This comprehensive guide to the paper-based TOEFL includes three sample practice tests.

HOW IS THIS TOEFL BOOK DIFFERENT? This TOEFL book is different because it uses an integrated vocabulary learning system called recycling. Recycling is simple. Each exercise is divided into four quizzes. Quiz 1, a multiple-choice vocabulary quiz, introduces ten new words. Next, you will do Quiz 2, which is a sentence-completion quiz based on the ten words in Quiz 1. Next, you will do Quiz 3, a spelling quiz. The speaker in the audio will say the same ten words in turn. You will then have ten seconds to spell each word by saying it and typing it. Finally, you will do Quiz 4, which is a 60-word typing test based on the ten new words you have been recycling through Quizzes 1, 2 and 3, plus words, phrases and idioms recycled from previous exercises. **BONUS MATERIAL** Learn essential rhetorical strategies and a test-proven way to develop opinion-based and fact-based TOEFL essays.

"Easy to use and easy to afford, The Little Seagull Handbook is the #1 brief handbook because students say it has a positive impact on their writing. Intuitive organization, color-coding, and jargon-free instruction for common kinds of writing make it a reference tool that student writers truly use. This edition includes new advice for conducting research as it's done online today, new student model essays, and a new chapter on writing summary/response essays"--

The Official Guide to the TOEFL Test

THE DEFINITIVE GUIDE TO PROGRAM MANAGEMENT--FULLY UPDATED AND REVISED Program managers must strike a balance between operations and project implementations in order to develop and maintain a culture in which the components of success are repeatable. The Handbook of Program Management is designed to help you do exactly that. This go-to guide supplies you with the insight and tools you need to establish processes that ensure the success of your project managers--and increase the profitability of your products and services. Fully updated and heavily revised, this new edition helps you incorporate new technologies and people into your processes while delivering improved products and services that continually outpace your competition. The Handbook of Program Management provides critical information from a trusted expert. In addition to the classic chapters on Attributes of the Effective Program Manager, Stakeholder Management, and Portfolio Management Essentials, this updated edition is packed with brandnew material covering: Change management Interfaces How bad projects are stopped or postponed How consultants and subcontractors should be used Program performance analysis The role of governance Avoiding the complicated theories and phantom quick-fixes you'll find in other books, The Handbook of Program Management offers straightforward, actionable methods for establishing a highly effective project management culture: one with integrity, energy, and full stakeholder support. Nowhere else will you find such comprehensive, authoritative information on creating successful program management outcomes. The author takes you on the entire journey, from strategically creating a program culture, to building effective relationships, and to analyzing ways of accomplishing your program objectives. The Handbook of Program Management is essential reading for program managers of all levels, whether you're a novice seeking certification in the field or an executive looking to build a flexible organization that can support dynamic on-going product development. Praise for the previous edition of The Handbook of Program Management: "Brown's book captures the essential skills of program and project management. It serves as a 'how to' guide for those entering the business, as well as a refresher on the skills and attributes for those ready to take the next step. The book effectively defines the leader's role in creating the team culture and environment for success." -- Eugene F. Kranz, Apollo 13 Flight Director, author of Failure Is Not an Option, and retired Director NASA Space Operations "Program management is one of the toughest jobs a person can hold...and James Brown knows Program Management. Here's a chance to learn from the scar tissue of others rather than your own." -- Norman R. Augustine, retired Chairman and CEO, Lockheed Martin Corporation "Finally, a pragmatic book that shares the secrets behind successful program management. If I was giving one book to program managers, this would be it! Any business leader in today's environment of accelerating change will benefit from this book." -- Jack Cooper, former CIO, Bristol-Myers Squibb
