

## Top Notch 2 Unit 1 Answer

is a dynamic course for international communication with the flexibility to fit any teaching situation. It sets a new standard for natural language that people really speak.

Textbooks are indispensable components and in some case the cornerstones of the mission of English Language Teaching. However, they are artefacts of a pedagogical culture that rarely echo the concerns of their most prolific consumers, students. This book offers a useful framework for evaluating ELT textbooks from a critical discourse perspective; one grounded in sound current research but also offers practical guidance to teachers. Building from a foundational understanding of discourse, the author presents a systematic procedure to critically analyze their multimodal discourse, examine how those discourses are negotiated between teachers and students in class, and measure how those consumers privately value the lessons. The book provides teachers with the tools they need to select and adapt materials based on critical multimodal discourse analysis, which includes not just text but the pictures, websites, audio, visual elements too are subjected to a process which can reveal underlying ideological assumptions, omissions and reifications. The triangulated approach, demonstrated in a series of vignettes featuring university students and native-English-speaking instructors, can inform textbook choice, instigate change, and inspire contextualization to best suit the needs of its primary consumers.

Top Notch TV: The Complete Series, by Joan Saslow and Allen Ascher, is an exciting, new four-level video program that brings authenticity and fun into the classroom. We don't belong together. I should have never seen him again after our first night together. But I crave him. I'm addicted to him. He is my dark pleasure. Mr. Black is Aiden. Aiden is Mr. Black. Two sides of the same person. Aiden is kind and sweet. Mr. Black is demanding and rule-oriented. When he invites me back to his yacht, I can't say no. Another auction. Another bid. I'm supposed to be his. But then everything goes wrong.... Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - Dancer in the Dark "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning. ***Clint Emerson, retired Navy SEAL and author of the bestselling 100 Deadly Skills, presents an explosive, darkly funny, and often twisted account of being part of an elite team of operatives whose mission was to keep America safe by whatever means necessary. Clint Emerson is the only SEAL ever inducted into the International Spy Museum. Operating from the shadows, with an instinct for running towards trouble, his unique skill set made him the perfect hybrid operator. Emerson spent his career on the bleeding edge of intelligence and operations, often specializing in missions that took advantage of subterfuge, improvisation, the best in recon and surveillance tech to combat the changing global battlefield. MacGyvering everyday objects into working spyware was routine, and fellow SEALs referred to his activities simply as "special shit." His parameters were: find, fix, and finish—and of course, leave no trace. The Right Kind of Crazy is unlike any military memoir you've ever read because Emerson is upfront about the fact that what makes you a great soldier and sometimes hero doesn't always make you the best guy—but it does make for damn good stories.***
