The New Testament of Our Lord and Saviour Jesus Christ

Part I of this e-book summarizes the state of religion among the Jewish people during the long four hundred year period which elapsed between the time of the prophet Malachi and the beginning of the Christian era. Part II gives the Gospel's presentation of Jesus as the fulfillment of Israel's hopes, their perception of Him and His own claim to be the Messiah.

The Gospel of Jesus Christ is meant to heal us and keep us in line to God's commands. Long ago God incarnated as a man in order to reorganize us with a new covenant. For Jesus didn't come to change the law or do away with it but fulfill it. This book is also really good if you have vision issues for it has large print. This book is an ideal introduction for someone new to Christianity and can be an ideal tool for any Church. This book also includes Revelation for it is such an important book.

Jesus Is the Best Thing That Ever Happened to Humanity

The language of the Bible has no inconsiderable influence in forming and preserving our national language. On this account, the language of the common version ought to be correct in grammatical construction, and in the use of appropriate words. This is the more important, as men who are accustomed to read the Bible with veneration, are apt to contract a predilection for its phraseology, and thus to become attached to phrases which are quaint or obsolete. This may be a real misfortune; for the use of words and phrases, when they have ceased to be part of the living language, and appear odd or singular, impairs the purity of the language, and is apt to create a disrelish for it in those who have not, by long practice, contracted a like predilection. It may require some effort to subdue this predilection; but it may be done, and for the sake of the rising generation, it is desirable. The language of the scriptures ought to be pure, chaste, simple, and perspicuous, free from any words or phrases which may excite observation by their singularity; and neither debased by vulgarisms, nor tricked out with the ornaments of affected elegance. Noah Webster, 1833

Before Jesus came earth, more than two thousand years ago, according to Christian calendar, God, as a name, was representative of all deities in all religions. Then came Jesus, the Second Person in the Trinity, the Son God and the Savior of all mankind, with a revelation of the love of God for humanity, and His will for those who would obey the gospel of Jesus Christ and also for those who would reject Him. That is why He came, to restore paradise back to humanity which it lost through Adam's sin. In Jesus the Christ, what humanity lost because of the sin of Adam is now recovered and restored to it only in Christ. This book is given to be written to highlight that purpose. God is calling all humanity by His only begotten Son to return to its Maker. The heart of the Father is pleased with the sacrifice of God — the Lamb of God which was slain from the foundation of the world. That Jesus is the answer to everything which ails humanity is more profound than a slogan, definitely more pristine than a lyric, but certainly a truth that needs no emendation. Uche C. SEARCHING FOR JESUS IS EVERYTHING YOU THOUGHT YOU KNEW ABOUT HIM IS EVERYTHING THAT YOU DON'T KNOW ABOUT HIM AND IS EVERYTHING YOU WILL LEARN ABOUT HIM This book is not about how Jesus Christ fulfilled scripture prophecies, or how many miracles he performed, or an explanation of his parables. But rather it is about his physical presence throughout the Holy Bible [from Genesis to Revelation], and how he interacted with the people and their life stories. It is designed with intertwining scriptures and commentary to highlight his presence. The proof of this study will be your conclusion of the whole matter. My prayers are with you as you launch out into the deep. Rev. ABRAHAM HOWARD JR. P.S. THIS BOOK WILL TAKE YOU WHERE ONLY A FEW HAVE VENTURED TO GO.

The first question is "Would Jesus Christ do that?" The second question is "What would Jesus do?"
