When it comes to spontaneous healing, skepticism abounds.

Doctors are taught that “miraculous” recoveries are flukes, and as a result they don’t study those cases or take them into account when treating patients.

Enter Dr. Jeff

studying

pioneering the use of
scientific tools to

Dr. Rediger's

research has taken

him from America's

around the

world—and along the

way he's uncovered

insights into why

to the root causes of

illness, showing how

to create an

environment that

Schulzes 30 Day

sets the stage for

healing. He reveals

the patterns behind

healing and lays out

the physical and

mental principles

associated with

recovery: first, we

need to physically

heal our diet and our

File Type PDF

There Are No

immune systems.

Diseases Dr
Schulzes 30 Day
Next, we need to
mentally heal our
stress response and
our identities.

Through rigorous
research, Dr.

Rediger shows that
much of our physical
reality is created in
our minds. Our
perception changes

File Type PDF

There Are No

Incurable

our experience, even

Diseases Dr

to the point of

Schulzes 30 Day

changing our

physical bodies—and

thus the healing of

our identity may be

our greatest tool to

recovery.

Ultimately, miracles

only contradict what

we know of nature at

this point in time.

Cured leads the way
in explaining the

One of man's

Everywhere, all over

they cannot heal us.

God says: "In vain

Again, God says,
