In a society that purges thirteen-year-olds who are creative, identical twins Aaron and Alex are separated, one to attend University while the other, supposedly Eliminated, finds himself in a wondrous place where youths hone their abilities and learn magic.

For seventeen-year-old Janie, getting sucked into other people's dreams at any given moment is getting tired. Especially the falling dreams, and the standing-in-front-of-the-class-naked ones. But then there are the nightmares, the ones that chill her to the bone... like the one where she is in a strange house...in a dirty kitchen...and a sinister monster that edges ever closer. This is the nightmare that she keeps falling into, the one where, for the first time, Janie is more than a witness to someone else's twisted psyche. She is a participant...

Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond the islands in this New York Times bestselling first novel of a new sequel series to The Unwanteds, which Kirkus Reviews called "The Hunger Games meets Harry Potter." Identical twins Fifer and Thisbe Stowe have amazing yet uncontrollable magical abilities. They're naturally more gifted than even their brother, Alex, the head mage of Artimé, could hope to be. But when they accidentally use their magic in the jungle of Artimé to strike down a beloved creature, Alex is furious, and threatens to lock them away until they can learn to control their power. The threat is soon forgotten, though, when Hux, the ice blue dragon, comes to Artimé bearing the horrible news that his siblings have been enslaved by the notoriously evil

Revinir, ruler of the dragon land. Seeking a chance to right their wrong and escape their brother's wrath, Thisbe, Fifer, and their friend Seth sneak away to rescue the dragons from grave peril. Will their untrained abilities be enough to save the dragons—and themselves—when they come face-to-face with the Revinir?

X-Men meets Spy Kids in this instant New York Times bestseller! Here's the first book in a new middle-grade fantasy/adventure series from the author of The Unwanteds. Fifteen years ago, eight supernatural criminals fled Estero City to make a new life in an isolated tropical hideout. Over time, seven of them disappeared without a trace, presumed captured or killed. And now, the remaining one has died. Left behind to fend for themselves are the criminals' five children, each with superpowers of their own: Birdie can communicate with animals. Brix has athletic abilities and can heal quickly. Tenner can swim like a fish and can see in the dark and hear from a distance. Seven's skin camouflages to match whatever is around him. Cabot hasn't shown signs of any unusual power—yet. Then one day Birdie finds a map among her father's things that leads to a secret stash. There is also a note: Go to Estero, find your mother, and give her the map. The five have lived their entire lives in isolation. What would it mean to follow the map to a strange world full of things they've only heard about, like cell phones, cars, and electricity? A world where, thanks to their parents, being supernatural is a crime?

Lucy Darrington has no choice but to run away from boarding school. Her father, an expert on the supernatural, has been away for too long while doing research in Saarthé, a remote territory in the Pacific Northwest populated by towering redwoods, timber barons, and the Lupine people. But upon arriving, she learns her father is missing: Rumor has it he's gone in search of dreamwood, a rare tree with magical properties that just might hold the cure for the blight that's ravaging the forests of Saarthé. Determined to find her father (and possibly save Saarthé), Lucy and her vexingly stubborn friend Pete follow William Darrington's trail to the deadly woods on Devil's Thumb. As they encounter Lupine princesses, giant sea serpents, and all manner of terrifying creatures, Lucy hasn't reckoned that the dreamwood itself might be the greatest threat of all.

Twins Alex and Aaron Stowe are put to the ultimate test to fulfill their destinies and save both Quill and Artimé from the deadliest enemy the cities have ever faced in the thrilling conclusion to the New York Times bestselling Unwanteds series, which Kirkus Reviews called "The Hunger Games meets Harry Potter." Head mage Alexander Stowe and his friends successfully fended off the latest threat to their magical world of Artimé with the help of a surprise ally. United at last, they're exploring exciting new territory. But old enemies have secretly been plotting against them, and danger strikes when they're most vulnerable. Now Alex must lead his people in a final epic battle, one they can't hope to win alone. Loyalties will be tested, and powerful new abilities will emerge on both sides of the war that could change everything. Will Artimé finally know peace or will all that Alex and his people have fought for be destroyed forever?

Alex and his friends from Artimê are stranded on a newly-discovered island, and they are not alone, while in Quill, his twin Aaron's power base grows as he joins with an unlikely ally in a risky plan to finally conquer Artimê.

"A lyrical, shuddersome novel whose images linger with you long after you've turned the last page, like the most haunting of dreams." --Cassandra Clare, #1 New York Times bestselling author of The Mortal Instruments and The Infernal Devices, on Wake This boxed set contains all three books in the bestselling WAKE trilogy: Wake, Fade, Gone. Janie Hannagan gets sucked into other people's dreams. It's an ability she always kept secret—until she met Cabel, and found herself with the best (secret) boyfriend ever. But Janie and Cabel are about to find out just how dark Janie's future as a Dream Catcher is... and whether Cabel will be a part of it.

The year is 1917. Following the sudden death of his Professor, a young man and his two companions are approached by a strange man who gives them a book to

safeguard. This book, the Imaginarium Geographica, is the reason the Professor was killed, and now, they too are in mortal danger. Chased by the ferocious Wendigo, half-man half-werewolf creatures, the three companions seek refuge on a ship - a ship that leads them to the extraordinary lands of myth and legend mapped in the precious book they carry. As their adventure unfolds we learn that the friends are in fact C.S Lewis, J.R.R Tolkien and Charles Williams - and as they discover that events in the known world mirror those in the imaginary realm, they come to realise the importance of the Imaginarium Geographica , and if not protected, there will be no peace from the war that rages in our world.

Uncover adventure and dangerous secrets in book four of the New York Times bestselling Unwanteds series, which Kirkus Reviews called “The Hunger Games meets Harry Potter.” As Alex grows more confident in his role as the mage of Artimé, he expands his skills and brings his first creature to life—with results that are both painful and wonderful. A team from Artimé heads out to rescue Sky and Crow’s mother from underwater Pirate Island and discovers there are more creatures than they ever imagined in the ocean surrounding the islands—and not all of them are friendly. Meanwhile in Quill, Aaron faces threats to his leadership as Gondoleery hones her rediscovered magical abilities and Eva and Liam form a secret alliance against him. But Aaron’s distracted with a discovery of his own—a hidden jungle that holds a dangerous secret. His time there yields a startling truth about himself, and a potential opportunity to increase his power...

Spider-Man meets Animorphs in this thrilling middle grade series from Lisa McMann, New York Times bestselling author of the Unwanteds series. Katherine Applegate—Newbery Medal winning author of The One and Only Ivan, Wishtree, and Endling—calls this book “ gripping, action-packed, and filled with humor and heart. ” Charlie Wilde knew her life would change forever when her family moved from the city of Chicago to the suburbs of Arizona...and that was before she found the bracelet. After putting it on, she notices odd things start to happen. Suddenly Charlie seems to have the speed of a cheetah and the strength of an elephant—and that ’ s just the beginning. She would be thrilled about her transformation if she had any idea how to use the device or control her amazing powers. So Charlie is forced to put her trust in new friends to help her uncover the surprising truth behind the mysterious bracelet. The Going Wild series is perfect for fans of Rick Riordan, Brandon Mull, and Ridley Pearson looking for a new twist on their middle grade adventures. It blends science fiction with the animal kingdom, highlighting some of the incredible feats that animals can achieve, which might seem possible only in comic books but are actually completely true. Don't miss Going Wild #2: Predator vs. Prey and Going Wild #3: Clash of Beasts!

Ten years after Alex and Aaron Stowe brought peace to Quill and Artim é , their younger twin sisters journey beyond Artim é in the sixth novel in the New York Times bestselling sequel series to The Unwanteds, which Kirkus Reviews called “ The Hunger Games meets Harry Potter. ” As the greatest army ever assembled in the seven islands flies to the land of the dragons, everyone ’ s mind is haunted by the same thought: Thisbe Stowe betrayed them all. Thisbe struggles to regain the trust of her brother Aaron and the people of Artim é after one crucial mistake forces her to abandon her intricate plan against the Revinir. Aaron is devastated by Thisbe ’ s actions and refuses to hear her explanation, feeling a sense of responsibility for the wrong she ’ s

done mixed with his own deep regret and fears over his dark history. Complicating things are Thisbe ' s conflicted feelings about the Revinir, leaving her wondering if she allowed herself to get too close to the dragon-woman...and if she really is more evil than good after all. Risking everything they ' d fought for since first being declared Unwanted, the people, creatures, and statues of Artim é and their allies make a final desperate attempt to take down the Revinir and bring peace to their world. But is the Revinir too powerful to defeat? And will the Artim é ans ever find out what ' s behind that last secret door?

As the Wanted, Unwanteds, and Necessaries struggle to adjust to changes in their society, Mr. Today begins training fourteen-year-old Alex to replace him as Artime's leader one day while Alex's disgraced twin, Aaron, connives to take over Quill.

Seventeen-year-old Kendall, who suffers from obsessive-compulsive disorder, lives with her parents on a potato farm in a tiny community in Montana, where two teenagers go missing within months of each other, with no explanation.

From bestselling writer David Graeber— “ a master of opening up thought and stimulating debate ” (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “ On the Phenomenon of Bullshit Jobs. ” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society ' s most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. “ Clever and charismatic ” (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “ a thought-provoking examination of our working lives ” (Financial Times).

On the brink of war, the fates of both Artimé and Quill are at stake in book six of the New York Times bestselling Unwanteds series, which Kirkus Reviews called “The Hunger Games meets Harry Potter.” Alex and Aaron Stowe are at a crossroads. Everything Aaron has worked so hard to build in Quill has crumbled. Fallen from the height of power and influence and left for dead in a foreign place, Aaron has lost everything, and now he must humbly beg for food from those who saved his life. In Artimé, Alex chooses his people over his brother and abandons his search for Aaron, closing the door on that relationship forever. The Artimeans need his focus now more than ever as they face the terrifying power of a new enemy who has taken control of Quill—the notoriously evil Gondoleery Rattrapp. Desperate to stop her, Alex embarks on a risky mission to enlist help from an unlikely ally, and along the way he's determined to rescue a lone sailor from monstrous beasts with mysterious origins—a sailor who just might show Alex a different world. As he prepares for an epic war with all of Quill and Artime hanging in the balance, Alex must place his faith in a reckless plan...and hope that he and all of his friends make it through alive. Pinocchio, The Tale of a Puppet follows the adventures of a talking

wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

In the fourth book in the New York Times bestselling Spy School series, Ben Ripley enrolls in ski school, where the slopes, and the stakes, get really steep. Thirteen-year-old Ben Ripley is not exactly the best student spy school has ever seen—he keeps flunking Advanced Self Preservation. But outside of class, Ben is pretty great at staying alive. His enemies have kidnapped him, shot at him, locked him in a room with a ticking time bomb, and even tried to blow him up with missiles. And he's survived every time. After all that unexpected success, the CIA has decided to activate Ben for real. The Mission: Become friends with Jessica Shang, the daughter of a suspected Chinese crime boss, and find out all of her father's secrets. Ben might not be able to handle a weapon (or a pair of skis), but he can make friends easy-peasy. That is, until his best friend from home drops in on the trip and jeopardizes the entire mission...

Wherever you need to go--the Map to Everywhere can take you there. To Master Thief Fin, an orphan from the murky pirate world of the Khaznot Quay, the Map is the key to finding his mother. To suburban schoolgirl Marrill, it's her only way home after getting stranded on the Pirate Stream, the magical waterway that connects every world in creation. With the help of a bumbling wizard and his crew, they must scour the many worlds of the Pirate Stream to gather the pieces of the Map to Everywhere--but they aren't the only ones looking. A sinister figure is hot on their tail, and if they can't beat his ghostly ship to find the Map, it could mean the destruction of everything they hold dear! In New York Times bestselling author Carrie Ryan and John Parke Davis's first installment of a fantastical new series, adventure, magic, and hilarity collide in the treacherous skies and dangerous waters of the Pirate Stream. Heart-pounding escapades and a colorful cast of characters will have readers setting sail through this wholly original and unforgettable tale.

Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the third novel in the New York Times bestselling sequel series to The Unwanteds, which Kirkus Reviews called “The Hunger Games meets Harry Potter.” Devastated by loss and hampered by a civil war in the Land of the Dragons, Fifer and Simber struggle to lead the rest of their team in a seemingly hopeless search for Fifer’s twin. Meanwhile, Thisbe, pounded by images of Grimere’s dark history and her growing feelings of abandonment, considers leaving Rohan behind in a desperate gamble that could lead her home...or to her death. Back in Artimé, chaos reigns. A new mage steps up to restore the magical land, but finds unexpected trouble at home and discovers—too late—that the Revinir’s controlling grip has reached into the vulnerable heart of Artimé.

A riveting middlegrade dystopian novel from New York Times bestselling Wake author Lisa McMann that Kirkus Reviews calls “The Hunger Games meets Harry Potter.” Every year in Quill, thirteen-year-olds are sorted into categories: the strong, intelligent Wanted go to university, and the artistic Unwanteds are sent to their deaths. Thirteen-year-old Alex tries his hardest to be stoic when his fate is announced as Unwanted, even while leaving behind his twin, Aaron, a Wanted. Upon arrival at the destination where he expected to be eliminated, however, Alex discovers a stunning secret--behind the mirage of the "death farm" there is instead a place called Artime. In Artime, each child is taught to cultivate their creative abilities and learn how to use them magically, weaving spells through paintbrushes and musical instruments. Everything Alex has ever known changes before his eyes, and it's a wondrous transformation. But it's a rare, unique occurrence for twins to be separated between Wanted and Unwanted, and as Alex and Aaron's bond stretches across their separation, a threat arises for the survival of Artime that will pit brother against brother in an ultimate, magical battle. Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the fourth novel in the New York Times bestselling sequel series to The Unwanteds, which Kirkus Reviews called “The Hunger Games meets Harry Potter.” At last, after harrowing battles and devastating losses, the three Stowe siblings are reunited. Back in Artimé, however, their joy at finding one another is short lived. Fifer loses her leadership position and struggles to find her place and purpose, while Thisbe is relentless in her determination to return to the land of the dragons and help Rohan rescue the other black-eyed children. Aaron fails to ward off increasing opposition from a resentful Frieda Stubbs and the dissenters, leading to a shocking and dangerous turn. Meanwhile the Revinir pursues Thisbe and Drock all the way to the seven islands, putting the people of Artimé in peril. To save them, Thisbe makes an unthinkable sacrifice that leaves Fifer, Aaron, and the others to face political eruption and destruction in the formerly peaceful magical world.

*In the tradition of Don Brown's critically acclaimed, full-color nonfiction graphic novels *The Great American Dust Bowl* and Sibert Honor winning *Drowned City*, *The Unwanted* is an important, timely, and eye-opening exploration of the ongoing Syrian refugee crisis, exposing the harsh realities of living in, and trying to escape, a war zone. Starting in 2011, refugees flood out of war-torn Syria in Exodus-like proportions. The surprising flood of victims overwhelms neighboring countries, and chaos follows. Resentment in host nations heightens as disruption and the cost of aid grows. By 2017, many want to turn their backs on the victims. The refugees are the unwanted. Don Brown depicts moments of both heartbreaking horror and hope in the ongoing Syrian refugee crisis. Shining a light on the stories of the survivors, *The Unwanted* is a testament to the courage and resilience of the refugees and a call to action for all those who read.*

*A lyrical, gorgeously illustrated look at the majesty of trees—and what humans can learn from them *Stand tall. Stretch your branches to the sun. Be a tree! We are all like trees: our spines, trunks; our skin, bark; our hearts giving us strength and support, like heartwood. We are fueled by air and sun. And, like humans, trees are social. They “talk” to spread information; they share food and resources. They shelter and take care of one another. They are stronger together. In this gorgeous and poetic celebration of one of nature’s greatest creations, acclaimed author Maria Gianferrari and illustrator Felicita Sala both compare us to the beauty and majesty of trees—and gently share the ways in which trees can inspire us to be better people.**

Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the second novel in the New York Times and USA TODAY bestselling sequel series to *The Unwanteds*, which Kirkus Reviews called "The Hunger Games meets Harry Potter." The Artiméans have suffered some devastating blows. After years of peace, the recent daring adventure of twins Thisbe and Fifer Stowe have brought about dire consequences. Thisbe has been captured, Fifer is injured, and Sky is lost at sea. The twins' older brother Alex, head mage of Artimé, is paralyzed with fear of losing anyone else he loves. Fifer must convince him to finally trust her to help in the battle ahead now that their true enemy has been revealed.

Meanwhile Thisbe is trapped underground in the catacombs, where the ancient dragon rulers are buried. Along with fellow prisoners, Thisbe's job is to transport dragon bones from her crypt to the extracting room, where others extract the magical properties dormant in the bones. When it appears no one is coming back to rescue her, Thisbe must train in secret, trying to learn how to control her fiery magic and use it to escape. As her situation becomes more grave, she might even have to align herself with the ultimate evil. Unfortunately it's a risk she has to take.

Superspy middle schooler Ben Ripley is finally going to take SPYDER down, once and for all, in this latest addition to the New York Times bestselling *Spy School* series.

Stranded in Mexico after nearly capturing the leaders of SPYDER, thirteen-year-old Ben Ripley desperately needs to take a shower. But even more so, he and his spy school friends need to come up with a new plan to defeat their enemies, their only clue a key that opens...something. The Mission: Go rogue from the CIA, join up with the British MI6 to locate the leader of SPYDER, the enigmatic Mr. E, and bring down the evil organization once and for all. Only it won't be easy. They'll have to deal with rival

evil splinter factions, devious double-crosses and learning to drive on the opposite side of the road. But they have no other choice: this is their last and final chance to crack the code on SPYDER.

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.
