

Tips Bercinta Tahan Lama

The Doctor Is In . . . Again! Did the mega-bestselling Why Do Men Have Nipples? exhaust your curiosity about stuff odd, icky, kinky, noxious, libidinous, or just plain embarrassing? No, you say? Well, good, because the doctor and his able-bodied buddy are in! Again! Mark Leyner and Billy Goldberg, M.D., now take on the differences between the sexes—those burning questions like Why doesn't my husband ever listen? or Why does my wife ALWAYS have to pee? And of course, Why do men fall asleep after sex?, plus plenty of others to keep you fully informed. Full of smart and funny answers to an onslaught of new questions, all in a do-ask-we'll-tell spirit that entertain and teaches you something at the same time, Why Do Men Fall Asleep After Sex? offers the real lowdown on everything everyone wants to know about all things anatomical, medical, sexual, nutritional, animal, and mineral, but would only ask a physician after a few too many, like: • Why do you have a "bionic" sense of smell when you're pregnant? • Does peeing in the shower cure athlete's foot? • Is a dog's mouth clean? • Can you breastfeed with fake boobs? • Does thumb sucking cause buckteeth? • Do your eyebrows grow back if shaved? Bigger, funnier, and better than ever, Why Do Men Fall Asleep After Sex? proves that in the battle of the sexes, as in most things, a little Q&A is a safe, effective, minimally invasive remedy. Also available as an eBook

WARNING: *This book will change your marriage! Yes, it's true. The most intimate act between a man and a woman is prayer. And praying daily with the one person you love more than any other takes you to a level of joy and satisfaction that you simply will not believe until you try it. Author of the bestseller When God Winks at You, SQuire Rushnell, and his wife, entertainer and talk-show host Louise DuArt, know firsthand what praying together as a couple can do. They were amazed at the happiness and harmony this simple act brought to their relationship. With the confirmation of groundbreaking, never previously published research from Baylor University, SQuire and Louise developed The 40 Day Prayer Challenge and, step-by-step, have guided other couples through this process. Those who bare themselves before God in prayer for a minimum of five minutes a day for forty days have achieved extraordinary results: Spousal communication elevates. Respect rises. Agreement becomes the norm. Happiness is a way of life. Satisfaction in lovemaking soars. Inside this book you also learn how to compare your test scores to the national average. Couples Who Pray has everything you and your partner need to begin a more intimate, rewarding relationship, including simple tips that can make your marriage the best it has ever been! Couples Who Pray™ and The 40 Day Prayer Challenge™ are trademarks of SQuire Rushnell.*

First published in 1923, this classic volume contains timeless teachings on the nature of vibration and harmony as the basis of all creation. Transcending the barriers of religious traditions, The Mysticism of Sound explores profound and universal truths in a personable manner that will appeal to any seeker on the path of illumination.

A Love Unrealized

This book is a concise, practical guide to both paraphilia and paraphilic disorders as defined by the DSM-5 guidelines. Written by experts in the field, the chapters cover the different types of paraphilic disorder as well as the cutting-edge, emerging issues such as online sex. Unlike any other book on the market, the text also covers the most successful treatment strategies, include the therapeutic, hormonal, and psychopharmacological approaches. The book also discusses the ethical, legal, and cultural issues that are common complications when dealing with paraphilic disorders. Many chapters feature an introduction, diagnostic criteria, summary of evidence, clinical example, recommendations, conclusion, and references. Practical Guide to Paraphilia and Paraphilic Disorders is a valuable resource for psychiatrists, psychologists, residents, and all medical professionals working with patients who may suffer from paraphilia and/or paraphilic disorders.

Bring the clear and didactic art of Netter to your patients! Make patient engagement and compliance as easy as possible with the new edition of Ferri's Netter's Patient Advisor. These printable handouts pair clear explanations by renowned author Dr. Fred Ferri with thousands of Netter and Netter-style illustrations for a greater understanding of each health condition and what patients can do to facilitate their own care. Highly visual and succinct handouts were designed to offer patients the information they need to know in a quick, memorable format. PDFs include a space for notes and a field for Health Care Provider information. Browse the text by specialty or alphabetically. Handouts are designed in a single-page (front/back) format for convenience. Online access to NetterReference.com features downloadable English and Spanish patient education guides covering nearly 750 topics (500 topics in Spanish), including new handouts on a Gluten-Free Diet, Pain Medication Options, and Multivitamins. Easily search via keyword (including synonyms) or ICD10/ICD9 code sets; and add notes and contact information to individualize the handouts. Use as a tool to enhance communication between the Health Care Provider team and the patient.

A Psychological Analysis of Adolph Hitler--His Life and Legend (1943), is a psychoanalytical report of Hitler prepared for the Office of Strategic Services (OSS), predecessor to the CIA, by American psychologist Walter C. Langer in collaboration with three other psychologists--Professor Henry A. Murray, Dr. Ernst Kris, and Dr. Bertram D. Lewin. In writing this analysis, Langer and his colleagues interviewed people who knew Hitler personally and drew upon over 1000 pages of research from a document known as The Hitler Source Book. The report made several accurate predictions about Hitler's future, such as an assassination attempt on him by the German aristocracy and his suicide in the event of defeat. This psychological profile of Hitler was the forerunner of the field of profiling foreign political leaders by the CIA, including Soviet Premier Nikita Khrushchev, Chinese leaders Mao Zedong and Deng Xiaoping, and Cuban leader Fidel Castro (also available from Cosimo Reports.)

It's all about cheating--the biggest threat to intimacy. Typically, men are good at creating rifts in relationships but terrible at mending them, especially after they've repeatedly betrayed their partner through sexual infidelity. For the most part, cheating men are both intimacy-challenged and empathy-challenged, and, as such, they lack the skills needed to overcome the damage wrought by their infidelity. Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues. He's helped both cheating men and their betrayed spouses move through the horrors of infidelity. In Out of the Doghouse he shares his expertise, illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over. Saying "I'm sorry" and trying to "buy forgiveness" with flowers and jewelry may temporarily calm the stormy seas of infidelity. However, these actions do nothing to re-establish intimacy and trust—the key components to help the distraught woman feel better about her relationship over the long-term and get over the cheating. The simple truth is men and women are very different when it comes to intimacy and relationships. While men are able to compartmentalize things like sexual infidelity, women typically view cheating as an affront to their entire relationship. They think, "If he is lying to me about sex, he's probably lying to me about everything." For betrayed women, trust just flat-out disintegrates. And without proper guidance, men have little hope of restoring it. Weiss provides exactly the needed guidance in Out of the Doghouse, helping men move past the usual infidelity roadblocks that result from cheating in ways that will not only save a damaged relationship, but restore intimacy to make it better than ever.

Combining humour with expert advice, The Sex Doctor covers everything from standard sex issues to the more bizarre carnal conundrums. The Everything Great Sex Book

Position of the Week

The Most Intimate Act Between a Man and a Woman

The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.

Discusses our changing understanding of human sexuality, explains the nature and function of the Grafenberg spot, and suggests how women can improve their sexual relationships. Reprint. 30,000 first printing.

The New York Times bestselling authors of *Rinnavation* and *She Comes First* reveal candid and fun tips to improving your marriage by rejuvenating your sex life—and getting from “no-go” to the Big O. JUST SAY O! Have flannel pj's replaced your silky negligees? Are you more likely to nod off cuddling the remote—instead of your partner? Are you too tired for sex? Is foreplay becoming “boreplay”? Too much comfort in your relationship can strip your sex life of its XXX rating and render your love life . . .

lifeless. New York Times bestselling authors Ian Kerner, a nationally recognized sex counselor, and vivacious television personality Lisa Rinna are on a mission to help you get from “no-go” to the Big O. Mind-blowing sex is just pages away—now let's have some fun! IT'S NEVER TOO LATE TO GET THE SEX LIFE YOU'VE ALWAYS WANTED! • Sexy scenarios and hot new moves to amp up the adventure! • The best sexual positions to make you climax • Confidence boosters that make you feel sexier than ever and bring out your inner thrill-seeker • Oral sex and hand job tips that will make his body go nuclear • Fixes for common bedroom problems such as low desire, mismatched libidos, and sexual boredom • Tips for coping with sexual “male-functions” such as premature ejaculation, erectile disorder, and a propensity for porn • The ten-step sex workout • The most amazing sex of your life—at any age, even after kids!

Everything you need to know about self-care—especially for Aquarius! Take Time for You, Aquarius! It's me time—powered by the zodiac! Welcome star-powered strength and cosmic relief into your life with *The Little Book of Self-Care for Aquarius*. While Aquarius may typically lead with the mind and not the heart, this book truly puts value in taking care of your whole self. Let the stars be your guide as you learn just how important astrology is to your self-care routine. Discover more about your sign and your ruling element, air, and then find the perfect set of self-care ideas and activities for you. From sipping cardamom coffee to listening to Mozart, you will find more than one hundred ways to heal your mind, body, and active spirit. It's stellar self-care especially for you, Aquarius!

The Mommy Docs' Ultimate Guide to Pregnancy and Birth

Sex means different things to different people – it's as varied as the different species on the planet. So, seduction and foreplay are not only about getting what you want, but about giving and receiving, teasing and pleasing for the best possible rewards, no matter how you define them. (And, yes, foreplay IS sex!) The Ultimate Guide to Seduction & Foreplay teaches readers how to tune into their own desires, become better communicators, and ultimately be more confident, passionate, and attentive lovers. Inspired by fantasies of seduction, Marla and Jess take you on a journey of sexual exploration and help you understand the many factors that add to or inhibit arousal and pleasure on psychological, sociological, and sexological levels. Readers gain a deeper understanding of their own sexual needs and the foundations for greater compatibility and connection. As you explore your own learning and seduction styles (and your lover's), you'll discover and experiment with new and exciting ways to stimulate arousal and deepen intimacy: verbal, emotional, and digital seduction, foreplay, eroticizing daily actions, games, fantasy play, mindfulness, and more. Packed with practical exercises, techniques, and creative ideas – especially for busy couples – this inclusive guide is a surefire way for folks of all genders to master the art of seduction. You don't have to be a rockstar in (or out of) the sack each time you have sex, but this book will help you approach your lovers with the confidence and comfort you deserve! Whether you are adding to your repertoire for later or striving to please your current lover, you'll discover thrilling new pathways to pleasure and intimacy.

Would you like to know how to bring more pleasure, joy, and creative flow and meaning into your life? Introducing The Ultimate Guide to a Multi-Orgasmic Life, a handbook for finding greater fulfillment– in and out of the bedroom. Once you've learned these multi-orgasmic practices they'll be a valuable resource to you for the rest of your life.

You're already establishing a track record with your kid by how you listen, by what you say when you're angry, and by how you treat your spouse. We like to surprise parents who ask us, "When do I start talking about sex?" The answer is, you've already started. As difficult as talking with your child about sex, peer pressure, and self-image may seem, you can do it—and you must. Your child's future depends on it. Fortunately, you've got plenty of guidance and insight available in A Chicken's Guide to Talking Turkey with Your Kids about Sex. Family psychologist Dr. Kevin Leman and sexuality educator Kathy Flores Bell guide you safely along the sometimes rocky road of pubescence as your child heads toward adolescence. This practical and engaging book covers his or her development not just from the waist down, but also from the neck up, where the important decisions about sex are made. Illustrated with real life scenarios, this book is filled with practical knowledge and biblical wisdom. It is a book of firsts: first bra, first shave, first period, first nocturnal emission, first school dance, first discussion about relating to the opposite sex. A Chicken's Guide takes on the difficult things parents face with their kids today, such as dating relationships, sexual activity and "rite of passage" attitudes, STDs, molestation, and more. Leman and Bell take you beyond sex education and frank conversations to cultivating a relationship with your child. Get ready to acquire some unanticipated life skills in the process. Moms, discover how to buy that first athletic supporter for your son in Little League. Dads, learn how to navigate the feminine hygiene aisle at the supermarket for your daughter. You'll do more than meet your child's physical needs. You'll create the trust, support, and security he or she needs in your relationship. And in turn, you'll gain a credible voice on such intimate topics as what sexual intercourse is and why to abstain from sex until marriage. With Bell's expert yet simple knowledge of the dynamics of human sexuality and Dr. Leman's winsome, lighthearted approach, you'll gain confidence for those difficult but essential talks. Here are the tools you need to help your kids not only understand their growing bodies, but cope with the temptations and social pressures that go with them.

The goal of this book is simple: it will give you access to positions that can help you combat confidence, anxiety, or premature ejaculation issues.

The Sexy Little Book of Sex Games

Sitti Nurbaya

Cliché has it that, once the I do's are spoken the sex-life slowly diminishes. In *Till Sex Do Us Part*, Trina Read presents a brilliantly simple explanation for this unfortunate phenomenon, as well as the key to ending the cycle of diminished sexual connection between married couples. Read contends that married women must learn to have married-woman sex, instead of insisting on pursuing the same single-woman sexual patterns they once knew. Married women must shift their perspectives and go from seeing sex as a source of tension and stress to seeing sex as a positive and integral aspect of a marriage. This readable, sex-positive guide features bite-size chunks of useful information and can help even the most harried wife re-evaluate her own relationship to married sex.

Are you ready to be a contender? Sylvester Stallone's action-oriented program for getting fit and eating right is also a revealing portrait of one of Hollywood's biggest stars. *Sly Moves* is more than just a handbook on fitness and nutrition. It's a provocative and candid inside look at the trials and triumphs of one of Hollywood's most famous stars. Throughout his career, Sly has always been body conscious, and as he experimented with intense training methods for various films, he has learned – often the hard way – what works and what definitely doesn't. His goal here is to help readers change harmful fitness habits, learn to counter reckless eating, and appreciate who they are even when they don't feel much like action heroes. Part 1 is a history of Sylvester Stallone's physique, as the Rocky star shares stories about his being bullied as a child, finding comfort and strength at the gym, and then later, the wild ride of fad diets, crash-training regimens and workout disasters that fringed on obsession. Part 2, *The Sly Moves* workout, outlines four exercise programs: classic, advanced, women's and hardcore. The workouts only require a commitment of about three hours a week (exactly the same amount of time Sly works out). The *Sly Moves* eating plan (Part 3) is Sly's nutrition guide, highlighted by a unique meal plan for a lifetime of good eating. Part 4 gives Sly an opportunity to inspire and encourage readers to make *Sly Moves* part of a long-term picture of health, fitness and wellbeing, with tips on everything from keeping goals and relaxation techniques to lessons learned from *The Contender*.

First published in 1922, the novel "*Sitti Nurbaya: A Love Unrealized*," by Marah Rusli, retains the poignancy that made it a modern Indonesian classic.

In terms of its social impact in what was then the Dutch East Indies, "*Sitti Nurbaya*" may be compared to "*Uncle Tom's Cabin*" in the ante-bellum United States. Even to this day, the issues of injustice and indignities suffered by women that this novel raised continue to be debated throughout the country. Rich in description, dense with ironic foreboding and the inexorable workings of fate, *Sitti Nurbaya* is Samsu and "*Sitti Nurbaya*"'s ill-fated love story. But in their wishes, the reader might also discern young people's tantalizing dream of what the East Indies society might become, or could become, if only local genius, embodied in a modernizing youth emancipated from stifling traditions, could fuse with European genius in mutual respect and admiration. This too was, of course, a dream never to be realized, and one perhaps which never could have been realized.

From New York Times Bestselling Author Kristen Proby comes *Fight With Me?* Jules Montgomery is too busy and content with her life to worry about a man, especially one Nate McKenna. If growing up with four brothers has taught her anything, she knows to stay away from sexy men with tattoos and motorcycles. That goes double if he's your boss. During the one incredible night they shared, he violated the no fraternization policy...among other things, and it won't happen again. Jules won't risk her career for mind-blowing sex, no matter how much her body and her heart keep arguing with her. Nate McKenna couldn't care less about the no fraternizing policy. He wants Jules and he'll have her. He's not a man to be taken lightly, and Jules Montgomery is about to find out just how he responds to being pushed aside after the best night of sex he's ever had. Nate knows that Jules is meant to be his, and he'll stop at nothing to have her by his side.

A fascinating read--olive oil is not only delicious--it is good medicine! --Ann Louise Gittleman, Ph.D. One of our most important foods. This book deserves to be in everybody's home library. --Elson M. Haas, M.D., author of *Staying Healthy with Nutrition*, 21st Century Edition *Discover Olive Oil's Extraordinary Powers!* Revised and updated, this indispensable book reveals why chefs, doctors, and nutritionists all love extra virgin olive oil, a key ingredient in the Mediterranean Diet--and why other healthful oils from vegetables, fruits, and nuts are not far behind. You'll find easy recipes for satisfying foods like *Pizza Baguettes with Garlic Oil*, *Fudgy Coconut Oil Brownies*, *Honey-Citrus-Olive Oil Fruit Kabobs*, and *Macadamia Nut*

Oil Cookies. Also included: home cures that beat colds and reduce pain, beauty and household secrets, and pet care tips that really work! Deliciously healing surprises. . . . The art of using olive oil for mind, body, and spirit goes back 6,000 years. Hippocrates, the father of medicine, used olive oil in over 60 healing remedies. New research confirms that olive oil can help lower the risk of heart disease, cancer, and type 2 diabetes, and it can stall age-related diseases. Combining olive oil with other oils (like coconut and macadamia nut oils), can help combat fatigue, infections, and insomnia, and help you fight fat and shape up! Bring on the butter--especially the right kind and right amount. When paired with oils, this twentieth-century forbidden saturated fat is a new twenty-first-century health food. Orey gives kudos to olive oil--and people of all ages will benefit from her words of wisdom. --Dr. Will Clower, CEO Mediterranean Wellness

NeuroLoveology: The Power to Mindful Love and Sex explores how the brain processes attraction, relationships, conflict and sex. Each chapter will introduce the science and psychology behind the various elements of an adult romantic relationship while also including the tools to enhance that relationship, emotionally and sexually. There have been huge advances in the studies of neuroscience, which have given us an even greater understanding of the complicated ways in which the brain receives, accepts and transmits the millions of stimuli it encounters on a daily basis. One of the most fascinating aspects of these studies is the careful unraveling of the exact magic behind love and attraction. Many people believe that love should remain a mystery and that understanding the how and why will only diminish the extraordinary feelings of romance. On the contrary, by becoming more fully aware of what the brain is doing, the foundation is set for an even greater romantic life because what used to be stumbling blocks can now be transformed to building blocks. This book will share insight and tips on how to make love and intimacy a priority with mindful exercises that will help readers overcome the daily distractions that prevent an intimate connection.

From the New York Times bestselling author of She Comes First and Be Honest—You're Not That Into Him Either comes a revolutionary 30-day program to detoxify and rejuvenate your love life For many of us—whether we're in a relationship or actively dating in the hopes of finding that special someone—our love lives have become a source of toxicity. An authoritative guide to the epidemiology, incidence, testing and diagnosis and management of HIV and AIDS. From an international expert editor and contributor team, this new sixth edition includes expanded coverage of HIV testing, assessment and routine follow up and new chapters outlining problematic conditions associated with HIV and AIDS. Prevention strategies, early diagnosis and antiretroviral drugs and pharmacotherapy are covered in detail as well as children and women with HIV. It also addresses key psychological and mental health issues, patient perspectives and the role of patient engagement. As knowledge into the illness grows and major advances in HIV therapy see more people living with HIV in the community, the ABC of HIV and AIDS, 6e provides clear practical guidance for general practitioners, hospital doctors, nurses, medical students, counsellors, allied health workers and anyone working and caring for patients with HIV and AIDS.
