A mouse searches for his lion friend. On board pages.

A horse finds other horse friends in this photographic board book.

Covering every horsey topic children could possibly want to explore - from discovering the different horse and pony breeds, to understanding how different cultures live with horses, and finding out exactly how horse-lovers ride these magnificent animals - DK's Horses & Ponies is the first-stop for all equine knowledge. With the help of this photographic guide, any horse-

Read Book Touch And Feel Ponies Touch Feel

lover can become a genius in identifying the many different horse and pony breeds. They will find out about all the useful ways horses are a part of our lives across different cultures, from transportation to sports to ceremonies, and even their role in police work. This book will answer all those questions that may be burning in the minds of horse-mad kids, including: What's the difference between horses and ponies? Along the way, young readers will learn how to take care of their equine friends.

There ' s a new horse on the farm! He was just born yesterday, but he already weighs 100 pounds and can stand all by himself. Kids will love following this little colt through his first two years of life in this very young nonfiction Pictureback that ' s simple and fun enough to be read as a story. Young horse enthusiasts will

From a renowned horsewoman and gifted storyteller comes this groundbreaking new book that explores a powerful relationship like no other: the magical kinship between women and horses. Drawing from myth and literature, the

Read Book Touch And Feel Ponies Touch Feel

author's own experiences, and interviews with countless women, we learn, through women's deeply personal stories, how horses enrich our lives and connect us to nature—making us readers of rhythm and invisible signs, helping us harness our youthful sexuality, sharing the “horsepower” we need to reach our dreams. And here we see how, for thousands of years, the deep kinship between women and horses has connected us to our most intimate feelings of delight, helped us learn to solve problems, and set our creativity free. From the poetry of Geoffrey Chaucer to the fiction of Jane Austen to folktales from around the world, *She Flies Without Wings* uses great literature and myth to encompass a wide spectrum of beliefs and perspectives—and creates a true celebration of speed, air, and the spectacular animal that connects us with
