Democratic Vernaculars is a comprehensive, culturally inclusive, and thematically unified history of the communicative, audience-centered rhetorical vernacular that occupies the “ middle range ” of English, bounded on the one side by expressive structure (grammar and linguistics) and on the other by aesthetics (literature). Broadening the history of rhetoric by considering a vast collection of vernacular resources such as elementary grammars and readers, popular guidebooks, textbooks, and rhetorical treatises, this book advances the history of the rhetorical theory and pedagogy since the 17th century by examining ways in which diverse vectors of the rhetorical vernacular coalesced to produce an English language sufficiently idiomatic for practical social exchange while being, at the same time, suitable for higher literary, scholarly, and cultural pursuits. Democratic Vernaculars is essential reading for scholars in rhetoric and the histories of language and education, and can serve as a text for upper-division undergraduate and graduate courses in rhetoric.

The book is a compilation of my first 10 speeches in Toastmasters. These speeches are the 10 projects from the Competent Communicator manual that is given to every new member who joins Toastmasters. This book was written in order to record the work done by me.

You should become a competent speechmaker because that skill is a pathway to all the following: -Conquering a primal fear (of public speaking)-Functioning more effectively in the workplace-Building an impressive reputation in months, not years-Influencing others-Sharing your wisdom and good ideas-Becoming a more successful student-Expanding your circle of friends-Establishing yourself as an equal in your organization If you are a Toastmaster, you can use this book as an instruction manual. It does not conform to the Pathways educational program, but will give you step-by-step-instructions on planning, composing, rehearsing, and delivering any speech. But, you don't have to be a Toastmaster to benefit from this book. The skills, advice, and shared experience apply to speechmaking in real life. The organization of this book follows those four major steps in speechmaking: planning, composing, rehearsing, and delivering. Your reward for following the suggestions and advice in this book is the ability to complete those steps faster and better. The result should be a better speech. The by-product - valuable in its own right - is a set of valuable speechmaking skills, although that is not the main purpose of this book. This book's main purpose is to show you techniques.

The professional standard in the field of project management, A Guide to the Project Management Body of Knowledge better known as the PMBOK® Guide published by the Project Management Institute (PMI®) serves as the ultimate resource for professionals and as a valuable studying and training device for students taking the PMP® exam. A User's Manual to the PMBOK® Guide takes the next logical step to act as a true user's manual. Its accessible format and easy-to-understand language helps to not only distill essential information contained in the PMBOK® Guide—Fourth Edition, but also fills an educational gap by offering instruction on how to apply its various tools and techniques. This book: Defines each project management process in the PMBOK® Guide—Fourth Edition, describes their intent, and discusses their individual ITTOs (inputs, tools and techniques, and outputs) Features examples, handy tips, and sample forms to supplement learning Is written by the author who was project manager of the PMBOK® Guide—Fourth Edition Contains a data flow diagram of each process in the PMBOK® Guide—Fourth Edition to show how information is distributed A User's Manual to the PMBOK® Guide simplifies the PMBOK® Guide—Fourth Edition to provide the springboard from which successful project management processes are interpreted and carried out in the real world. Thorough in coverage and rich in content, this manual is a worthy companion to augment the important strategies laid out in the PMBOK® Guide Fourth Edition—and the one book that aspiring or professional project managers should never be without. (PMBOK, PMI, PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

The gift of mentoring is one of the benefits offered through a Toastmasters International club educational program. If a club has a mentoring program established, this book will stimulate new thinking for consideration. Is a club struggling to meet the expectation of a mentoring program? Mentoring: Value-Based Empowerment offers insights for developing a transformational mentor experience. An essential element of any successful club level mentoring program is to demonstrate the Toastmasters International values of respect, integrity, service, and excellence.

The Toastmasters International Guide to Successful Speaking

Raising a Toast is a compilation of 20 speeches that I had the good fortune of delivering in my journey as a Toastmaster. Most of these speeches have sprung from my personal anecdotes—some funny, some thought-provoking. Few speeches will tell you stories of past and present, of people and places through my eyes. And then, there are a couple of speeches that raise some questions, for you and me to reflect upon. But one common link that binds them all, is the stage of Toastmasters where they found life. Each of these speeches gave me an opportunity—to pen down some burning message inside of me, to share my story to any audience which was willing to listen, to connect with those who took back something from what I had to say. Raising a Toast is a humble attempt to carry these anecdotes, these stories, these questions from the conventional stage to the paperback stage. Written with the sole agenda of reaching out to more souls out there who are willing to listen. And with the hope, that when they read this, they get inspired to share their set of stories with the world.

For many Toastmasters Clubs, one of the biggest challenges in running a successful and productive club is maintaining a constant flow of visitors to attend and join you and your fellow Toastmasters as a member. Members come and members go. Life happens! Your Club membership can quickly change from a healthy charter-strength club to one in danger of losing its Charter. Veteran Toastmaster of over two decades, Rae Stonehouse DTM (Distinguished Toastmaster), PDG (Past District Governor, District 21) has witnessed the cycle several times with his own club Kelowna Flying Solo Toastmasters. Toastmasters are social! Toastmasters are known to be quite social, after-all we are striving to hone our communication skills. Then along comes social media and on-line tools that can increase not only our reach but our productivity. Social media is here to stay! Social media is here to stay, at least until the next "big thing" comes along. Keeping up with what's new, what's hot and what's not could easily turn into a full-time job. And indeed it has for many people as they have created a new career as Social Media Managers. The Power of Promotion! On-line Marketing For Toastmasters Club Growth by Rae Stonehouse flattens the learning curve for anyone who wants to maximize their time spent on-line, without turning it into a full-time job. Rae believes that Toastmasters clubs should be run like businesses and social media platforms provide promotional and marketing opportunities that can help spread the word about one of the world's best kept secrets... Toastmasters. In this easy-to-read, how-to manual, Rae shares his experience with using social media to draw attention to his Toastmasters club and to convert visitors to social media properties to actually visit his club and to join. Sometimes it has worked ... sometimes not!
