

Three Wishes Indigo Sensuous Love Stories

In this critically acclaimed romantic comedy, a reincarnated gamer pursues her villainous lady love at a fantasy girl’s academy! (And don’t miss the manga adaptation, also from Seven Seas.) Ordinary office worker Oohashi Rei wakes up in the body of the protagonist of her favorite otome game, Revolution. To her delight, the first person to greet her is also her favorite character, Claire Francois—the main antagonist of the story! Now, Rei is determined to romance Claire instead of the game’s male leads. But how will her villainous lady love react to this new courtship?!

“Intrigue, espionage, engaging characters, a clever backdrop and an intelligent conclusion, what more could you ask for in a thriller. This one sings and tingles with heaping doses of adrenalin. Enjoy.” Steve Berry, #1 New York Times and Internationally Bestselling Author
“Stacy Allen writes adventure as one who has lived it. In Expedition Indigo, the tension, suspense and action come across in an incredibly real and personal way. Her heroine, Riley Cooper, is a great addition to the literary world of explorers. Genuine, innocent in some ways, and brave, a welcome change from a world of hardened heroes with dark pasts. I cannot wait to read more of her adventures.” Graham Brown, author of The Eden Prophecy
Archaeologist Riley Cooper is offered the chance of a lifetime: a chance to find the Cruz Fidelis, the coronation cross of Charlemagne. Under Water Sea Adventurers members believe they have found the remains of the Indigo, a heavily laden cargo ship commissioned by Charlemagne and presumed lost on its maiden voyage off the coast of southern Italy in the early 800s. If Riley can find the cross, it will prove Charlemagne’s coronation as the First Holy Roman Emperor by Pope Leo III on Christmas Day had not been a spontaneous one, but rather a desperate political maneuver by a Pope in need of protection. When Riley joins UWSA off the coast of Sorrento, Italy, tensions and tempers fly as a competing team arrives in search of the treasure and an approaching hurricane gains strength and heads straight toward the dive site. And when one of the crew is murdered, Riley must find the strength to fight back and keep the treasure out of the other team’s hands.”

When Lily Jacobs was born, she inherited Fazine – a genie. Her family had three wishes and they’d only ever used one so Fazine was stuck in the human world. This worked since he’d become a member of the family anyway. Even with a genie, Lily’s young life wasn’t perfect. To escape the kids making her miserable at school, Lily buried herself in romance novels. One day, when the teasing was just too much, she used one of her wishes. She told Fazine she wanted to find a man like in her books and she made the most complicated wish Fazine had ever heard. Her wished-for man had to be impossibly handsome, virile, fierce, rugged and ruthless (amongst a dozen other things). He also had to think she was beautiful and he had to love her more than anything in the world. Nathaniel McAllister wasn’t born to a life where there were such things as genies granting wishes. His life was filled with drugs, crime and neglect. He was running errands for a gangster before he was in his teens and, even though life and hard work led him to wealth and respectability, he always knew, deep down, he was dirty. When Nate met Lily he knew he was no good for her but as virile, fierce, rugged and ruthless as he was, Nate was no match for the pull of sweet, innocent Lily. Unfortunately, Lily’s wish included that she and her hero go through trials and tribulations to test their love. And Fazine wasn’t only a good genie, he loved Lily – so he gave her exactly what she wanted.

In a future world where firebombs, samexel relations and programmable SexDolls are the norm, Leila, a martial artist and Resister, battles the State’s violence and mind control with astonishing creativity, while trying to control her own warring compulsions. The Power of Indigo is a stirringly sensual, dazzling exploration of our relationship to gender, to the environment, to power and technology, and an inspiring call to evolve before it is too late. Award-winning author Alesia Kunz is published in several genres: an experimental novel, Shangrila & Linda, poetry, articles, essays, and political commentaries in The Oakland Tribune, The San Francisco Bay Guardian, The Berkeley Daily Planet, and the Foundation for Shamanic Studies website. Holding the rank of 5th Dan in Aikido, she teaches and practices at San Francisco Aikikai. She is a student and a practitioner of shamanism and works as a psychotherapist in private practice.

The Spanish Love Deception

Indigo Nights

Why I Love Alberta

Destined to Feel

What if all our lives were mapped out before birth? Does anyone have the power to change our destiny? Ella hates London. She misses her old life in Spain and is struggling to get over her past—until she meets Zac. He’s always loved her but isn’t meant to be part of her story. Not this time. Not ever. Little does she know that his secret is the one thing that will tear them apart and force her to live in a world that no longer makes sense. A world full of danger, lies and magic. The Path Keeper is a passionate tale of first loves, second chances and the invisible threads that bind us. Can love ever be stronger than fate?

For as long as Kyle Egan can remember, he has wanted only one thing: to run his own boat charter company. Not that he has much to complain about, as the lead charter boat captain at the Indigo Royal Resort in St. Thomas USVI. He gets to spend his days out on the water, never has to wear a tie, and works alongside his best friend, Drea Miller, who happens to be the only other thing he wants.Drea Miller has been crushing on her best friend Kyle since the moment she saw him five years ago. Unfortunately, she is fully aware that he doesn't see her as more than a friend- oh, and the niece of his bosses. Working for the family-owned resort with her three annoyingly overprotective uncles has always been what she wanted, but lately she's started to wonder what else life might hold. If she can't have the guy she wants, maybe it's time that she makes another dream a reality.When an encounter with a guest brings out the truth, Kyle and Drea are left trying to navigate their feelings, but can their new love survive a revelation they never saw coming?

Experience the thrill of an unexpected love that defies all boundaries in the third historical romance in New York Times bestselling author Catherine Anderson’s Comanche series... Torn between the white and Comanche worlds of her parents, Indigo Wolf has grown up estranged from the townspeople of Wolf’s Landing, Oregon. No decent woman calls her a friend, and no man understands her strange, elusive spirit—until rugged Jake Rand comes to town. Jake offers to act as foreman of the family mine after a series of mysterious accidents have led Indigo’s father seriously injured. But Jake’s real motives are as secret as his true identity, and as personal as his growing attraction to Indigo...

Nicozake Shange’s beloved Sassafras, Cypress & Indigo is the story of three sisters and their mother from Charleston, South Carolina. Sassafras, the oldest, is a poet and a weaver like her mother before her. Having gone north to college, she is now living with other artists in Los Angeles and trying to weave a life out of her work, her man, her memories and dreams. Cypress, the dancer, leaves home to find new ways of being in the world. Indigo, the youngest, is still a child of Charleston—“too much of the south in her”—who lives in poetry and has the supreme gift of seeing the obvious magic of the world. Shange’s rich and wondrous story of womanhood, art, and passionately-lived lives is written “with such exquisite care and beauty that anybody can relate to her message” (The New York Times).

Life has always gone Indigo Burns' way. She's smart, pretty, and talented, and she knows exactly what she wants. A photography internship at her hometown's local newspaper is the next step in her well-laid plans for her future. But her long-term goals are put to the test when her boyfriend Brian proposes—two years before he's supposed to and in front of all the guests at her college graduation party. Too concerned about his feelings to say no, she heartily agrees, but inside she's cringing.

Indigo knows in her heart that she's not prepared to sacrifice to become Brian's wife—not before she has achieved any of them. Will she find the answers among family and friends in Jubiland, Texas? Or will the picture-perfect life she dreams of be left behind?

Destined to Feel, the second erotic adventure in Indigo Bloomer's Avalon trilogy, follows the steamy romance between psychologist Alexandra Blake and her lover, Jeremy Quinn. Alexandra's bliss is rudely interrupted when she's abducted in London, caught up in a dangerous struggle between unscrupulous corporations. Her captors want her to help them with their sexual experiments, pushing the boundaries of convention in the search for a drug to stimulate the female libido. How far will Alexandra be willing to go to satisfy her curiosity, both professional and personal? With scorching love scenes and rich, real characters, Destined to Feel will appeal to anyone who read Fifty Shades of Grey—and couldn't put it down...

Indigo Springs is a sleepy town where things seem pretty normal . . . until Astrid's father dies and she moves into his house. She discovers that for many years her father had been accessing the magic that flowed literally in a blue stream beneath the earth, leaking into his house. When she starts to use the liquid "vitagua" to enchant everyday items, the results seem innocent enough: a "charnted" watch becomes a charm that means you're always in the right place at the right time; a "charnted" pendant enables the wearer to convince anyone of anything. . . . But she soon finds herself seduced into a level of surrender—and danger—she could never have imagined. Destined to Play is the first book in the Avalon Trilogy exploring the intricate relationships between trust and betrayal, desire and love, risk . . . and reward.

Soul Food Sunday

Granny teaches her grandson to cook the family meal in this loving celebration of food, traditions, and gathering together at the table On Sundays, everyone gathers at Granny's for Soul Food. But today, I don't go to the backyard or the great room. I follow Granny instead. "You're a big boy now," Granny says. "Time for you to learn." At Granny's, Sunday isn't Sunday without a big family gathering over a lovingly prepared meal. Old enough now, our narrator is finally tried to help cook the dishes for the first time: He joins Granny in grating the cheese, cleaning the greens, and prining the meat for Roscoe Ray's grill. But just when Granny says they're finished, her grandson makes his own contribution, sweetening this Sunday gathering—and the many more to come. Evocatively written and vividly illustrated, this mouthwatering story is a warm celebration of tradition and coming together at a table filled with love and delicious food.
