Jay Wiseman's Erotic Bondage
Handbook

The Romance and Sexual
Sorcery of Sadomasochism
The Toybag Guide to Erotic
Knifeplay

Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of

information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

Jolynn Raymond has written a book that shares the details of her own long lasting domestic discipline marriage and her experience surrounding power exchange relationships. It explains why these unconventional relationships work so well for so many couples. The book is an in-depth tutorial that takes the relationship past the simple act of discipline, to building a rock solid foundation that will ultimately create a deep bond of trust and love between those involved. Taken In Hand will guide those interested in adding consensual domestic discipline, dominance and

submission, and structure to their own relationship through the initial steps of communication, understanding and discovering both partner's needs, creating mutual and realistic expectations, rules, and consequences, to the inevitable first spanking. Taken In Hand will prove useful to those just starting out, as well as to those with some experience, as Ms. Raymond outlines the pitfalls, difficulties, and successes she has encountered in her own marriage. She also emphasizes the importance of consent, and pays special attention to the fine line between discipline

and abuse. The last part of the book examines the styles and types of spanking, gives an anal sex tutorial, talks about the responsibilities of being a dominant and gives tips for the submissive partner. Whether you need insight into BDSM as it relates to relationships or are trying to build a domestic discipline marriage from scratch, Taken In Hand will prove to be a comprehensive and practical guide.

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink.

While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to:

- Examine your own motivations, needs, wants and desires**
- Ease your way into established communities**
- Understand etiquette in different adventurous sex communities**

• Familiarize yourself with the many types of events available to you • Care for your relationships as you explore new territory • Negotiate for play and aftercare • Go back to the “world at large” without ruffling feathers • ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of

"sexual sherpas" with an inimitable voice and a great deal of wisdom. Playing Well With Others is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

Sweet, safe, sexy rope bondage at your fingertips! Rope is inexpensive, portable, flexible, and "one size fits all," so why bother with expensive single-function restraints? Here's your fast fingertip guide to the basics of binding your sweetie! Jay Wiseman, world-famous author of SM 101 and Jay Wiseman's Erotic Bondage

Becoming a Slave

Techniques of Pleasure

Have you ever wondered what it would be like to be a dominant woman

who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society

would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are

***inside. Take heed, ladies.
We are women. We are
strong. We are powerful.
We are fierce. We are
romantic. We are
dynamic. We are caring.
We are fighters. We are
lovers. We are women!
This manual will give you
an inside look on what
being a Mistress is really
all about and will give you
insight on how to be a
Mistress. Being a
Mistress isn't all about
leather outfits, stiletto
heels, and a whip in your
hand. It is a journey
between you and your***

partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress! The leading expert on BDSM safety has compiled this essential quick reference guide to

the minor and major emergencies that can take place during play - everything from a scrape or a bruise to a freakout or fire, plus important information on setting up a useful and cost-effective first aid kit and other emergency supplies. No responsible player should be without this important guide.

In this lively ethnography, Weiss studies the pansexual BDSM community in the San Francisco Bay Area. Weiss finds that BDSM practice

is not as transgressive as the participants imagine, nor is it simply reinforcing of older forms of social domination. Instead she shows how fantasy play depends on pre-existing social hierarchies, even as it also participates in a commodification of desires.

Becoming a Slave is an authoritative, and well-documented book on the process of finding and submitting to a dominant. Beginning with a description of terms and

the characteristics to be found in a master and in a slave, the book continues with how one realizes and understands their own desire to submit and serve, proceeds to the process of advertising, searching, meeting, and interviewing prospective masters, and ends with a great deal of practical advice on submitting, serving, and satisfying a dominant in a healthy and practical way. playing, negotiation, finding partners and more. Revised, updated and expanded, including a new chapter on SM Organisations', sections on knifeplay, lifestyle relationships, SM pregnancy and more, and illustrations of key points.'

For those turned on to giving or receiving power, the hottest fantasies are often those that are the least acceptable -- those that mirror historical oppression (Nazism, plantation slavery), crime (incest, ageplay, rape), and other "unacceptable" behaviors. Because these fantasies are deeply charged, they are

Download Ebook The Toybag Guide To Dungeon Emergencies And Supplies

among the riskiest and most challenging to enact. Yet it is possible, and often very rewarding, to do so. In this guide, Mollena Williams, a Black woman who enjoys roleplaying racism and slavery with the right person, explains ways to safeguard these difficult scenes to ensure the emotional and physical safety of all concerned. With sections on playing with sexual taboos like age and rape, cultural taboos like race and identity, and physical taboos like scat play, this is a thorough and responsible guide to BDSM's furthest regions.

Taken in Hand

Whips in the Dungeon: Singletail Techniques for Play explores the edgy and sensuous art of throwing and receiving the power of a singletail whip in the dungeon. Though beginner and advanced techniques are covered, the author guides the novice whip thrower through the basics, using an education learning theory that will get the whip out of the toybag and into dungeon play easier and quicker than might be expected. The author includes descriptions of various types

Download Ebook The Toybag Guide To Dungeon Emergencies And Supplies

of whips and their construction; deciphers whip cracks; offers valuable tips for targeting; and provides an in-depth look at safety concerns and consent issues. Beyond the basics, the whip thrower will learn about blending their whip scenes with the dungeon environment and dynamic throwing and footwork. There is a discussion of energy and the woo of the bullwhip, and something the experienced whip thrower will recognize: bullwhip magick. A variety of whip catchers candidly discuss intimate and detailed memories of their whip experiences on the receiving end. Previous editions of The Loving Dominant taught more than 40,000 people the fundamentals of safe, affectionate dominance and submission. Now John and Libby

"deeply troubled" twin is an utterly charming and unforgettable story sure to add sparkle to your holiday season. Read it aloud, preferably to someone you love to hear laugh! This perennial yuletide favorite was written by bestselling novelist Dean Koontz in 1996 at the request of his fans and has been pleasing readers every holiday season since. Winner of an Atlantic Monthly fiction competition while he was just a senior in college, Koontz today is a world-famous author whose books have been published in thirty-eight different languages and have sold more than three hundred million copies. Lavishly illustrated with spectacular paintings by Phil Parks, this thoroughly modern masterpiece breathes new life and warmth into the world's most beloved legend.
