The Book of the
Toad

Carol is tired of listening to her bossy toad hat -- until a pigeon carries it away! This delightful picture book from Ooko creator Esmé Shapiro is a quirky and funny fable

Download Free Toad Handbook

about overcoming self-doubt and finding your inner voice. In the big city, people wear all kinds of hats. Not everyone wears a toad as a hat, but some people do . . . and some of those toad hats can be VERY bossy! Carol has always followed

Download Free Toad Handbook

the orders of her demanding toad hat at the expense of her own inner voice. But when her toad hat is plucked away by a pigeon, how will Carol know what to do? After spending so long being told what to eat and do and paint, Carol's not

Download Free Toad Handbook

sure what SHE
wants, and nothing
feels quite right.
Feeling lost, she
creates a new hat --
a toad made out of
pickles and eggs --
to help guide her.
Even though her
new pickle-toad
doesn't make a
sound, Carol can
hear it loud and

Download Free Toad Handbook

clear! But when a
pigeon takes away
THAT hat too, Carol
begins to
understand that
there is a big,
booming voice that
lives inside herself .
. . . and that it's well
worth listening to!
For any reader
who's doubted their
own voice and

talents, or felt like a bossy friend or family member is always drowning them out, Carol and the Pickle-Toad is an inspiring invitation to listen to your own heart and stand on your own two feet -- even better if you're wearing very tall

'Toad', the famous character in Kenneth Grahame's The Wind in the Willows is in a very depressed

state and his good friends Rat, Mole and Badger, are 'worried that he might do something silly'... First they nursed him. Then they encouraged him. Then they told him to pull himself together...

Download Free Toad Handbook

Finally, Badger could stand it no longer. That admirable animal, though long on exhortation, was short on patience. 'Now look here Toad, this can go on no longer', he said sternly. 'There is only one

Download Free Toad Handbook

thing left. You must have counselling!
Robert de Board's engaging account of Toad's experience of counselling will capture the imagination of the growing readership of

Download Free Toad Handbook

people who are interested in counselling and the counselling process. Written as a real continuation of life on the River Bank, Toad and his friends come to life all over again. Heron, the

Download Free Toad Handbook

counsellor, uses the language and ideas of transactional analysis as his counselling method. Through the dialogues which make up the ten sessions, or chapters of the book, Toad learns

Download Free Toad Handbook

how to analyse his own feelings and develop his emotional intelligence. He meets his 'rebellious child' and his 'adult' along the way, and by the end of the book, as debonair as ever

Download Free Toad Handbook

he was, is setting out on a completely new adventure. As readers learn about Toad, so they can learn about themselves and be encouraged to take the path of psychological

Download Free Toad Handbook

growth and development. Best-selling author, Robert de Board says: 'Toad's experiences are based on my own experiences of counselling people over a period of twenty years. Counselling

for Toads is really an amalgamation of the many counselling sessions I have held and contains a distillation of the truths I have learnt from practice.'
