Timeriders Day Of The Predator Book 2

Otto Malpense, who is still trapped at the Higher Institute of Villainous Education, or H.I.V.E., is nearly assassinated and must now not only try to escape, but also find out who murdered his best friend--and save himself.

*HIGHER INSTITUTE OF VILLAINOUS EDUCATION
Otto Malpense may only be thirteen years old, but so far he has managed to run the orphanage where he lives, and he has come up with a plan clever enough*

to trick the most powerful man in the country. He is the perfect candidate to become the world's next supervillain. That is why he ends up at H.I.V.E., handpicked to become a member of the incoming class. The students have been kidnapped and brought to a secluded island inside a seemingly active volcano, where the school has resided for decades. All the kids are elite; they are the most athletic, the most technically advanced, and the smartest in the country. Inside the cavernous marble rooms, floodlit hangars, and steel doors, the students are enrolled in Villainy Studies and Stealth and

Evasion 101. But what Otto soon comes to realize is that this is a six-year program, and leaving is not an option. With the help of his new friends: an athletic martial-arts expert; a world-famous, beautiful diamond thief; and a spunky computer genius -- the only other people who seem to want to leave -- can Otto achieve what has never been done before and break out of H.I.V.E.?

It happened within a week. Survival was just the start of it. It has a plan... Leon is stuck in England. Grace is on her way to New Zealand and Freya to the 'New United States' in Cuba. The virus has assimilated all

It's early April of 1945 and the dog-days of World War II. The Nazi regime is being slowly throttled by the oncoming Russian and Allied armies and Hitler rages uselessly in his Berlin bunker. But the high command have one more throw of the dice to make. An audacious plan is hatched to save the Fatherland and beat off the oncoming apocalypse. All it will take is a hodge-podge squadron of escort fighters, a captured U. S. bomber, and one suicidally brave pilot to fly it over the Atlantic into the beating heart of America. Half a century later, a rusting plane is discovered, sunk with its crew, off the coast of New York a relic from a bygone age. Chris
