Crafting together the power of words and womanhood, writer Tanya Markul has written a completely unique poetry collection fit for the phenomenal readers of today. In Tanya's words, "May we raise the bar for how we live our lives. May we ridiculously increase the amount of peace, play, creativity, beauty, love, and joy in everything we do. May we all sip from the wisdom of our suffering. And awaken with the courage to share our stories that can heal our inner and outer worlds."

*There are moments when the heart no longer wishes to feel because everything it's felt up until then has brought it nothing but anguish. In *She Felt Like Feeling Nothing*, r.h. Sin pursues themes of self-discovery and retrospection. With this book, the poet intends to create a safe space where women can rest their weary hearts and focus on themselves.*

“ Palmer ‘ Pal ’ Campbell has epic breakdown on the 18th hole of the Bermuda Open! Video at 11. ” After spending my entire pro golfing career being known as the quiet, controlled, no-nonsense golfer on the tour, there 's nothing more humiliating than throwing all of that down the drain—or into a water hazard—on national television. Needing some place to hide, to lick my wounds and figure out what I even want to do with my life once this blows over, I can only think of one place I need to be. Summersweet Island, where everyone treats me like one of their own, and they ' ll all be happy to have me home again. Well, except maybe one person. It 's been two years since I last set foot on Summersweet Island or spoke to anyone there. But I ' m sure Birdie Bennett, my best friend since I was 15 and the clubhouse manager of my favorite golf course, has had plenty of time to forgive me for that tiny little misunderstanding where I blocked her on social media and blocked her in my phone. Oh, and I guess I kind of, sort of accused her of being a stalker. It 's fine! Once my sexy, spunky, former best friend gets over the shock of seeing me again and stops trying to drive a 9-iron into my skull, I can finally let her know I 've also kind of, sort of always been in love with her...

The epic made simple. The miracle in the mundane. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington

typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work—poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

Flux is a somber narrative, an ode to change, a collection of poetry and prose written from the many states of grief over a broken heart. With original illustrations by artist Katie Roberts, Orion Carloto creates a dream world for the

brokenhearted and paints a whimsical picture around the themes of love, loss, solitude, depression, sex, nostalgia, and unrequited romance. Flux takes readers through a raw and sorrowful journey of each and every bitter moment of heartbreak. Forewarning, Flux is best read with a warm cup of coffee in hand. "Today I inked my skin with your name Not because I like the look and not because I love you I got a tattoo because I enjoy the feeling of knowing it will never leave me even if you decide to" The poetry of 2am Thoughts condenses an entire relationship, with all its untamed emotions and experiences, into a single day. As the long hours of the night drag on, we experience the obsession, fear, neuroticism, and the deep, universal longing for love: "All I've ever wanted is to feel wanted by you" When the dawn breaks, the morning sun brings acceptance, healing, and recovery: "One day you too will have stopped searching strangers' eyes for companionship. You won't lie in a cold bed with nothing but dark thoughts to warm you. You will not order a pizza for yourself in an empty apartment. One day you will look into your lover's eyes... You will no longer feel alone"

Blythe Baird's *If My Body Could Speak* is a celebration of girlhood and all of its struggles and triumphs. In poems that dig deep into sexuality, acceptance of the body, survival of trauma, and learning to love yourself in spite of everything telling you not to, Baird's voice is a rich addition to her generation. Searing,

soaring, and heartbreaking, *If My Body Could Speak* balances the softness of femininity with the sharpness that girls are forced to become. Includes poems such as "Girl Code 101", "When the Fat Girl Gets Skinny", and "Pocket-Sized Feminism" that have been watched by millions online.

Find the magic in this collection--the moments and words that seem to glimmer and shine with their own inner light. Find deep magic in the pages of Beau Taplin's third book, *Here at Dawn*. The message is this: There is nothing ordinary about you or this remarkable world we inhabit, there is wild beauty, there is poetry, alive all around you. The secret is knowing where to look...and you can start right here.

An Instagram poet with hundreds of thousands of followers, Christopher Poindexter presents a new poetry collection themed on love in its many forms. *OLD SOUL LOVE* is a combination of new, never-before-seen poetry, mixed in with some of Christopher's most popular Instagram pieces, all of which explore the many shapes and forms of love. Unrequited love. Platonic love. Lost love. Self-

love. And, for a lucky few humans: old soul love that seems to transcend even death.

From @wilderpoetry comes a heavily expanded revised edition of *Nocturnal*, a collection of poetry and beautifully illustrated black-and-white imagery inspired by darkened days and sleepless nights. Poetry meets presentation in each of the four sections ("Dusk," "Northern Lights," "Howl," "Lucid Dreams,"), which trace the author's continuing journey of self-discovery while illuminating a path for others along the way. Ink stains, landscapes, dreamlike animals, blackened pages, and textured spreads create a multifaceted reading experience. And true to the moniker, these poems are linked by a motif of "the wild." Celebrating the art of self-love poetry with both word and image, *Nocturnal* will leave readers comforted, curious, and inspired to explore the world around them.

This Is Not a Ghost Story

Poems from the Typewriter Series

How safe is your marriage? The answer may surprise you. The biggest threat to any marriage isn't infidelity or miscommunication. The greatest enemy is ordinary. Ordinary marriages lose hope. Ordinary marriages lack vision.

Ordinary marriages give in to compromise. Ordinary is the belief that this is as good as it will ever get. And when we

begin to settle for ordinary, it's easy to move from "I do" to "I'm done." Justin and Trisha Davis know just how dangerous ordinary can be. In this beautifully written book, Justin and Trisha take us inside the slow fade that occurred in their own marriage—each telling the story from their own perspective. Together, they reveal the mistakes they made, the work they avoided, the thoughts and feelings that led to an affair and near divorce, and finally, the heart-change that had to occur in both of them before they could experience the hope, healing, and restoration of a truly extraordinary marriage.

From despair comes loathing, from loathing comes solitude, from solitude comes wisdom, from wisdom comes growth, and from growth sprouts a new perspective on life. This is the core of *The Feeling May Remain*: The icebergs of pain, loss, and grief, submerged in the ocean of love, self-care, and healing. *The Feeling May Remain* brings the first substantial collection of Akif Kichloo's work to the public. The title *Feeling May Remain* can be interpreted as an adjective or as

a short declarative sentence, something to think about right away. Amidst the uncertainties of this amazing, terrible, magical, horrible yet beautiful life, as Akif puts it, his writing brings new perspectives to existence, with poems that range from cute and sexy to stark and dead serious, hence speaking in more than one way to the sensibilities of his readers from all over the globe.

Chameleon Aura presents a harmonious blend of experience and advice through a chaptered series of prose and poetry that focuses on shared experiences in love and loss. Emboldened words and phrases capture the essence of the author's message and distinguish his unique style. Chapata's touching narrative celebrates humanity for their biological resilience and undeniable worth. This collection leaves readers warm with hope for growth, rebirth, and, most prominently, self-acceptance.

of more than two years, *A Love Letter from the Girls Who Feel Everything* is an intimate, honest, and raw assemblage of two women's feelings in a modern world that often quiets any kind of emotion past indifference. Discussing themes of love, worth, loss and hope, *A Love Letter from the Girls Who Feel Everything* is a journey of discovery and healing. "We are the girls who feel everything. And this is our love letter. To you, to them, to us, to the world, to no one at all. Whether it's the brightest, sunniest day where everything is perfect, or the darkest, dreariest night of rain where life seems unbearable -- we have lived it, we have survived it, and we have felt every, blissful, aching second. Here's to embracing the feels, to the brave souls that listen to the way their hearts beat and aren't afraid to ask someone else if they feel those same beats, too. Here's to the girls, the boys, the love we sometimes share and the love we all-too-often conceal. And more than anything, Reader -- here's to you."

THE EPIC FINALE IN THE WHAT HE DOESN'T KNOW DUET Left or right. It's that simple, and it isn't simple at all. If I turn left, the road will lead me back to the man I promised my life to, the one I'd imagined building a family with, the one who's done everything in his power to get me back. If I turn right, the road will take me to the man I loved first, the man who brought me back to life, the man who would do anything to keep me. I knew the fork in the road was inevitable; it was the decision I never wanted to make between choices I didn't know I had. And I love them both. My heart is destined to exist in two equal halves - one with each man. But one half beats stronger, the vein running deepest, and holds my choice in silence long before I know it for myself. The realization of what I have to do, of the heart I have to break, just might break mine too. Left or right. All I have to do is take a breath and turn.

By the author of the wildly successful *2am Thoughts and Nineteen*, comes *Rooms of the Mind* – a journey into the parts of our psyche that can either hide and protect us, or expose us to all that exists. Here you'll find an exploration of pain, heartbreak and wonder at what the world might bring us next.

More of a story than a collection of poetry, *Love by Night* will whisk you away from your world and into the dreamy romantic night. *Love by Night* begins with anxious hesitation and nervous attraction, grows into tender affection, blossoms into passionate love, delves deep into

whimsical dreams, and finally builds an image of an idyllic future together, as the reader develops along with the two characters of this poetic story. Written as a conversation between two points of view in constant change and flux with each other, this book invites the reader into the conversation about the love that connects one person to another, but also all of us to each other. Through this written testament to the emotional journeys books can take us on, S. K. Williams breaks down stereotypes, sexism, relationship roles, and brings awareness to mental health, grief, anxiety, depression, how to move forward, how to love in a healthy way, and, most of all, how to love yourself when it feels impossible.

A Love Letter from the Girls Who Feel Everything
What He Always Knew

Ten years ago, I started writing this for you. I wrote it for you and only you. Since then, millions of other people have read it, but none have understood it the way you understand it. I set out to find you a long time ago and today, I'm so glad I finally have. Thank you for reading these words.

On the northeast side of town, there is a house. The house was once magical, filled with love and joy and plans for the future. Inside its walls are many things that belong to me - my books, the china from my mother on my wedding day, the beautiful cage once home to two birds, now empty, just like me. And a man. A man who also belongs to me. A man I no longer wish to keep. A man who, no doubt, has not slept, though the sun is rising. Because the house where he waits is where I laid my head to rest every night for eight years. Until last night. No one who knows me would believe Charlie Pierce, the quiet, bookish girl who never made waves is pulling out of the driveway of a man who isn't her husband. But they don't know me at all. I don't even know me. Not anymore. They say there are two sides to every story, and I suppose in most cases, that's true. But the one I live inside of? It has three. On the northeast side of town, there is a house. But there is no longer a home.

"I need you to understand something. I wrote this for you. I wrote this for you and only you. Everyone else who reads it, doesn't get it." The follow-up to the international #1 bestselling collection of prose and photography, *I Wrote This For You And Only* is the third book in the *I Wrote This For You* series and gathers together the very best entries in the project from 2011 to 2015. This open access monograph argues established democratic norms for freedom of expression should be implemented on the internet. Moderating policies of tech companies as Facebook, Twitter and Google have resulted in posts being removed on an industrial scale. While this moderation is often encouraged by governments - on the pretext that terrorism, bullying, pornography, "hate speech" and "fake news" will slowly disappear from the internet - it enables tech companies to censor our society. It is the

social media companies who define what is blacklisted in their community standards. And given the dominance of social media in our information society, we run the risk of outsourcing the definition of our principles for discussion in the public domain to private companies. Instead of leaving it to social media companies only to take action, the authors argue democratic institutions should take an active role in moderating criminal content on the internet. To make this possible, tech companies should be analyzed whether they are approaching a monopoly. Antitrust legislation should be applied to bring those monopolies within democratic governmental oversight. Despite being in different stages in their lives, Anne Mette is in the startup phase of her research career, while Frederik is one of the most prolific philosophers in Denmark, the authors found each other in their concern about Free Speech on the internet. The book was originally published in Danish as *Dit opslag er blevet fjernet - techgiganter & ytringsfrihed*. Praise for 'Your Post has been Removed' "From my perspective both as a politician and as private book collector, this is the most important non-fiction book of the 21st Century. It should be disseminated to all European citizens. The learnings of this book and the use we make of them today are crucial for every man, woman and child on earth. Now and in the future." In *Spilled Words*, the newest addition to Cici B's growing list of raw and profound written works, she delivers a filterless snapshot of her love, pain, growth and resolve. Her trademark wittiness seamlessly blends with a familiar approach yet entirely new format to her writing. It is a story unlike any other in that it is made up entirely of quotes, but still somehow paints a beautiful and complete picture. If actions speak louder than words, her latest piece shows that she not only lives and breathes her words, she bleeds them, and spills them unapologetically onto the page.
