

This Is Munich M Sasek

Like the other Sasek classics, this is a facsimile edition of the original, first published in 1966. The illustrations have been meticulously preserved and the facts updated for the twenty-first century. The charming illustrations, coupled with Sasek's playful narrative, make perfect souvenirs that will delight both children and parents. This is Greece captures the flavor and tradition of the birthplace of Western civilization. There's Athens, with its spectacular views of the Acropolis, the Parthenon, temples, theaters, and marketplaces; architecture-renowned Corinth; Mycenae, inhabited since 3000 B.C.; Olympia, home of the gods; Delphi, famous for its legendary oracle; and the beautiful isles. There's also modern-day Greece, where life is lived on street corners, in squares, and at tables amid reminders of the past.

A pictorial tour of the Bavarian capital, presenting drawings of the historic buildings and monuments, parks, transportation, and the celebration of Oktoberfest in this large city of southern Germany.

Describes the month-long visit between world leaders Winston Churchill and Franklin Roosevelt in December 1941, during which they discussed the strategies of the Allied powers in World War II and how to sustain peace after the war would end.

On the heels of the runaway bestsellers This is New York and This is Paris, Universe is pleased to reissue another title from M. Sasek's beloved and nostalgic children's travel series. Like the other Sasek classics, This is Venice is a facsimile edition of his original book from the 1960s and is still timely and current in every way. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than 40 years later and, where applicable, facts have been updated for the twenty-first century, appearing on a "This is...Today" page at the back of the book. The stylish, charming illustrations, coupled with Sasek's witty, playful narrative, makes for a perfect souvenir that will delight both children and their parents, many of whom will remember this book from their childhood. This is Venice, first published in 1961, presents indelible impressions of romantic, watery Venice, where under a brilliant blue sky Sasek the gondolier navigates the winding canals to visit such famous and glorious landmarks as the Palazzo Grassi, Piazza San Marco, Doges Palace, and the Accademia di Belle Arti.

My Vietnamese Kitchen is a collection of recipes passed down through Uyen Luu's family. Uyen was born in Saigon and spent her childhood there before leaving Vietnam in the aftermath of the war. She regularly travels back there to visit family and pick up more classic and modern recipes for dishes found in the homes and on the streets of Vietnam. The recipes in the book tell a story—about Uyen's family and the culture of food in Vietnam. In essence, the food of her country aims to strike the perfect balance between sweet, sour, salty, bitter, hot and umami, and to cater for any occasion and time of day, every mood and ailment. Uyen describes some of the most commonly used produce and guides you through chapters such as Breakfast, Soups, Snacks, Noodles, Lunch & Dinner, and Sweets, weaving in tales of etiquette, personal history and tradition and providing evocative photos of her travels throughout. Popular recipes include pho soup, banh mi baguettes and summer rolls.

A pictorial tour of the city by the Golden Gate, presenting drawings of its hills, cable cars, harbor, bridges, market areas, and flower stalls.

Like the other Sasek classics, these are facsimile editions of his original books. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than forty years later and, where applicable, facts have been updated for the twenty-first century, appearing on a "This is . . . Today" page at the back of each book. The stylish, charming illustrations, coupled with Sasek's witty, playful narrative, make these books a perfect souvenir that will delight both children and their parents, many of whom will remember them from their own childhood. In This is the Way to the Moon, first published in 1963, Sasek rockets readers to Cape Canaveral—the space capital of the world, a science-fiction-turned-fact spot on the Florida coast—with a nostalgic look at the electronic brains that put our man up into space and brought him down again. Also included are the updated statistics about the lunar landing and a mini history of NASA's space program.

Continuing the success of the runaway best sellers This is New York and This is London comes the latest title from M. Sasek's beloved and nostalgic children's travel series. Sasek's This is Washington, D.C. is a facsimile edition of his original book, which was first published in 1969. The brilliant illustrations have been meticulously preserved, with the facts updated for the twenty-first century. The charming illustrations, coupled with Sasek's playful narrative, makes for a perfect souvenir that will delight children and parents alike. Super-tourist Sasek paints Washington red, white, and blue as he tours the nation's capital. Stops include the Washington Monument (which commands a view of all the Federal buildings and most of the museums, monuments, and memorials), the White House (whose lawn is a grassy launching pad for the President's helicopter), and the Smithsonian's National Zoological Park, the last residence of the world's most famous ursine, Smokey the Bear! With bright pictures and snappy commentary, Sasek wittily captures all the fascinating things to do and see in a city of green parks, wide avenues, and classic white porticoes. Designed by a Frenchman and renowned for its cherry blossoms, This is Washington, D.C.!

Drawings and text describe the tourist resort of Cocoa Beach, Florida, the missile test center seven miles away at Cape Kennedy, and the steps followed in launching the first astronaut from the Cape.

Since becoming the capital of reunited Germany, Berlin has had a dose of global money and international style added to its already impressive cultural veneer. Once home to emperors and dictators, peddlers and spies, it is now a fashion showplace that attracts the young and hip. This gripping history follows Berlin chic through a host of historical eras and events, including the Nazi eradication of the primarily Jewish ready-to-wear industry, the confusion surrounding the split and reunification of the East and West, an unsuccessful effort to launch a fashion museum, and the debut of Berlin Fashion Week in 2007. There are many fabulous stories to tell about Berlin fashion and Berliner Chic tells them all with verve and considerable expertise.

A charming biography of the artist behind the bestselling "This is..." series of children's books—which have sold over a million copies since being reissued by Universe—illustrated in the style of Miroslav Sasek himself. Replete with documents, memories, and images from the life of Miroslav Sasek, this book is richly illustrated with material from Sasek's books as well as such archival material as previously unpublished illustrations, photographs, and vintage fan letters from children inspired by his books. Born in Prague in 1916, Sasek studied architecture but worked as a painter and illustrator for most of his life. Having moved to Paris in 1947 to study, he chose not to return to Prague after the Communist takeover. He earned a living as a graphic artist and from 1951 worked for Radio Free Europe until his death in 1980. Starting with This is Paris, published in 1957, his books painted a charmingly cosmopolitan and evocative picture of the world's great places. Beginning in 2003, all the This is... books have been reissued by Universe Publishing. This book about the beloved illustrator will delight graphic designers, illustrators, and lovers of classic children's books.

Like the other Sasek classics, this is a facsimile edition of the original book. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than 40 years later. Facts have been updated for the 21st-century, appearing on a "This is . . . Today" page at the back of the book. These charming illustrations, coupled with Sasek's witty, playful narrative, make for a perfect souvenir that will delight both children and their parents, many of whom will remember the series from their own childhoods. This is Hong Kong, first published in 1965, captures the enchantment and the contrasts of Hong Kong in the sixties. Roaring jets bring in the tourists; bamboo rickshaws taxi them through exotic streets fragrant with incense, roasting chestnuts, and honey-glazed Peking duck. Sasek shows you the sweeping panorama of gleaming Kowloon Bay framed by misty mountain ridges, then moves in for close-ups of laborers and hawkers, refugees from the mainland, and sailors of flame-red junks, and the strange "water people" who, it is said, never set foot on dry land.

A lonely little mouse has to be resourceful to bring his family back together. In a series of delightfully imaginary achievements, "nobody's mouse" transforms himself into the beloved hero of his mother, father, sister, and brand-new baby brother. In their very first collaboration, Robert Kraus and Jose Aruego give charm and validity to one of childhood's more difficult experiences. Tender and catchy, Robert Kraus's rhyming text, combined with Jose Aruego's large, vibrantly clever illustrations, makes for a storytime classic.

Encompassing everything from magazine covers and posters to advertising and typography, this stunning volume is essential for fans of mid-century modern design. It follows the development of the hugely popular style, with its eye-popping palettes, experimental type, and kinetic images. Hundreds of color illustrations showcase work by international and influential artists-- including classic Saul Bass film posters, Alex Steinweiss record sleeves, and Lucienne Day textile prints.

Like the other Sasek classics, these are facsimile editions of his original books. The vibrant illustrations have been preserved, remaining true to his vision, and where applicable facts have been updated, appearing on a "This is...Today" page at the back of each book. The charming illustrations, coupled with Sasek's witty, playful narrative, make for perfect souvenirs that will delight both children and their parents, many of whom will remember them from their own childhood. This is Britain, first published in 1974, encompasses the nation's many facets, from the mystery of Stonehenge to the monuments of the British Isles. Among his stops are the White Cliffs of Dover; Brighton's Prince Regent's Royal Pavilion; the castles and Tintern Abbey in Wales; and Scotland's four Royal Palaces and long lochs. This is Israel, first published in 1962, visits the Promised Land, a sun-drenched panorama of many hues and many traditions. From the Sea of Galilee to the Red Sea (it's really blue); from modern Tel Aviv to Jerusalem new and old; from Mt. Zion to King Solomon's mines; Sasek presents the biblical glory of its past and the golden hope of its future.

The sixth volume in the Williamsburg series, this is a satisfying return to the Spragues and the Days - again from Williamsburg and New York, to London and Farthingale. The best of the series since The Light Heart, a good yarn with pace and momentum, and a gratifying gathering up of the threads in the years leading up to World War II. Sue has gone; Jeff is her heir, the surviving male Day. And the story interest shifts back and forth from Jeff, fearful that a bad heart will play him false, and Sylvia, his cousin, willing to take that chance, to Evadne, caught in the meshes of Moral Rearmament, Hermione, difficult and unpleasant as ever (or more so) and Sylvia's brother, Stephen, who loves Evadne on sight, but finds her intractable and headstrong during a difficult year and more. There's a feel of England on verge of war, and one mad sortie into a fanatical Germany, where Evadne goes on a "mission". But the main lure of the story lies in meeting again the wide-flung members of an attractive family.

Like the other Sasek classics, these are facsimile editions of his original books. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than forty years later and, where applicable, facts have been updated for the twenty-first century, appearing on a "This is . . . Today" page at the back of each book. The stylish, charming illustrations, coupled with Sasek's witty, playful narrative, make these books a perfect souvenir that will delight both children and their parents, many of whom will remember them from their own childhood. In This is Australia, first published in 1970, Sasek swings down under, winging his readers into Sydney, with its famous bridge and space-age Opera House; bustling, modern Melbourne; colonial Adelaide; semitropical Brisbane; the garden city of Canberra; mineral-rich Perth; and Alice Springs, Australia's

most famous outback town.

WARNING - Unless, you have superior bladder control, are close to a lavatory or loo and can withstand a hailstorm of hilarity - use caution when reading this book! After 27 years of marriage, all Martin and Diane thought they needed to complete their perfect Empty-Nest lifestyle was a "little creature bashing around the place." Hardly could they have expected that this wildly-witty little Bengal Kitten would turn their world upside down. Factor in an eloquently written true-story account of their crazy life experiences, and you will find yourself loving the Culprit - from start to finish! " I have edited many books in my life - more than I can ever count - The Culprit stands out as a classic to remember!" - Johanna Petronella Leigh, Editor Chapter 3 - KINDRED SPIRIT "But as I turned and headed for home, the bloody wind blew up again, blowing open the front of my robe so wide that it demanded and required I immediately place Kitten in front of my naughty bits so as to avoid having someone call the authorities." Chapter 4 - OF FELINES & FELLOWS "Oh crap, I thought to myself. And not wanting to spend a back-breaking night on the sofa, I immediately made for the closet, quickly threw on my parka and boots and with all possible dispatch exited the back doorway to help with the rescue and recovery. However, in such a hurried hurry was I that halfway down the damn frozen staircase I lost my footing and went flying, feet first, bumping, thumping, slipping and dumping down to the very bottom on my backsi

Henri's Walk to Paris is the story of a young boy who lives in Reboul, France, who dreams of going to Paris. One day, after reading a book about Paris, he decides to pack a lunch and head for the city. "Like many of us Henri wants to see Paris. In Paris, there are thousands of buses. In Reboul, where Henri lives, there is only one bus. In Paris there

are many parks and rows and rows of trees. The park in Reboul has only five trees. In Paris there are many zoos full of animals for the people to see. So one fine day Henri packs up some lunch and starts off to see all the things he had read about." Along the way, Henri gets tired and falls asleep under a tree. And this is when the story gets really charming. What Henri sees, we see, in a flowing panorama of pictures conceived by the eminent graphic designer Saul Bass.
