Zomorod (Cindy) Yousefzadeh is the new kid on the block . . . for the fourth time. California's Newport Beach is her family's latest perch, and she's determined to shuck her brainy loner persona and start afresh with a new Brady Bunch name—Cindy. It's the late 1970s, and fitting in becomes more difficult as Iran makes U.S. headlines with protests, revolution, and finally the taking of American hostages. Even mood rings and puka shell necklaces can't distract Cindy from the anti-Iran sentiments that creep way too close to home. A poignant yet lighthearted middle grade debut from the author

of the best-selling Funny in Farsi.

From the author of the Tiara Club series comes a gently satirical fairy story for our times, illustrated by one of today's finest artists, Angela Barrett. When a king and a queen promise to marry their daughter Lucia to the man who can show them the most wonderful thing in the world, suitors descend on the palace bearing gifts. Roses, jewels and exotic birds; dancing girls, wind machines and mythical beasts - but nothing feels quite right. As the last suitor leaves, his weapons of mass destruction rejected, the king and queen are exhausted. But when a shy, young man, who isn't a suitor at all, steps forward, they finally understand what the most wonderful thing in the world really is.

Vivian French's masterful retelling of a forgotten story is both funny and heart-warming, and Angela Barrett's breathtaking illustrations give life to an enchanting and romantic fairytale city. From Emily Winfield Martin's beautifully illustrated book about the simple things that make each child wonderful.

'You wouldn't get involved, Johnny, would you? What about those terrible bombs? You wouldn't do a bad thing, would you?' In this passionate and heart-wrenching debut novel by Irish writer Mark Mulholland, we meet Johnny Donnelly - an intense young man who is in love with books,

with his country, and with the beautiful Cora Flannery. But in his dark and secret other life he shoots British soldiers: he is an IRA sniper. How can this be? As his two worlds inevitably move towards a dramatic collision, Johnny takes us on a journey through the history, legends, and landscapes of his beloved Ireland. In the end, Johnny has to make sense of his inheritance and his life, and he does so in a riveting, redemptive, and unforgettable climax. Told in Johnny's unique voice, and peopled by a cast of extraordinary characters, A Mad and Wonderful Thing tells its tale lightly, but pulls a heavy load. It takes us beyond the charming, familiar, and often funny experiences of everyday life to the forces that bind people together, and that set them against each other - and to the profound consequences of the choices that they make. 'Beneath the passion, wit, and poetry of A Mad and Wonderful Thing is an undertow of tragedy. This is a world where our moral certainties are challenged, where gentle domesticity and sudden violence disrupt our expectations.'

An eagle soaring among the clouds or a star twinkling in the night sky . . . a camel in the desert or a boat sailing across the sea—yoga has the power of transformation. The story of Texas is the story of struggle and triumph in a land of extremes. It is a story of drought and flood, invasion and war, boom and bust, and of the myriad peoples who, over centuries of conflict, gave rise to a place that has helped shape the identity of the United States and the destiny of the world. "I couldn't believe Texas was real," the painter Georgia O'Keeffe remembered of her

first encounter with the Lone Star State. It was, for her, “the same big wonderful thing that oceans and the highest mountains are.” Big Wonderful Thing invites us to walk in the footsteps of ancient as well as modern people along the path of Texas’s evolution. Blending action and atmosphere with impeccable research, New York Times best-selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas, including Spanish explorers, American filibusters, Comanche warriors, wildcatters, Tejano activists, and spellbinding artists—all of them taking their part in the creation of a place that became not just a nation, not just a state, but an indelible idea. Written in fast-paced prose, rich with personal observation and a passionate sense of place, Big Wonderful Thing calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War. Like those volumes it is a big book about a big subject, a book that dares to tell the whole glorious, gruesome, epically

sprawling story of Texas.

Rhyming text explores what would happen if animals kissed like humans do, from a slow kiss between a sloth and her cub to a mud-happy kiss from a hippo calf to his father.
