

The Unholy Cause Supernatural 5 Joe Schreiber

A truck full of illegal Mexican immigrants slaughtered with supernatural force is found by the side of a road. Trying to find answers, Sam and Dean are plunged into the dangerous world that exists along the Mexican border. They encounter a tattooed, pistol-packing bandita on a motorcycle who seems to be everywhere they go before they get there. Xochi Cazadora draws them into a whole new world of monsters... A Supernatural novel that reveals a previously unseen adventure for the Winchester brothers, from the hit TV series!

The hit show from the producers of The O.C. and The X-Files, starring Jared Padalecki and Jensen Ackles, continues its spooky road-trip through the dark heart of America. Season 6 is a season of mystery and shadow. Heaven and Hell have been left in complete disarray since the apocalyptic events of Season 5. And now, monsters, angels and demons roam across a lawless and chaotic landscape. And so Dean Winchester, who has retired from hunting and sworn never to return, finds himself being pulled back into his old life - pulled back by none other than Sam Winchester, who has escaped from Hell. The two reunite to beat back the rising tide of creatures and demon-spawn, but they quickly realize that neither are who they used to be, their relationship isn't what it used to be, and that nothing is what it seems. This official companion is packed with exclusive interviews, photos, behind-the-scenes secrets, a complete episode guide, plus a color portrait gallery of the stars.

Sam & Dean have set out on a road trip to the Grand Canyon but this is no vacation for the brothers. Mysterious murder sprees have happened in the area and the Winchester boys are there to protect the locals from the deadly horde of animal spirits and human ghosts which are terrorising this corner of the Arizona desert.

Teenager Renee Mendez is a talented artist living in a small Illinois town. She loves drawing the strange beings that feature in her dreams, without realizing that when she depicts them on paper, they come to life in the real world. These gods begin to seek worshippers and battle for supremacy, killing humans and each other until only the two strongest remain. Sam and Dean come to town to investigate the murders and "miracles" these new gods perform, slaying some of them in the process. The last two gods standing prepare for their final conflict, which only one will survive. The brothers must find a way to stop the gods' war before the entire town is destroyed.

Forget You Not: (A Havenwood Falls Novella)

Dean believes that Sam is in Hell so he is trying to keep his promise to his brother and live a normal life with Lisa and Ben. When he realizes that a spell in the Necronomicon could raise Lucifer and therefore Sam, he convinces his new family to travel with him on vacation to Salem. Meanwhile Sam is not as far away as Dean thinks and is determined to protect his brother from the Salem witches... A Supernatural novel that reveals the untold events of the missing year between seasons 5 and 6!

Twenty-two years ago, Sam and Dean Winchester lost their mother to a mysterious and demonic supernatural force. In the years after, their father, John, taught them about the paranormal evil that lives in the dark corners and on the back roads of America...and he taught them how to kill it. Sam and Dean have hit New York City to check out a local rocker's haunted house. But before they can figure out why a lovesick banshee in an '80s heavy-metal T-shirt is wailing in the bedroom, a far more macabre crime catches their attention. Not far from the house, two university students were beaten to death by a strange assailant. A murder that's bizarre even by New York City standards, it's the latest in a line of killings that the brothers soon suspect are based on the creepy stories of legendary writer Edgar Allan Poe. Their investigation leads them to the center of one of Poe's horror classics, face-to-face with their most terrifying foe yet. And if Sam and Dean don't rewrite the ending of this chilling tale, a grisly serial killer will end their lives forevermore.

A horror tale set in the Star Wars universe follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission after which surviving team members bring back a lethal infection. Reprint. A best-selling book.

The God Delusion caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious dogma from medieval times still serves to abuse basic human rights such as women's and gay rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. The God Delusion is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.

This book examines the fairies, demons, and nature spirits haunting the margins of Christendom from late-antique Egypt to early modern Scotland to contemporary Amazonia. Contributions from anthropologists, folklorists, historians and religionists explore Christian strategies of encompassment and marginalization, and the 'small gods' undisciplined tendency to evade such efforts at exorcism. Lurking in forest or fairy-mound, chuckling in dark corners of the home or of the demoniac's body, the small gods both define and disturb the borders of a religion that is endlessly syncretistic and in endless, active denial of its own syncretism. The book will be of interest to students of folklore, indigenous Christianity, the history of science, and comparative religion.

Sam and Dean Winchester have spent their lives on the road, battling every kind of supernatural threat. Over the years, after dozens of bloody adventures, they have faced everything from the yellow-eyed demon that killed their mother to vampires, ghosts, shapeshifters, angels and fallen gods. With the help of allies—both human and supernatural—they've discovered that every threat they vanquish opens a new door for evil to enter in. Visitors passing through Brownsdale, Kentucky are often never seen again. The locals claim that it's easy to fall victim to the vast local caves if explored unaided, but when two young girls go missing Sam and Dean set out to investigate. As the brothers start to suspect something far more sinister in the town, and possibly lurking in Mammoth Cave, they realise that someone is determined to protect the town secret—even if it means killing Sam and Dean himself. A brand-new Supernatural novel, set during season 10, that reveals a previously unseen adventure for the Winchester brothers, from the hit TV series!

The cult show from the producers of The O.C. and The X-Files, starring Jared Padalecki (Gilmore Girls) and Jensen Ackles (Smallville), takes you on a spooky roadtrip through the dark heart of America. The Witching Hour

Whether the reader is new to the Supernatural family or has been with them since the beginning, they're in for a wild and surprising ride with The Roads Not Taken. For the first time ever, you can make decisions alongside Sam and Dean Winchester in their quest to battle monsters, demons, and every Big Bad lurking in the darkest recesses of America's small towns. Jump headfirst into your very own adventure and pick your cover story: will you be an FBI agent, reporter, or bikini inspector? Figure out which lead to follow. Decide whether to split up or stay together. Do you call Bobby Singer for help? And remember, the clock is ticking! If you make the wrong decision, another victim could meet a dark and gory death. Demons, spirits, and ghouls lurk around every corner, waiting to get the drop on Sam and Dean—and only by following all the clues, interviewing the right suspects, and making the right choices can you lead them to victory. This heart-pounding collection contains a series of four original stories, each with branching storylines and multiple endings, all based on the choices the reader makes.

The remake of a classic horror film awakens something violent from the past, and only the Krewe of Hunters can stop it, in book 6 of the fan-favorite suspense series, only from New York Times bestselling author Heather Graham. At Hollywood's Black Box Cinema, a young starlet dies a terrifying death. When a movie mogul's son is charged with the grisly murder, he calls agent Sean Cameron, who specializes in irregular investigations. As part of the FBI's paranormal team, Cameron knows that nightmares aren't limited to the silver screen. Working with special-effects artist Madison Darvil—who has her own otherworldly gifts—Cameron delves into the malevolent force animating more than one movie monster. But will they be in time to stop the next noir scenario come to life?

A Supernatural novel that reveals a previously unseen adventure for the Winchester brothers, from the hit CW series! When renegade angel Castiel alerts Sam and Dean to a series of particularly brutal killings in San Francisco's Chinatown, they realise the Heart of the Dragon, an ancient evil of unspeakable power, is back! John Winchester faced the terrifying spirit 20 years ago, and the Campbell family fought it 20 years before that - can the boys succeed where their parents and grandparents failed?

"Like Stephen King, he knows how to summon serious scares." - Bentley Little, The Haunting Stoker Award finalist THE RED CHURCH For 13-year-old Ronnie Day, life is full of problems: Mom and Dad have separated, his brother Tim is a constant pest, Melanie Ward either loves him or hates him, and Jesus Christ won't stay in his heart. Plus he has to walk past the red church every day, where the Bell Monster hides with its wings and claws and livers for eyes. But the biggest problem is that Archer McFall is the new preacher at the church, and Mom wants Ronnie to attend midnight services with her. Sheriff Frank Littlefield hates the red church for a different reason. His little brother died in a freak accident at the church twenty years ago, and now Frank is starting to see his brother's ghost. And the ghost keeps demanding, "Free me." People are dying in Whispering Pines, and the murders coincide with McFall's return. The Days, the Littlefields, and the McFalls are descendants of the original families that settled the rural Appalachian community. Those old families share a secret of betrayal and guilt, and McFall wants his congregation to prove its faith. Because he believes he is the Second Son of God, and that the cleansing of sin must be done in blood. "Sacrifice is the currency of God," McFall preaches, and unless Frank and Ronnie stop him, everybody pays. ----- "Scott Nicholson understands that the best horror novels achieve primal fear through a combination of sustained atmosphere, richly drawn characters, and believable if uncanny evils that draw unholy power from everyday lives." --Christopher Ransom, author of The Birthing House "Keep both hands on your pants, because Nicholson is about to scare them off."--J.A.

How a Show, and the Support of Its Fandom, Changed—and Saved—Lives Supernatural, a three-time People's Choice Award winner for

Favorite Sci-Fi/Fantasy TV Show and Tumblr's 2015 Most Reblogged "Live Action TV," has made a name for itself by supporting and encouraging its fans to "always keep fighting," and a memorable line from early in the show's run, "Family don't end with blood," became an inspiring mantra for many who found community in the fandom. In 25 powerful chapters written by Supernatural's actors and fans, including series lead Jared Padalecki, plus special messages from Jensen Ackles, Misha Collins, and Mark Sheppard, *Family Don't End with Blood: Cast and Fans On How Supernatural Has Changed Lives* examines the far reach of the show's impact for more than a decade. Supernatural has inspired fans to change their lives, from getting "sober for Sam" to escaping a cult to pursuing life-long dreams. But fans aren't the only ones who have been changed. The actors who bring the show to life have also found, in the show and its community, inspiration, courage, and the strength to keep going when life seemed too hard. Including essays and special messages from Supernatural 's cast: • Jared Padelecki ("Sam Winchester") • Jensen Ackles ("Dean Winchester") • Misha Collins ("Castiel") • Mark Sheppard ("Crowley") • Jim Beaver ("Bobby Singer") • Ruth Connell ("Rowena MacLeod") • Osric Chau ("Kevin Tran") • Rob Benedict ("Chuck Shurley aka God") • Kim Rhodes ("Sheriff Jody Mills") • Briana Buckmaster ("Sheriff Donna Hanscum") • Matt Cohen ("Young John Winchester") • Gil McKinney ("Henry Winchester") • Rachel Miner ("Meg Masters") Collected and edited by Lynn S. Zubernis, a clinical psychologist, professor, and passionate Supernatural fangirl, *Family Don't End with Blood* provides an insightful and often uplifting look into the way international fan communities become powerful, positive forces in the lives of so many. In keeping with the show's message to "always keep fighting," a portion of the proceeds from the book will be donated to RANDOM ACTS, a nonprofit founded by Misha Collins, and AT TITUDES IN REVERSE, whose mission is to educate young people about mental health and suicide prevention.

Twenty-two years ago, Sam and Dean Winchester lost their mother to a mysterious and demonic supernatural force. In the years after, their father, John, taught them about the paranormal evil that lives in the dark corners and on the back roads of America...and he taught them how to kill it. Sam and Dean have set out on a road trip to the Grand Canyon, but this is no vacation for the brothers. On a stretch of deserted rangeland just beyond the canyon's stunning vistas, mysterious murder sprees have occurred every forty years. The area's inhabitants have been few and far between in years past, but a

nearby mega-mall is about to celebrate its grand opening—and attract thousands of fresh victims. The Winchester boys are determined to protect locals and shoppers alike, but they never anticipated they'd be fighting a group of killers this vicious, this vindictive, this . . . dead. A deadly horde of animal spirits and human ghosts has arisen to terrorize this tiny corner of the Arizona desert. If Sam and Dean can't figure out why, the wide-open spaces of the West will once again become a desolate frontier . . . and the witch's canyon will be the brothers' final resting place.

“You have a very lovely little girl,” breathed the voice on the phone. And just like that, Susan Young is drawn into a living nightmare. A stranger has kidnapped Sue’s daughter, Veda. But he doesn’t want her money, only her suffering—and he will kill Veda if Sue doesn’t follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year, to a place she has not traveled to since childhood. The voice on the other end of the line somehow knows Sue’s deepest, most chilling secret—an ominous incident from her past, buried long ago... Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as she is met at each step by ever increasing horrors created by a monster who is surely something less than human. In the hope of saving her daughter from a kidnapper whose origin seems darker than anything she could ever have imagined, Sue will discover just how much trauma and fright the human body is capable of absorbing. Set over the course of a single night, *Chasing the Dead* is a fast-paced, ferociously tense supernatural thriller. With the skill of masters like Dean Koontz and David Morrell, Joe Schreiber has created a tableau of shock and horror, death and destruction, that will draw you in and never let you go.

Two years ago, Kaela Peters nearly killed her fiance by ripping his throat out. Once she gained control over her vampire urges, she hoped to rekindle their love, only to find him on one knee again—now with her best friend. She can't blame them for their betrayal, though. They've been compelled to forget that she even existed. But she can't forget them, so when she receives an unexpected job offer far away in the Colorado mountains, she seizes the opportunity to escape her past and the painful memories. If only she'd known she was running right into her true past and memories that cut even deeper. Her real name isn't Kaela Peters, Havenwood Falls and her new job are not what they seem on the surface, and the love of her life isn't the ex in Atlanta. As she starts piecing together the fragmented memories of her past and her moroi heritage, the passion of old love reignites. Until she discovers that the triggering of her vampire gene may have been foul play with dire consequences—and Xandru Roca, the epic love she'd left behind, has something to do with it all. The Graveyard Book

Supernatural: The Unholy Cause

Supernatural: War of the Sons

Children of Anubis

From the author of the extraordinary *Vampire Chronicles* comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches—a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and *The Witching Hour* begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery—aware that she has special powers but unaware that she comes from an ancient line of witches—finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and—in passionate alliance—set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a chateau in the France of Louis XIV. An intricate tale of evil unfolds—an evil unleashed in seventeenth-century Scotland,

where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

My name is Bobby Singer. In twenty-four hours I'm gonna lose my memory. So here's everything you need to know. Monsters, demons, angels, vampires, the boogeyman under your bed: I've seen it, I've hunted it, I've killed it. I'm not the only hunter out here, but there aren't as many as there used to be. Not near as many as there need to be. I've learned everything I can about every damned critter that walks, crawls, or flies, and I'm not gonna let that all be for nothing. I'm not going down without a fight. I'm not letting everything I've learned disappear. So that's what you're holding in your hands--everything I know. Anything that'd be useful for Sam, Dean, and the hunters that come after me. It's a guide to hunting...it's a guide to me. My last will and testament. Ya idjits.

A brand new Supernatural novel inspired by the record-breaking show starring Jared Padalecki and Jensen Ackles. Sam and Dean Winchester have spent their lives on the road, battling every kind of supernatural threat. Over the years, after dozens of bloody adventures, they have faced everything from the yellow-eyed demon that killed their mother to vampires, ghosts, shapeshifters, angels and fallen gods. With the help of allies—both human and supernatural—they've discovered that every threat they vanquish opens a new door for evil to enter in. Sam and Dean travel to Indiana, to investigate a murder that could be the work of a werewolf. But they soon discover that werewolves aren't the only things going bump in the night. The town is also home to a pack of jakkals who worship the god Anubis: carrion-eating scavengers who hate werewolves. With the help of Garth, the Winchester brothers must stop the werewolf-jakkal turf war before it engulfs the town—and before the god Anubis is awakened... A brand-new Supernatural novel, set during season 12, that reveals a previously unseen adventure for the Winchester brothers, from the hit TV series!

Twenty-three years ago, Sam and Dean Winchester lost their mother to a demonic supernatural force. Following the tragedy, their father, John, set out to teach his boys everything about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. Fans of the blockbuster television phenomenon can rejoice! A one-of-a-kind compilation of all of Sam and Dean's demon-busting knowledge, *The Supernatural Book of Monsters, Spirits, Demons, and Ghouls* contains illustrations and detailed descriptions that catalogue the more than two dozen otherworldly enemies that most people believe exist only in folklore, superstition, and nightmares: vampires, ghosts, revenants, reapers, and even bloody clowns. You'll find within these pages Sam and Dean's notes, observations, and memories interwoven with sections of John Winchester's invaluable journal, making this book the perfect companion to every thrilling episode—and an essential weapon in the secret war against the hidden creatures of the darkness!
