The Green Travel Guide is the travel guide for the future. It tells us how to travel without destroying the very places we want to visit. Written by Greg Neale, environment correspondent for The Sunday Telegraph, it is packed with practical advice for travellers. The second edition includes a whole new section on how to take different kinds of activity holidays, from wildlife watching and conservation to heritage, sports and back-to-the-land holidays. For each of them, detailed tips are given on how to minimise the environmental damage and the social disruption that travel and tourism so often bring. The guide to each area of the world and the listings of award-winning organisations and useful contacts have all been expanded and brought up to date.

Let us guide you on every step of your travels. God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, A Walk in the Woods will add a whole new audience to the legions of Bill Bryson fans.
