

## This Book Is Now Available In A Consumable Student Practice

*Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, Web Games is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.*

*Clearly, the "normal" way of life is the opposite of genuine sustainability, and it has an expiration date. Any way of life that is fully in balance with the family of life must be genuinely sustainable, a healthy path with a future. At present, too few really comprehend this concept. It would be wise to learn, and Sustainable or Bust is a useful tool for the job. Seven-point-something billion people can't switch to sustainable living this afternoon, because it's temporarily impossible. But the collapse of industrial civilization is now in its early stages, and when it's done, the human sphere will be much smaller, slower, and simpler. Decades down the road, many new options will become possible, including genuine sustainability. We could help our descendants find a more direct path to health and balance by learning about sustainability now, and sharing this wisdom with the young ones. There's never been a better time to hit the books and feed our minds — before the lights go out. Nothing can change until ideas change. My first book, What Is Sustainable, presented an introduction to genuine sustainability, with an emphasis on food. Sustainable or Bust is a collection of 64 book reviews, and 16 rants. It's a gallery of thinkers, scholars, and ideas that might make "normal" minds itch and squirm. This book is for pilgrims who are awake, alive, and weary of normal — minds hungry for outside-the-box ideas. I don't expect to see the end of the collapse. What the survivors, if any, choose to do is entirely beyond my control. I am not responsible for the decisions they make, but I am responsible for doing what I can to help them understand their history, predicament, and options. Who are we? Where are we from? How did we get here?*

*Are you the author of a nonfiction or self-help book? What would you say if I told you this one simple trick in writing your book description could easily help you sell an extra hundred books each and every month? The thing to remember when you write a nonfiction book description is - It's all about the customer. If you can show the customer you can help them get what they want, you will have them eating out of your hands. There are a lot of Kindle advice books out there. All of them are trying to tell you how to write a book the fastest, that you need to search Google keywords for the latest hottest topics, and that you need to spend hours every day implementing a social media campaign to help people find your book. What would you say if I told you that was all a bunch of Bullshit? I sold over 150 copies of my first book in three weeks without resorting to a single one of those tactics. The fact is - Amazon does over 90 percent of the work for you in marketing your book. Before you go off site to sell books, you need to optimize all of Amazon's marketing tools. Here are just a few of the topics this book is going to cover. 1) Creating covers that demand attention 2) How to write a title that will reach out and slap you customer in the face 3) How to write a book description that will make them want to buy your book - NOW! 4) Why you need a compelling "Meet the Author" page, and how you can use it to position yourself as an expert in your subject matter 5) How to add tags to your book 6) Why you need customer reviews, and how you can get more of them 7) All you need to know about KDP Select 8) Pricing strategies to sell more books If you are the author of a non-fiction how to or advice book, this guide will help you sell more books. About the Author Nick Vulich is the author of eight Kindle books including Freaking Idiots Guide to Selling on eBay, How anyone can make \$100 or more everyday selling on eBay. Nick has worked in e-commerce for over thirteen years, selling both on eBay and Amazon. He also edits several successful blogs including Digital History Project and Retro Iowa. His latest book Freaking Idiots Guide to Making Money with Fiverr, How people are making \$1000 a month providing simple services is now available on Kindle.*

*The Writing Wizards is an online Literary magazine. Comprises Story, Poetry, Author interviews and much more The Writings Wizards, a literary magazine giving wings to the new upcoming Author/Writers to share their creativity with a larg number of reader. *Bilingual Edition English-Igbo "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "This is baby's favorite book!" -Amazon Customer Review from the United States "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "This has been my daughter's favourite book since she was 4 months old. The sentences are nice and short so she doesn't lose interest in the pictures while I'm reading each page." -Amazon Customer Review from the UK "Muito legal esse livro. Singelo, divertido e relacionado ao universo da criança. Bom pra desenvolver o vocabulário. As ilustrações são lindas. Meu filho adorou." -Amazon Customer Review from Brazil "You are small or big depending on with what you relate to. A simple cute book which exactly portrays this message." -Amazon Customer Review from India "Muy buen libro infantil. Dinámico, orgánico, perfecto para aprender en romaji. De fácil lectura y con una protagonista realmente encantadora" -Amazon Customer Review from Mexico "Beautifully illustrated and cleverly written." -Amazon Customer Review from Australia "We are in love with this book!"-Amazon Customer Review from the United States "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review from the United States "Whenever I have time to read to her, she wants this book. And she repeats words. That's insanely cute." -Amazon Customer Review from Canada "Mia figlia di due anni e mezzo è entusiasta dei disegni bellissimi e dei colori. Apprezza anche le vicende di una bimba nè grande nè piccola ma giusta così." -Amazon Customer Review from Italy "My three year olds love it and the story's concept will grow with them for several years to come making it a keeper." -Amazon Customer Review from the U.S. "A nuestra hija le ha encantado. [...] Estamos muy satisfechos con la compra." -Amazon Customer Review from Spain "I got this book to read with my granddaughters, one from the US and one from Portugal. It is so incredibly cute! They loved it, and I did too. I highly recommend this book!" -Amazon Customer Review from the U.S. "Ce petit livre est tout ce que j'aime !!! Le graphisme, les couleurs, tout y est magnifiquement soigné, poétique et charmant !!! [...] Une merveille de beauté et de magie à ne pas*

*louper !!!" -Amazon Customer Review from France "My little boy loves this as a bedtime story. It's colourful and quirky. [...] I thought it would be uninteresting to a child, to be read to in another language, but he asks for 'Bin ich klein' and it melts my heart!" -Amazon Customer Review from the United Kingdom "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-ForeWord Clarion Reviews "This is done with simplicity at its finest. The art is whimsical, the message is clear and most of all my grandson loves it. I would recommend this book to any child provider as part of their reading library." -Amazon Customer Review from the U.S. Languages Available for every country in at least one official language. Please note: This book is a bilingual picture book with a 1:1 translation created by human translators (see translator's credits for details).*

*Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .*

*The story of "The Ancient" continues... Joseph Miller and Mike Samson are closing in on one of the Fallen on the busy streets of New York City, with the help of a young woman who just happens to grow fur and fangs. Little do they know someone from Miller's past is hunting them to settle a grudge over a thousand years old. Meanwhile, Lizzie Namgung is desperately searching for her missing friend Ann. Much to her surprise, so is the FBI. As a new evil spreads across the city of Newark, Lizzie finds herself caught in a web of murder, mayhem, and monsters. Ancient Awakening is a Horror/Action novel with just the right touch of comedy. Ancient Enemies is the second book in the series that follows the adventures of eccentric demon hunter Joseph Miller. His job is to defend the human race against seven mythical demons and their offspring. Unfortunately for us, he has been dead for the last hundred years. The series begins with Ancient Awakening, continues here with Ancient Enemies, and is followed by Ancient Revelations. The all-new second edition of Ancient Enemies is professionally edited and 55,700 words.*

*Kamari Grade was a well-known troubleshooter for the most discerning clients. But when called to investigate one of the most powerful men in financing, she's thrown into the world of Huron Base. Financiers were usually polished in word and deed, but there was a sexy arrogance to Huron that blared former thug and it wasn't an image he wanted to forget. When the lovely troubleshooter crossed his path she was everything he loved about his life-challenge, drive, determination, strength, success, beauty ... For a man who could acquire anything, the allure of such a conquest was irresistible.*

***Our choices seal our fate. Hannah Reed is about to learn just how important one little decision can be. Hannah's plans for a nice, quiet senior year of high school are rapidly disintegrating. It all starts when she innocently bursts in on Ethan Flynn in the change room of the clothing store where she works. Ethan's presence in Hannah's world is subtle but constant, and when he saves her life, they become linked by the workings of an ancient society and Ethan's sworn duty to protect Hannah. Working together to figure out what destiny wants with Hannah, the two of them stumble on a baffling mystery that leaves even Ethan questioning what is in store for her future. With Ethan's help, Hannah learns there is far more to this life, to her life, than she ever realized. As they attempt to untangle Hannah's unique past and emerging abilities, an unknown danger from Ethan's past looms ever closer. While racing to put together the pieces of the puzzle before it's too late, Hannah wrestles with the idea that she is anything but average, and that perhaps she is also more to Ethan than just a job. Hleo is the first book in the series with the same name. A story of destiny and how one decision can change everything. When you buy a copy of Hleo, your one decision also has the ability to change the lives of others across the globe. \$3.00CAD from every copy of Hleo purchased goes towards the amazing efforts of the Because I am a Girl Education initiative. Fighting to bring literacy and safe learning resources to girls living in some of the poorest nations in this world.***

***The Book of Knowledge and Wonder is a memoir about claiming a legacy of wonder from knowledge of a devastating event. In some ways it has the feel of a detective story in which Steven Harvey pieces together the life of his mother, Roberta Reinhardt Harvey, who committed suicide when he was eleven, out of the 406 letters she left behind. Before he read the letters his mother had become little more than her death to him, but while writing her story he discovered a woman who, despite her vulnerability to depression, had a large capacity for wonder and a love of familiar things, legacies that she passed on to him. The book tackles subjects of recent fascination in American culture: corporate life and sexism in the fifties, mental illness and its influence on families, and art and learning as a consolation for life's woes, but in the end it is the perennial theme of abiding love despite the odds that fuels the tale. As the memoir unfolds, his mother changes and grows, darkens and retreats as she gives up her chance at a career in nursing, struggles with her position as a housewife, harbors paranoid delusions of having contracted syphilis at childbirth, succumbs to a mysterious, psychic link with her melancholic father, and fights back against depression with counseling, medicine, art, and learning. Harvey charts the way, after his mother's death, that he blotted out her memory almost completely in his new family where his mother was rarely talked about, a protective process of letting go that he did not resist and in a way welcomed, but the book***

**grows out of a nagging longing that never went away, a sense of being haunted that caused the writer to seek out places alone-dribbling a basketball on a lonely court, going on long solitary bicycle rides, walking away from his family to the edge of a mountain overlook, and working daily at his writing desk-where he might feel her presence. In the end, the loss cannot be repaired. Her death, like a camera flash in the dark, blotted out all but a few lingering memories of her in his mind, but the triumph of the book is in the creative collaboration between the dead mother, speaking to her son in letters, and the writer piecing together the story from photographs, snatches of memory, and her words so that he can, for the first time, know her and miss her, not some made up idea of her. The letters do not bring her back-he knows the loss is irrevocable-but as he shaped them into art, the pain, that had been nothing more than a dull throb, changed in character, becoming more diffuse and ardent, like heartache.**

**A book of seventy famous songs for the beginning ukulele player that uses just six different notes. (C-D-E-F-G-A) Easy to read over-sized notation includes two versions of each song - one with letters inside the note-heads and one with regular musical notation. Basic chord changes also included.**

**The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!**

*1st Place Gold Award in the 2015 Feathered Quill Book Program for Science Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever.*

*Nourishment, nostalgia, Native ingredients and global influences. Southern Cultures's debut "best of" collection gets straight to the heart of the matter: food. For those of us who've debated mayonnaise brand, hushpuppy condiment, or barbecue style—including, in some quarters, whether the latter is a noun or a verb (bless your heart)—we present here a collection equal to our passions. Culled from our best food writing, 2008–2014, this special volume serves up tomatoes, turtles, molasses, Mother Corn and the Dixie Pig, bourbon, gravy, cakes, jams, jellies, pickles, and chocolate pie. Dig in! And stay tuned for more "best of" collections to come.*

*Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth,*

happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit [www.thebookbook.co.uk](http://www.thebookbook.co.uk)

No matter where we are, disaster and hardship can strike. Hidden Harvest brings mountain wisdom of past generations into the present with the practical science of long term food storage. Readers of all income levels, even those of limited means or no means can begin using this information today without buying fancy equipment or anything at all. Part how-to book, part reference book and part story telling, Hidden Harvest is meant to be read from beginning to end and then kept handy on the shelf for routine consultation. Make your own survival food, eat healthy through any disaster and be able to share with friends and loved ones. All popular methods are discussed and probably many that are new to you. Replete with informative tables, formulas and curious (often adorable) hand-drawn illustrations, Hidden Harvests is a book intended to offer you many years of enjoyment, health and joy no matter what your circumstances. You will become a food storage and handling expert with practical and beneficial knowledge. Available as an ebook on Amazon.

*17 Times Amazon Best Seller is giving YOU his Complete System! Not only that, he's also giving you his FREE COURSE and the exact Skeleton File (already formatted!) he personally uses for publishing on Kindle! Has he lost it completely? Most likely, but he swears otherwise! He has this stupid idea that if he gives you exactly what you need to solve your problems you might just stick around. By the way, because he has this delusion that you should always put your money where your mouth is, he actually shows you the video where you can see his 17 Amazon Best Sellers. Bananas! He's no saint, though! If you get his FREE COURSE he will try to sell you his complete, over-the-shoulder, professional Course down the line! He offers it for a crazy affordable price and he doesn't even try to upsell you anything. This lunatic believes in transparency and providing real value. These are the worst scumbags! The craziest part is that, even if you don't buy anything else, this book ALONE will give you EVERYTHING you need to publish your book on Amazon from A to Z! This is what I'll teach you: Choosing the Right Topic: The best way to earn a lot of money while having a sense of purpose! Market Research: Learn how to get inspiration and improve your own book by looking at the right places! Title Creation: Learn how to get readers bursting with curiosity and lining to get your book first! Writing Your Book: The fastest way to structure your book all the way to the end!*

*Outsourcing: If you don't want to write it, learn how to outsource it the right way and end up with a masterpiece! Cover Creation: Do it yourself easily and for free OR Get a professional graphic designer to do it for \$5! Description, Categories & Keywords: Learn the AIDA Formula for magic descriptions and know all the secrets to stand out! Formatting and Publishing your Kindle EBook: I will provide you with the same skeleton file I personally use (already formatted! ) and I will show you, step-by-step, how to publish your Kindle book the right way! Formatting and Publishing your Paperback Book: Learn how to publish the paperback version for FREE! I will teach how to get an already formatted template and show you, step-by-step, how to publish your physical book the right way! Free Promotions and Getting Reviews: I will teach you how to set up a free promotion so you can get up to thousands of downloads and honest reviews that will make your book stand miles apart from your competitors! Important Resources: Make your author's page shine and learn about the new world of audiobooks!*

*Explode Your Business: What millionaire authors are really doing behind the scenes! Where to Learn More: The only 2 affordable and honest places you should go to! This is the system you've been dreaming about for finally publishing your book and get your work into the World! Scroll Up and Get It Now!*

*An epic new science fiction series about faith, family, and alien invasion in the wilds of Alaska. When a shooting star plunges through the atmosphere and touches down in the Alaska wilderness, only two earthlings are present to witness the event. But they perceive two utterly different realities. What park ranger Jace Kuliak sees is a UFO and the arrival of a dangerous alien species from beyond the solar system. What Poppy Prophecy sees is the star called Wormwood, as recorded in Scripture, and the arrival of an archangel of the Apocalypse. The thing is -- they're both sorta right. Poppy Prophecy is the despotic*

patriarch of a large End-Times prepper family that is busily converting a depleted copper mine into its own private doomsday bunker. Their copper mine is a century-old relic from territorial days when East Coast robber barons ruled Alaska and plundered its mineral wealth. Today the abandoned mine sits in the middle of the largest, wildest, most majestic national park in the United States. But Poppy isn't impressed by mere earthly beauty, and he doesn't mind bulldozing federal land when it suits his purposes. Backcountry Ranger Jace Kuliak does mind, and he and fellow rangers confront the fundamentalist family in an armed standoff over the construction of an illegal airstrip. It doesn't help matters when Ranger Kuliak falls hopelessly in love with Poppy's second daughter, the lovely, innocent, and totally clueless Deuteronomy. An uneasy truce between the Prophecys and the park service is shattered when the falling star lands in their backyard and is claimed by both sides. What is it? Who is it? Better yet, of all the pit stops on all the planets in all the galaxies, why did the Visitor choose this particular rock to screw with?

Hydrology covers the fundamentals of hydrology and hydrogeology, taking an environmental slant dictated by the emphasis in recent times for the remediation of contaminated aquifers and surface-water bodies as well as a demand for new designs that impose the least negative impact on the natural environment. Major topics covered include hydrological principles, groundwater flow, groundwater contamination and clean-up, groundwater applications to civil engineering, well hydraulics, and surface water. Additional topics addressed include flood analysis, flood control, and both ground-water and surface-water applications to civil engineering design.

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

**A book of magic tricks for a younger audience.**

**A sexy aristocrat. A wild-child inner city cop. A crime wave of passion. A steamy romance novel introducing a sassy female police officer who locks up criminals and always gets her man. The second book in the "Passion Patrol" series featuring hot cops, hot crime and hot romance. Following the success of "Knockout!" the drama in "Shannon's Law" revolves around another feisty female cop - Shannon Aguerri. Moved out from the city after one-too-many maverick missions, Shannon discovers there's more going on in the sleepy country village than meets the eye. The son of a local aristocrat arouses suspicion of drug crime activity... but his widower father arouses more animal instincts! Could she really mix with the British royal family? Can she risk her heart and career on yet another high risk unauthorised investigation? Can she get justice for an innocent boy? Dare a kid from the gutter dream of being a countess? Shannon's Law, the action romance novel of 2014. Wild child inner city cop Shannon Aguerri walks a dangerous line between her methods and justice. When the bosses lose their nerve, she is transferred to green pastures to play out the role of a routine village cop.**

In Fleetworth-Green she encounters signs of people and drug trafficking and homes in on serious millionaire criminals. As a loner she has attracted men but nothing has stuck. When she meets Spencer, the hunky and widowed Earl of Bloxington, there is an immediate rapport between them. Their social differences mean nothing to their passion and need. Already in the mix is an upper class female rival who has long plotted her way into the Earl's bed. The jealousy is an evil shade of green and the anger is a violent scarlet. Often inhibited by a sense of duty and honour, Spencer is slow to reveal his feelings. When Shannon confronts him with the need to choose between her word and that of her rival, he does not immediately support her. All the same, when they are forced together to carry out a desperate rescue mission, their love is stronger than everything ranged against them. Please note: This book contains joyful explicit sex between adults in a consenting relationship. There is also strong language in high-stress police confrontations with criminals. 5 Star Reviews "Move over Mr Grey "" there's a new Earl in town! Shannon's Law is dramatic, mesmerizing and incredibly sexy. The ultimate fairy-tale." Jenny Marston, UK. "Shannon's Law will draw you in from page one and hold you fast, immersed in the love and suspense until the end." Anneli Purchase, Canada. "A fast-paced and intense story where two different social worlds collide in a vortex full of love, hatred, intrigues and passion. Emma Calin has done it again. A book hard to put down before its end." Petra Rovere, Slovenia. >>> Companion Cookbook COP'S KITCHEN When you've read the romance and felt the passion you can then TASTE the love! ***Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.***

***What do you do after life has handed you a wake-up call? Author Brian Seth Hurst experienced a significant professional setback, but, rather than "soldier on," he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create. The question of "Why?" began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book W H O L E - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source. What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. W H O L E is your companion as you review the past, balance all areas of your life, and begin to create anew. W H O L E prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding. How do you reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts. W H O L E allows you to make sense of the pieces of your life as part of the greater being that is You. W H O L E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future. W H O L E literally answers the question, "What was I thinking?" "To know "whole" in the duality of your reality, you must know broken. To know broken is to recognize that you are, always have been, and always will be WHOLE."***

***Other Realms: Volume One is the first book in a new series that collects original short stories by fantasy and sci-fi author Shaun Kilgore. In this volume, you'll be taken to far off fantasy worlds filled with magic, adventure, and the games of noble houses and the plights of brave warriors. This book contains ten stories, including "A Reckoning," "Death To The Messenger," "Midwinter Night," "Oathsworn," "The Beast Of Mern," "The Prophet's Return," "The Risen Queen," "The Ruling," "The Traitor," and "Winds Of Fate."***
