet many pastors feel ill-equipped to deal with this area of human consciousness. In this guide, twenty-two contributors from a wide variety of disciplines explore the potential of dreams to bring about renewal, healing, reconciliation and encounter with the transcendent. • Part 1 examines dreams from theological, psychological and cultural anthropological perspectives. • Part 2 explores the theme of dreams and religion through empirical data, theory and reflections. • Part 3 considers dreams and the practice of pastoral care for a variety of settings and groups.

Active dreaming is a way of being fully of this world while maintaining constant contact with another world, the world-behind-the-world, where the deeper logic and purpose of our lives are to be found. This book offers three core areas of

Online Library The Three Only Things Tapping
The Power Of Dreams Coincidence And
Imagination

practice: talking and walking our dreams to bring energy and guidance from the dreamworld into everyday life; shamanic lucid dreaming; and, conscious living.

The Three "Only" Things (Volume 2 of 2) (EasyRead Super Large 24pt Edition)

The Three "Only" Things

In the Nick of Time

A Story of Two Worlds

The author of Conscious Dreaming and The Three "Only" Things poses arguments for understanding one's dreams in order to resolve past events and prepare for the future, explaining the practices of ancient dreaming cultures and the dream experiences of famous historical figures.

In this extraordinary book, shamanic dream teacher Robert Moss shows us how to become shamans of our own souls and healers of our own lives. The greatest contribution of the ancient shamans to modern healing is the understanding that in the course of any life we are liable to suffer soul loss – the loss of parts of our vital energy and identity – and that in order to be whole and well, we must find the means

Online Library The Three Only Things Tapping
The Power Of Dreams Coincidence And
Imagination

of soul recovery. Moss teaches us that our dreams give us maps we can use to travel to the places where we can find and bring home our lost or stolen soul parts. He shows us how to recover our animal spirits and ride the windhorse of spirit to places of healing and adventure in the larger reality. We discover how we can heal ancestral wounds and open the way for cultural soul recovery. You'll learn how to enter past lives, future lives, and the life experiences of parallel selves and how to bring back lessons and gifts. "It's not just about keeping soul in the body," Moss writes. "It's about growing soul, becoming more than we ever were before, embodying more of the Greater Self." With fierce joy, he incites us to take the creator's leap and bring something new into our world. Poems and stories that stream directly from dreams and shamanic adventures in the world-behind-the-world. Our earliest poets were shamans. Today as in the earliest times, true shamans are poets of consciousness who know the power of song and story to teach and to heal. They understand that the right

Online Library The Three Only Things Tapping
The Power Of Dreams Coincidence And
Imagination

words open pathways between the worlds
and draw closer the gods and goddesses
who wish to live through us. Robert
Moss brings this ancient bardic
tradition to life in this collection of
poems and stories that stream directly
from dreams and shamanic adventures in
the world-behind-the-world. You'll be
carried into a reality where everything
is alive and conscious, where tigers
and bears can lend you their forms and
raven and hawk can give you their
sight, where the ancestors are talking,
talking, and the gates to the
Otherworld open from wherever you are.
You'll awaken, through these pages, to
how shamans use poetic speech to call
the soul back home, into the bodies of
those who have lost vital energy
through pain or trauma or heartbreak.
You'll travel to the Island of No Pain
where lost boys and girls are kept
safe. And you'll learn to make the
return journey, and sing the lost soul
back into the body where it belongs.
Robert Moss is a novelist, poet,
historian, and lifelong dream explorer.
For many years he has taught and
practiced Active Dreaming, an original

Come voyage through lost roots of the multi-dimensional artistry of collage. This seemingly simple method leads you on an adventure of self discovery, developing your innate abilities for shapes-shifting using paper, scissors and glue. Author and artist Donna Thompson shares her wisdom and stories as she leads you on a journey through time. From caves of old to collaging in your own home, this colorful adventure is an in-depth exploration of humanity's ancient connections to making art. This triple layered approach is actually three books in one. It begins by guiding you through the mystical Doorway of Color, where you learn the Celtic ways of sensing, gathering and envisioning with images. Next comes the Doorway of Ceremonies, where you unearth indigenous ways of communing with collage. And finally, the Doorway of Dreams, leading to the most ancient ways of remembering who you truly are. Learning to quest with collage is all about playing with colors, signs and synchronicity. It is also a metaphor for the ongoing journey of each human life. You are invited to come along in search of multi-hued elements to weave into an ever unfolding landscape of your own design. Collage Quest is a guide for tracing these deep roots and translating them into modern day materials and language. It is a unique and powerful 21st century tool of co-creation.

" Jesse Dylan has attracted the most amazing, powerful, and influential leaders in the categories that matter most. It's brilliant-people will love this book!" ~ Leeza Gibbons, television and radio host

"The wisdom and practices in this book will usher you into a holistic way of life that supports your purpose on the planet-to flourish and glow as you deliver your talents, gifts, and skills for the benefit of all beings." ~ Michael Bernard Beckwith, author of *Spiritual Liberation: Fulfilling Your Soul's Potential*

The next generation of holistic health begins with *The Good Life Here* you'll find answers to the vital question of how to unlock your deepest health potential: *The Good Life* is a sweeping, scientifically accurate roadmap written by internationally renowned experts who have gathered-for the first time-to share their vision and wisdom. Dr. Bernie Siegel Dr. Michael Roizen Robert Moss Dr. Joan Borysenko Bob Proctor Lynne McTaggart Dr. Pamela Peeke and many more A healthy and strong body, a flexible and positive mind, and a profoundly joyful spirit are key elements of health that directly affect one another. Caring for ourselves holistically-deepening and expanding our understanding of ourselves-creates a ripple effect extending past our own enrichment, healing our families, our loved ones, our communities, and beyond.

Cancer patients seeking to integrate meaningful

Online Library The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

spirituality with practical healing solutions can now feast on a comprehensive blend of self-care options. This book provides a variety of holistic strategies for cushioning chemotherapy and softening surgery while empowering readers to grow in consciousness. Each of more than 250 topics begins with an inspirational quote from one of the world's wisdom traditions, offers a story to foster self-care and personal transformation, and concludes with a useful tip. With passion, authenticity, and a dash of humor, this book courageously addresses medical topics such as "Finding Chemo," "Hair Pieces: Turbanator," and "Recovery: Master the Possibilities." Holistic care entries include "Nutrient Density: Thriver Soup," "Shadow Work: Dark Night Rises," and "Field of Dreams." Explore these restorative ingredients to enhance your nutritional choices, stimulate your creative juices, foster your personal powers to transform mentally and emotionally, and deepen your connection with others and the Divine.

A world-renowned authority on the history, uses, and power of dreaming, Robert Moss guides neophyte and experienced adventurers alike to open their own dreamgates. Through these gates await otherwise inaccessible realms of reality as well as soul remembering — the "recovering of knowledge that belonged to us before we came into this life experience." Exercises, meditations, and the mesmerizing tales of fellow dream travelers outline

Online Library The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

Moss's Active Dreaming technique, a kind of shamanic soul-flight that offers "frequent flyers" a passport between worlds. In this world beyond physical reality, Moss points to wellsprings of healing, creativity, and insight. As readers move into these different ways of seeing and knowing, they may also communicate with spiritual guides and departed loved ones in ways that transform their everyday lives.

The Tapping Solution

A tale of musical plants, dancing animals, and one little girl's dream of saving the planet—includes a special augmented-reality feature! Pacha's imagination is bigger than the Andes Mountains, homeland of her ancestors. In her dreams, the plants and animals on her PJs come alive—and she journeys with them to learn more about herself. Then after a stress-induced asthma

Online Library The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

attack, her magical pajamas carry her into an epic dream where she encounters a handful of critters lamenting the state of their home. Disguised as a little gorilla, Pacha joins in, and together they decide to organize a Nature Festival that brings all species together. Full of musical plants and dancing animals, the PACHA JAMMA festival is a worldwide call to action to save the planet from destruction. But Mr. Tick seems to be scheming to disrupt the festival. With the help of her plant and animal friends, Pacha races against time to decipher a cryptic puzzle that outlines Mr. Tick's dastardly plans. But just as she is on the verge of victory, a massive hurricane threatens them all . . . This exciting tale with a message of empowerment and environmental responsibility, including lots of fun science facts and a bonus augmented-reality animation feature, is "a critical tool in giving children a sense of themselves, the power of their dreams and the natural world around them" (Mos Def/Yasiin Bey, actor and recording artist).

A step-by-step guide to the simple acupressure self-care technique of tapping for acute and chronic emotional, psychological, and physical ailments • Effective for emotional conditions such as panic attacks, anxiety, depression, PTSD, grief, anger, jealousy, and phobias, such as stage fright or fear of flying, providing immediate results in many cases • Shows how this method can treat chronic pain, nausea, and headaches; alleviate insomnia and nightmares; encourage the release of painful memories; boost self-confidence; support weight loss; and improve concentration • Offers the full tapping protocol as well as a shortened version for acute situations • Illustrates easily accessible points to tap and in what order Tapping, or Emotional Freedom Technique (EFT), is a simple form of acupressure that treats the energetic roots of emotional and physical suffering. By tapping on specific meridian points you can quickly and easily dissolve blockages in the body's energy system, caused by past traumas and suppressed emotions

Online Library The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

such as grief and anger, and restore the natural flow of energy in your body, the key to optimal health and overall well-being. In this step-by-step guide to EFT, Sophie Merle details the practice of tapping, illustrating the easily accessible points on the face, hands, and torso to tap and in what order. Explaining how to open your energetic system to EFT treatment for fast and long-lasting results, she reveals how the energy psychology practice of tapping can be applied to any area of your life but is particularly effective for emotional and psychological conditions, including panic attacks, anxiety, depression, PTSD, grief, anger, jealousy, and phobias, such as stage fright or fear of flying, providing immediate results in many cases. She also shows how this method can treat chronic pain, nausea, and headaches; alleviate insomnia and nightmares; assist physical healing from illness; encourage the release of painful memories; boost self-confidence; support weight loss; and improve concentration. The author explains how tapping can be done

Online Library The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

anywhere, offering both the full tapping protocol, which only takes a few minutes, and a short-form version, which takes less than a minute, for acute issues. Including remarkable success stories of EFT in practice, this comprehensive guide to tapping shows how the solution to many of life's problems is at your fingertips. "Robert McCloskey's unusual and stunning pictures have long been a delight for their fun as well as their spirit of place."—The Horn Book Mrs. Mallard was sure that the pond in the Boston Public Gardens would be a perfect place for her and her eight ducklings to live. The problem was how to get them there through the busy streets of Boston. But with a little help from the Boston police, Mrs. Mallard and Jack, Kack, Lack, Nack, Ouack, Pack, and Quack arrive safely at their new home. This brilliantly illustrated, amusingly observed tale of Mallards on the move has won the hearts of generations of readers. Awarded the Caldecott Medal for the most distinguished American picture book for children in 1941, it has since become a

*A Dream Traveler's Tales from the
Imaginal Realm*

In *Sensing the Future*, well-known paranormal experts and authors Trish and Rob MacGregor unravel the mystery around precognition to help readers develop their psychic abilities. Precognition is one of the least understood but most commonly occurring psychic experiences. At one time or another, most people have had minor experiences with synchronicity or having a feeling about a future event that came true, but few understand how it happened or how to do it again. With *Sensing the Future*, readers learn to enhance this innate power to benefit their lives. Trish and Rob provide tips and simple ways to coax answers to your life questions out of your dreams, and how to increase awareness of the inner realm in everyday life. They also explain the most common methods for future prediction—astrology, the tarot, numerology and stichomancy. Along the way, Trish and Rob give hundreds of examples from history when people predicted the future, from scientists to novelists and spiritual leaders, as well as personal accounts from their own experiences and those of friends and family. An important question many wonder after a precognitive event is whether our lives are truly governed by free will or destiny. If you saw the future and reacted, did you change the future through your own free will? Or was it destiny? If you're one of the curious seeking an answer, find out for yourself in *Sensing the Future*. Trish and Rob provide tips and simple ways to coax answers to your life questions out of your dreams, and

Have you ever said something was only a dream, only a coincidence, or only your imagination? In this book you'll discover that these "only" things can be keys to finding and living your bigger story. You'll learn to tap into the nine powers of dreaming, the nine rules of coincidence, and the seven uses of imagination. You'll be inspired by stories of how innovators and world changers have used these gifts, and you'll learn wonderful games to help you access your intuition, heal yourself, and bring juice to your everyday life. When we claim the power of the Three Only Things, we reclaim tools that are profoundly simple yet have the power to remake our lives and the world.

A leader of dream workshops and seminars details a unique, nine-step approach to understanding dreams, using contemporary dreamwork techniques developed from shamanic cultures around the world. *Conscious Dreaming* shows you how to use your dreams to understand your past, shape your future, get in touch with your deepest desires, and

Online Library The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

be guided by your higher self. Author Robert Moss explains how to apply shamanic dreamwork techniques, most notably from Australian Aboriginal and Native American traditions, to the challenges of modern life and embark on dream journeys. Moss's methods are easy, effective, and entertaining, animated by his skillful retelling of his own dreams and those of his students—and the dreams' often dramatic insights and outcomes. According to Moss, some shamans believe that nothing occurs in ordinary reality unless it has been dreamed first. In the dreamscape, we not only glimpse future events, we can also develop our ability to choose more carefully between possible futures. Conscious Dreaming's innovative system of dream-catching and transpersonal interpretation, of dream re-entry and keeping a dream journal enables the reader to tap the deepest source of creativity and intuition and make better choices in the critical passages of life.

Synchronicity is when the universe gets personal. Through this book of games and enchanting stories, you'll learn how to monitor the play of coincidence and the symbolic resonance of incidents in daily life in order to tap into the deeper logic of events, receive extraordinary counsel, and have wonderful fun. You will be invited to become a kairomancer: someone who is poised to catch the messages in special moments when synchronicity is in play — and to take action to seize the opportunities those moments present. To be a kairomancer, you need to trust your feelings as you walk the roads of this world, to develop your personal science of shivers, and to recognize in your gut and your skin that you know far more than you hold on the surface of consciousness. This is a way of real magic, which is the art

Online Library The Three Only Things Tapping The Power Of Dreams Coincidence And Imagination

of bringing gifts from a deeper world into this one. Follow it and you will put a champagne fizz of enchantment into your everyday life.

Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of The Tapping Solution, is at the forefront of a new healing movement. In his upcoming book, The Tapping Solution, he gives readers everything they need to successfully start using the powerful practice of tapping - or

Emotional Freedom Techniques (EFT).

*Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the*

Online Library The Three Only Things Tapping
The Power Of Dreams Coincidence And
Imagination

encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be.

Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.

The New York Times best-selling creator of the Tapping Solution offers a three-week program of practical self-inquiry and hands-on work designed to unlock your life's full potential. Have you ever had the feeling your life just isn't working? That no matter how much you push and direct, or sit back and let go, the square peg you're holding just won't fit into the round hole that is your life? What if, instead, the roadblocks went away? What if you could experience more ease and flow in your life, banish self-doubt, fear, and anxiety, and live your greatest life? Can you imagine what that would look like--and more important, what it would

Online Library The Three Only Things Tapping
The Power Of Dreams Coincidence And
Imagination

feel like? Now Tapping Solution creator and New York Times best-selling author Nick Ortner helps you not only imagine it but make it a reality. The Tapping Solution for Manifesting Your Greatest Self guides you through a 21-day process of self-discovery and self-development using the simple, proven practice called Tapping (also known as Emotional Freedom Techniques). Each of the 21 stages includes a Daily Challenge and a Tapping Meditation to help the changes you're making take root. And you can work through the program at your own pace--doing one stage every day, every three days, every week, or whatever you like--with exclusive e-mail reminders from Nick to support you throughout the process. Drawing on wisdom sources from Aristotle to Dr. Seuss, along with Nick's own deep well of insight and stories from his daily life, this book is terrific fun to read. It's also a powerful tool for transformation. "We're going to work together to let your light shine brighter than ever before," Nick writes, "to create the life experiences you most deserve and

Your Guide to Finding Meaning in Signs

Big and Small

Poems and Stories

Although much has been said and written about coincidences, there is a marked absence when it comes to the development of a comprehensive model that incorporates the many different ways in which they can be understood and explained. One reason for this omission is undoubtedly the sharp divide that exists between those who find coincidences meaningful and those who do not, with the result that the conclusions of the many books and articles on the subject have tended to fall

Online Library The Three Only Things Tapping
The Power Of Dreams Coincidence And
Imagination

into distinct camps. **The Many Faces of Coincidence** attempts to remedy this impasse by proposing an inclusive categorisation for coincidences of all shapes and sizes. At the same time, some of the implications arising from the various explanations are explored, including the possibility of an underlying unity of mind and matter constituting the ground of being.

The Three "Only" Things Tapping the Power of Dreams, Coincidence, and Imagination
New World Library

Prepare to Encounter Goddesses, Daimons & Parallel Worlds
Sigmund Freud called dreams the "royal road to the unconscious," but to bestselling author and world-renowned dream explorer Robert Moss, they are more: portals to the imaginal realm, a higher reality that exists at the intersection of time and eternity. The traveler's tales in this book are just-so stories in the sense that they spring from direct experience in the many worlds. As you journey from the temple of the Great Goddess at Ephesus to an amazing chance encounter on an airplane, from Dracula country in Transylvania to the astral realm of Luna, you'll confirm that the doors to the otherworld open from wherever you are. You'll see what it means to live on a mythic edge and to make a deal with your personal Death for a life extension. At any moment, you may fall, like the author, into the lap of a goddess or the jaws of an archetype. A wildly entertaining historical adventure, deep inside the crucible in which America was forged.

Fire Along the Sky is an epic tale of adventure and bawdy intrigue among whites and Indians, a stirring evocation of the wild American frontier in the eighteenth century. Through the eyes of its irreverent narrator, Shane Hardacre, a young Irishman with a passion for women and adventure, we are caught up in the world of Pontiac, the great Ottawa warchief who rallied the Indian nations to a war of resistance, and of Sir William Johnson, the man of two worlds who made peace between peoples divided by race and religion. This edition includes the love letters of Lady Valerie D'Arcy, Shane's soulmate, a sensual, worldly, and intuitive lover who delivers a wry commentary on his amorous escapades. "Splendidly researched and wildy amusing historical adventure ... Tom Jones as The Deerslayer." — Kirkus Reviews "Robert Moss gives us a novel whose depth is close to that one tends to find in nonfiction. This is a splendid work which will bring pleasure to all readers." — New England Review of Books "This splendid piece of storytelling offers the added delight of a likely sequel." — Publishers Weekly "One of the more venturesome and compelling authors in the field." — Fort Worth Star-Telegram "Mr. Moss is a suave writer who knows how to create believable characters and take the reader along with them." — The New York Times Book Review "Robert Moss is an accomplished storyteller who knows how to lay down a firm foundation of fact." — Raleigh News and Observer "The author of several excellent

heart - is remind us that magic is a breath away and that everyone has the capacity to tap into the heritage that is truly ours." - MANDA SCOTT, bestselling author of the Boudica novels

A guide to harnessing the ancient power of hieroglyphs • Reveals hieroglyphs as magical tools for manifesting ideas in the material world

• Offers in-depth interpretations of 60 hieroglyphs and guidelines for understanding them as words of power, oracles, and dream symbols • Explains how to create your own hieroglyph cards and amulets and use them for divination, meditation, and manifestation work

Words are magic. They operate on many levels through both sound and symbol. Egyptian priests understood that language and thought could create realities if the exact words are uttered at the right time, properly intoned, and filled with intention. They called their magical language of hieroglyphic symbols medju neter, meaning "the Word of God." These symbols were said to have been created by Isis and Thoth and were presided over by the goddess Seshet, keeper of the Akashic records. Through their chant lines and repetitions, sound vibrations, and hypnotically recurring images, hieroglyphs, such as those found inside the pyramids, were intended to activate a trancelike state that allowed the individual to ascend into the heavens and thus, riding on this incantatory language, converse with the ancestors and the Creator. In

Online Library The Three Only Things Tapping
The Power Of Dreams Coincidence And
Imagination

this detailed guide, author Normandi Ellis explores how to use hieroglyphs as words of power for manifesting ideas into the material world as well as how to utilize them in magic, meditation, divination, and dream work. She offers a deep look at the many layers of meaning contained within 60 important hieroglyphs, breaking down the elements within each symbol and explaining the myths behind them, the gods and goddesses they are connected to, their initiatory significance, and their oracular and dream meanings. She also shares guidelines for interpreting hieroglyphs so readers will be able to come to their own understandings about the secrets they hold. Providing instructions for creating your own hieroglyph cards, amulets, and other magically empowered objects, Ellis offers practices and strategies to use them, with detailed explanations for the historical, magical, practical, and symbolic reasons why each method is effective. She offers several layouts and card spreads for divination readings based on Egyptian myth, numerology, and astrology. Revealing the depth of meaning behind each of these powerful ancient symbols, Normandi Ellis shows that we can still harness their millennia-old magic today.

family; but her ex-husband, Max, in the grips of an anti-gay pastor, stands in the way. Includes a CD of songs created for the novel. (This title is being re-listed in Forecast). 1.5 million first printing.

*"When we are alert to the coincidences in our lives, we experience them more frequently - and they take on greater significance. And once we recognize synchronicities as meaningful, they open us to new information, new possibilities. We suddenly find that we're in the right place at the right time, meet the right people at the right moment, and our lives are changed for the better." --From the Introduction There are signs everywhere, pointing the way to a better life, if you know how to read them. Signs are the stuff that synchronicity is made of - harness the power of synchronicity, and you can transform your life. In this groundbreaking book, bestselling authors Trish and Rob MacGregor reveal the seven secrets that allow you to recognize synchronicity when it happens - and make the most of it. You'll learn to interpret the meaning of the signs you encounter every day, and use such tools as the tarot, I-Ching, and astrology to understand your past, inform your present, and guide your future. Synchronicity - your key to making magic in your own life! In *The 7 Secrets of Synchronicity*, you'll see why there really is no such thing as coincidence - and how your life can be the better for it. Synchronicity is the universal language of*

transformation - and its secrets reveal how you can live a life rich in fulfillment and meaning and wonder. With this enlightening guide, you'll learn to read the signs all around you and transform your world - one amazing synchronicity at a time!

LEARN TO MANIFEST YOUR HEART'S DESIRES

Growing Big Dreams is a passionate yet practical call to step through the gates of dreams and imagination to weather tough times, embark on travel adventures without leaving home, and grow a vision of a life so rich and strong it wants to take root in the world.

Vitally relevant today more than ever, dreams are a tool available to all. Robert Moss is a cartographer of inner space, equally at home in Jung's psychology and shamanic journeying. The compelling stories, playful activities, and wild games he provides are designed to lead you to manifest a life of creative joy and abundance. You'll learn to connect with your inner imagineer and become scriptwriter, director, and star of your own life movies, choosing your preferred genre and stepping into a bigger and braver story. Great artists, mystics, and shamans know that there are

places of the imagination that are entirely real. Moss shows you how to get there.

One effect of rising interest in the Kabbalah is a renewed focus on the Shekhinah, Judaism's divine feminine principle. Written with warmth and clarity, *On the Wings of Shekhinah* interweaves historical views of this concept with thoughtful quotes and guided meditations. Rabbi Leah Novick offers healing strategies for both Jews and non-Jews disaffected by rigid gender roles. Awareness of the Shekhinah's energy within and around us helps bring hope to a planet afflicted by war, violence, and environmental abuse — this book shows how to find and use that energy.

The Columbia River is the largest river in the Pacific Northwest, the fourth largest river in North America, and the largest hydroelectric power-producing river in North America. It's also a sight to behold. On any given day, you can see sailboats, kayaks, a paddle wheeler, and cruise ships merging with pilot boats, tugs, small fishing boats, cargo ships, and other vessels that ply its waters. Sea lions, salmon, and occasional pods of whales mix with other sea life, and seagulls, crows, and cormorants rule the sky. Filled with lovely illustrations of the Columbia River and the surrounding Astoria, Oregon, area, these reflections reveal what the river has taught the author about life and how it has become her muse. In considering the mysteries of the river, the author urges others to think

about what speaks to them. Whether it's music, dance, the smile of a child, or some aspect of nature, you'll learn important things about yourself and the universe by honoring it with expression.
