

Top Notch 2 Teacher Edition

Top Notch is a dynamic communicative course that creates an unforgettable English learning experience. It helps develop confident, fluent English speakers who can successfully use the language for socializing, traveling, further education and business.

The “strikingly original” debut novel by the masterful British author is “a perfect adventure” of love and smuggling on the English coast (The Nation). Francis Andrews is a reluctant smuggler living in the shadow of his brutish father’s legacy. To exorcise the ghosts of the man he loathes, Andrews betrays his colleagues to authorities and takes flight across the downs. It’s here that he stumbles upon the isolated cottage of a beguiling stranger named Elizabeth—an empathetic young woman who is just as lonely, every bit the outsider as he, and reconciling a troubling past of her own. Andrews, a man on the run from those he exposed, believes he’s found refuge and salvation. But when Elizabeth encourages him to return to the courts of Lewes and give evidence against his accomplices, the treacherous and deadly repercussions may be beyond their control. “The ultimate strengths of [Graham] Greene’s books is that he shows us the hazards of compassion,” a theme that would find its earliest expression in *The Man Within*, his first published novel (Pico Iyer).

Four Corners is an integrated four-skills English course for adults and young adults. Four Corners Student's Book A with Self-study CD-ROM, Level 3 is designed for low intermediate students requiring a thorough presentation of basic grammar, vocabulary, and functional language. Units 1-6 cover high-interest topics such as style, interesting lives, our world, personalities, and the environment. In Four Corners, multiple speaking activities in every lesson tied to measurable outcomes help students and teachers see the results of their learning. Additional 'Keep Talking' activities help students develop fluency. As with other levels of Four Corners, an extensive set of print and electronic course components is available to help develop students' communication and confidence.

is a dynamic course for international communication with the flexibility to fit any teaching situation. It sets a new standard, using the natural language that people really speak.
