Superb, inexpensive anthology spans four centuries to include more than 200 inspiring poems by Emily Dickinson, Hilda Doolittle, Edna St. Vincent Millay, Amy Lowell, Marianne Moore, Elizabeth Bishop, and others.

Beautiful early writings by one of the 20th century’s greatest poets on the 150th anniversary of his birth
A Penguin Classic
The poems, prose, and drama gathered in When You Are Old present a fresh portrait of the Nobel Prize–winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as “The Lake Isle of Innisfree” and “He Wishes for the Cloths of Heaven,” as well as Yeats’s imaginative retellings of Irish fairytales—including his first major poem, “The Wanderings of Oisín,” based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Tracing the solitude of the American self, the difference between idolatrous and companionate affection, and the dream of an "America of love," Eric Murphy Selinger shows how such concerns can shape a poet's most intimate decisions about genre and form. His lucid, elegant prose illuminates not only well-known love poets, including Emily Dickinson and William Carlos Williams, but also more unexpected figures, notably Wallace Stevens and Mina Loy. Like the poets he discusses, Selinger refuses to view love reductively. Rather, he takes the impulse to debunk love as part of his subject, whether it crops up in Puritan theology or contemporary literary theory. As he details Whitman's courtship of his readers, weighs the restorations of romance in H. D. and Ezra Pound, and demonstrates the bonds between poets as disparate as Robert Creeley and Robert Lowell, Selinger establishes love poetry as an essential American genre.*

For Eleanor: Your Love Is Eternal

Anne Bradstreet and Her Time

Essential reading for scholars, poetry lovers, and anyone with an interest in Rainer Maria Rilke, German poetry, or the creative impulse, these ten letters of correspondence between Rilke and a young aspiring poet reveal elements from the inner workings of his own poetic identity. The letters coincided with an important stage of his artistic development and readers can trace many of the themes that later emerge in his best works to these messages—Rilke himself stated these letters contained part of his creative genius.

In Feed My Dear Dogs, Emma Richler returns to the life of the Weiss family, first introduced to readers in her debut—and much-celebrated—book, Sister Crazy, through a series of interconnected stories narrated by Jemima (Jem) Weiss. The Weisses are a tight unit of seven: father Yaakov, a gruff sportswriter whose love for his children is manifest in his stern instructions and impromptu boxing lessons; mother Frances, a wise and gentle beauty adored by her family, almost to the point of obsession by her husband; Ben, the most heroic of the siblings, by virtue of birth-order and also for knowing the answer to all questions; Jude, Jem's almost-twin, who is only fifteen months older than she and the most serious of the children, careful to point out the anti-Semitic leanings of Jem's literary heroes; Jem, the narrator, who would prefer to never leave the comforting confines of her family; delicate yet hilarious Harriet, Jem's only sister, who can sound like a little old lady or a sultry vixen, depending on what movie she's quoting; and Gus, the frail little boy who completes the circle at the beginning of the book with his birth and arrival home from the hospital. Feed My Dear Dogs beings with the family in London, where eight-year-old Jem and her sister attend a convent school to the consternation of most of the nuns, since not only are the Weiss children not Catholic, but, most perplexingly, they are half-Jewish. Not surprisingly, Jem prefers home to school. At home she is surrounded by the books she loves, (particularly Tintin and Le Morte d'Arthur) and the comforts only a big, happy family can provide. Soon, however, the family departs for Canada –"Dad's country," as the children see it—where together they begin a new life, shuttling between a Montreal townhouse and a country home, and adapting to their new land –even creating the "Weiss on Ice" hockey team. No matter where the family is, each member is fiercely loyal to home. From the use of short notes: "Out. Back soon. – Jude" to a simple "I'll be up in my room!" yelled down the stairs, to Yaakov's frantic bellowing of "Frances!" through the house, the family keeps close tabs on its members, which also allows Jem to subconsciously control it: ". . . my universe still the Universe, a place I wander with a slight swagger." But the comfort and security of family can't last forever, Jem learns in high school, as Jude plans an extensive travel itinerary for himself and Ben contemplates moving out on his own. Meanwhile, Jem's burgeoning feminism pits her against her father and brothers while she battles with a burden of guilt over the near-drowning death of her youngest brother. Spiraling into a breakdown by the story's tragically beautiful end, Jem discovers that families simply can not remain fixed, like the stars in the galaxies, unchanged forever. Intermingled through the story of the Weiss family are Jem's (and her siblings') encyclopedic knowledge of history, literature, film, religion and language. Richler also interweaves the almost mythic life story of Frances, the family's matriarch, into the book, and provides glimpses into Jem's troubled mind through a series of present-day conversations with her therapist, all of which serve to create a fully drawn portrait of Jem, her mother and the bond between them and the family as a whole.

Inside A Lover's Heart There's Another World, And Yet Another
Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human condition through his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights. "A deeply beautiful book, with the fierce galloping pace of a great novel."—Liz Rosenberg Boston Globe Informed by the death of a beloved brother, here are the stories of childhood, its thicket of sex and sorrow and joy, boys and girls growing into men and women, and who in his dying could teach how to be most alive. What the Living Do reflects "a new form of confessional poetry, one shared to some degree by other women poets such as Sharon Olds and Jane Kenyon. Unlike the earlier confessional poetry of Plath, Lowell, and Sylvia Plath, writing is not so much a moan or a shriek as a song. It is a genuinely feminine form . . . a poetry of intimacy, quietness, honesty, and relation" (Boston Globe).
