dead, long live King Bauchelain the First, crowned by the Grand Bishop Korbal Broach. Both are, of course, ably assisted in the running of the Kingdom of Farrog by their slowly unravelling servant, Emancipor Reese. However, tensions are mounting between Farrog and the neighboring country of Nightmaria, the mysterious home of the Fiends. Their ambassador, Ophal D Neeth Flatroq, seeks an audience with King Bauchelain, who has thus far rebuffed his overtures. But the necromancer has some other things on his plate. To quell potential rebellion nearly all the artists, poets, and bards in the city have been put to death. A few survivors languish

The Sixth Book of the epic Malazan Book of the Fallen from bestselling author Steven Erikson. In The Bonehunters, in the ever decimating Malazan Empire, a war is brewing between mortal and immortals, gods and mages, that will decide once and for all who shall exist and who shall perish. The Seven Cities Rebellion has been crushed. Sha'ik is dead. One last rebel force remains, holed up in the city of

Y'Ghatan and under the fanatical command of Leoman of the Flails. The prospect of laying siege to this ancient fortress makes the battle-weary Malaz 14th Army uneasy. For it was here that the Empire's greatest champion Dassem Ultor was slain and a tide of Malazan blood spilled. A place of foreboding, its smell is of death. But elsewhere, agents of a far greater conflict have made their opening moves. The Crippled God has been granted a place in the pantheon, a schism threatens and sides must be chosen. In war everyone loses. This brutal truth can be seen in the eyes of every soldier in every world... In Letherii, the exiled Malazan army commanded by Adjunct Tavore begins its march into the eastern Wastelands, to fight for an unknown cause against an enemy it has never seen. And in these same Wastelands, others gather to confront their destinies. The warlike Barghast, thwarted in their vengeance against the Tiste Edur, seek new enemies beyond the border and Onos Toolan, once immortal T'lan Imass now mortal commander of the White Face clan, faces insurrection. To the south, the Perish Grey Helms parlay passage

Tormented by questions, the army totters on the edge of mutiny, but Adjunct Tavoire will not relent. One final act remains, if it is in her power, if she can hold her army together, if the shaky allegiances she has forged can survive all that is to come. A woman with no gifts of magic, deemed plain, unprepossessing, displaying nothing to instill loyalty or

confidence, Tavore Paran of House Paran means to challenge the gods - if her own troops don't kill her first. Awaiting Tavore and her allies are the Forkrul Assail, the final arbiters of humanity. Drawing upon an alien power terrible in its magnitude, they seek to cleanse the world, to annihilate every human, every civilization, in order to begin anew. They welcome the coming conflagration of slaughter, for it shall be of their own devising, and it pleases them to know that, in the midst of the enemies gathering against them, there shall be betrayal. In the realm

of Kurald Galain, home to the long lost city of Kharkanas, a mass of refugees stand upon the First Shore. Commanded by Yedan Derryg, the Watch, they await the breaching of Lightfall, and the coming of the Tiste Liosan. This is a war they cannot win, and they will die in the name of an empty city and a queen with no subjects. Elsewhere, the three Elder Gods, Kilmandaros, Errastas and Sechul Lath, work to shatter the chains binding Korabas, the Otataral Dragon, from her eternal prison. Once freed, she will rise as a force of devastation, and against her no mortal can stand. At the

Return of the Crimson Guard

After decades of internecine warfare, the tribes of the Tiste Edur have at last united under the Warlock King of the Hiroth. There is peace--but it has been exacted at a terrible price: a pact made with a hidden power whose motives are at best suspect, at worst, deadly. To the south, the expansionist kingdom of Lether, eager to fulfill its long-prophesized renaissance as an Empire reborn, has enslaved all its less-civilized neighbors with rapacious hunger. All, that is, save one--the Tiste Edur. And it must be

only a matter of time before they too fall--either beneath the suffocating weight of gold, or by slaughter at the edge of a sword. Or so destiny has decreed. Yet as the two sides gather for a pivotal treaty neither truly wants, ancient forces are awakening. For the impending struggle between these two peoples is but a pale reflection of a far more profound, primal battle--a confrontation with the still-raw wound of an old betrayal and the craving for revenge at its seething heart. Ascendancy trilogy--a prequel story set in the New York Times bestselling Malazan Empire series--co-created by Steven Erikson. The incessant war between the bickering city states of Quon Tali rages. So engrossed are the warring lords and princes in their own petty feuds that few notice that an upstart mage from Dal Hon has gained control of the southern seas. Kellanved could not care less about any of this petty politicking or strategy or war. Something other and altogether more mysterious has caught his attention and he - together with a reluctant and his decidedly skeptical friend Dancer - traverse continents and journey through the

It involves the Elder races themselves, and more alarmingly, the semi-mythic Army of Dust and Bone. Surely no one in their right mind would be so foolish as to embark on a journey from which none have returned? Well, no one except Kellanved. Path to Ascendancy #1 Dancer's Lament #2 Deadhouse Landing #3 Kellanved's Reach
