Master the game of Mahjong with this must-have game strategy guide for Mahjong beginners and enthusiasts. Originally played with cards, and then piece carved from ivory or bamboo, the Chinese game of Mahjong or "Mah Jongg" is well over a thousand years old. Said to have originated in the court of the Emperor of Wu, for centuries Mahjong remained a diversion exclusively for the royal class of China. Mahjong has been called "the game of a hundred intelligences." When played by experts it can be fast and subtle—even difficult to follow. A Mah Jong Handbook is the all-comprehensive Mahjong guide, offering a clear and concise introduction to the classic Chinese, Western, and Japanese rules of the game and outlining its many variants. A great way to learn Mahjong—it presents the complex rules in a clear format, introducing those unfamiliar with the game to its rules and techniques. It will also allow more experienced players to expand their understanding of winning strategy quickly. Part One covers the rules of the game. Part Two provides alternatives, variations, and additions to the game. Part Three explores the fundamentals of successful strategy. With illustrations of sample hands, scoring charts, and a glossary of terms, A Mah Jong Handbook is an invaluable resource—a complete guidebook to the ancient but always fascinating game of Mahjong. This Mahjong guidebook includes: 176 page, full-color book Play basics like scoring, wall-building and rules Essential tools to improve and enhance game-play skills Winning strategies to be on the offensive and play defense Tips to master the game through actual examples and scenarios A Mah Jong Handbook is the book that readers will need to become a knowledgeable, confident and winning Mahjong player.

War Dogs Volume 14 in the Draoi the Saga Leonardo Carzoli and Sruthan have a strange relationship. Leo is a primitive ulfheonar shifter who was born as a Druid king. When he shifted he imprinted on the red dragon Sruthan and made him the lord of the dog. That was seven centuries ago at a lonely moor castle. Living as businessmen in Phoenix, Arizona in 2016 may have hidden the immortal shifters and cast a normal veneer over them, but it has not altered the past nor who and what the two men are. When Leo finds everything in a woman working at a local coffee shop, Sruthan offers to help him win her. Leo makes a serious mistake, but when Valerie is abducted the chase to save her is on. Sruthan finds the greatest treasure suffering in the house of horrors to which they tracked Valerie. The stakes in the game are raised again when the magic begins calling the dragon to serve and he nearly collides with other dragons that are scouting the house for Draoi the on a mission to rescue an underking's friends. Rescuing their mates is only the beginning. As Luke wants no loose ends and all of Peter Elliot's men rounded up, Leo and Sruthan are only too happy to aid their new home in their quest for vengeance. Let the hunt and chase begin! The text introduces Dr Manaka's major clinical and theoretical accomplishments by describing how the 'X-signal system' is the foundation of human topography, function, and response. In essence, the X-signal system defines qi, yin-yang, and the five phases as clinical events, rather than as abstract theories. The text gives Western readers the first complete description of this treatment system.

The unputdownable second half of New York Times bestselling author G.A. Aiken's wildly funny, hot and unmistakably kick ass Dragon Kin series. The Dragon Who Loved Me Rhona the Fearless must fight alongside uncivilized male Northland dragons who think a female is only good for breeding. But only fools would try to stop her from doing what she does best—destroying the enemies of her kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do is stay out of her way . . . How to Drive a Dragon Crazy Izzy thought she was finished with the one dragon she'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who wants to protect her from danger. That's fine with her, because while she's trying to fulfill a ridiculous quest for a pushy god, she'll draw the overconfident warlord in and rekindle his smoldering fires . . . Light My Fire Celyn the Charming has direct orders from his queen to protect Elina Shestakova of the Black Bear Riders of the Midnight. Gods! That endless name! Worse still, this unforgiving female is completely unimpressed by Celyn. How is that even possible? Especially when he is just so damn charming? Feel the Burn Gaius Domitus, the one-eyed rebel dragon king, must fight off half of his ungrateful family on a regular basis to keep law and order in his lands. But he never expected to have to consort with a barbarian human woman. Kachka may be beautiful and fierce, but the feared Daughter of the Steppes has no time for foolish dragons. Though she may have a thing for his eyepatch . . . Bring the Heat Aidan the Divine is also a delight, cheerful, charming, and a royal warrior who is extremely handsome with a very large and well-hidden hoard of gold. And yet, Branwen the Awful—a low-born, no less—either tells him to shut up or, worse, ignores him completely. But if they're going to win the war, they're going to have to fight side by side . . . Dragon on Top Ghleanna the Decimator knows no fear, no pain, and no mercy. She does, however, know acute embarrassment! Especially after getting dumped by a bastard dragon in front of her own troops. All she wants to do is sulk in her cave but Her Majesty has ordered her to escort Bram the Merciful through dangerous territories—not exactly the best use of her military training. Then again . . . Bram is quite easy on the eyes . . . Draoithe: The Ruirí Complete Volume 5 Griz was lost. Waking up in a soft bed to find everything sleeping next to him after the nightmare he had just endured left him lost. When she screamed, bringing a lot of men into the room to look at her, it messed with the bear's possessive nature over his mate. Worse, there was something wrong with his magic that along with the fact that he felt as hungry as a bear needing to hibernate made him grouchy and short-tempered. Melody had gotten help, and the men at Draoithe had rescued him. When a dragon tried to reach for her, murder was already on his mind. When the shifters chastised the dragon instead of him for killing He finally realized he might have landed in a good place. That was about the same time he realized he needed to claim his mate and apologize to the dragon he had murdered on the lawn. Griz

The clan won't let me love a human. I'm the alpha of my dragon shifter clan, and I'm bound by duty. It doesn't matter that Skye's my fated mate. She's human. They won't accept her. I won't accept anyone else. She was my best friend when we were young. I've loved her since I was a teenager. But I've done my best to keep my distance, for the good of the clan. Enough. I'm the alpha now and I'm done waiting. I want Skye as my mate. My clan will have to live with it. Anthony is not the boy who broke my heart. I haven't seen Anthony since I was sixteen. He was my best friend, but I don't remember him being this hot. Anthony filled out. I've been burned by relationships before, and I'm not about to fall into one with him. Especially since we're working together. And with his track record. We have a second chance to start something we missed out on as kids. But I'm not sure I'm ready to risk my heart again. Yet there's something about Anthony that makes me want to take the risk. Is potential heartbreak worth it for a chance at true love? The Dragon's Tattoo is a 65,000 word dragon shifter romance featuring fated mates who were separated young but are ready to take a second chance at love after reuniting in the workplace.

with definition, example, guidelines and a place for students to write their own poems! Master teacher and poet, Greta Barclay Lipson, shows the power of language and how to use it with these poetic forms. Diagnosed with an incurable disease, she thought her life was over. When she is sacrificed to a dragon, she learns it has only just begun... The day Chrysanthemum Jones goes to exact revenge on the man responsible for her sister's death is the day she knows will be her last. Instead, she finds herself stolen away to another dimension and sacrificed to a real live dragon. Rather than a cave full of gold, this dragon's lair is a throwback to the 1980's complete with pixelated video games, unwound VHS tapes, and animal print spandex. And the mythical creature in question is totally more sex on a stick than Smaug. Schweet! As one of the last dragon shifters beyond the Veil, Corun is desperate to control the beast inside of him. The only thing guaranteed to keep the dragon under control is the surrender of a human female. But sacrificial offerings have been in short supply since his realm was cut off from Earth—something or other about women's liberation? So when a sacrifice turns up on his doorstep, Corun should be elated. But as totally tubular as Chryssie's curves are, her health is fragile and he fears she wouldn't survive the claiming that would soothe his beast. Death has never bothered Chryssie. With an incurable, hereditary disease, she's been prepared to die her whole life. Now she has a chance to lose her V card and birth dragon babies before she goes? Talk about bad ass exits. Count her in! She just needs to get her sexy dragon shifter on board and in bed. As Corun becomes more attached to his sassy little human, his beast roars that Chryssie is his and pushes to claim her. If he doesn't claim her and soothe the beast inside of him, he will become stuck in dragon form for the rest of his life. However, if he does claim her, the birth of his offspring could be the last day of her life. If you love alpha male shifters, fated mates, and steamy romance with a touch of 80's nostalgia, then you don't want to miss *The Last Dragons* series!

In the *Laidley Hundreds*, dangerous wild dragons roam the Highlands. But dragons aren't born bad - just naughty! BOOK ONE In order to pay for her father's life-saving cancer treatment, Holly Anderson offers herself up as a sacrifice and sells the vial of dragon's blood. In return, she will try to bear a Scottish dragon-shifter a child. While the dragonman assigned to her is kind, Holly can't stop looking at his twin brother. It's going to take everything she has to sleep with her assigned dragonman. If she breaks the sacrifice contract and follows her heart, she'll go to jail and not be able to take care of her father. Even though he's not ready to settle down, Fraser MacKenzie supports his twin brother's choice to take a female sacrifice to help repopulate the clan. Yet as Fraser gets to know the lass, his dragon starts demanding something he can't have—his brother's sacrifice. Holly and Fraser fight the pull between them, but one stolen kiss will change everything. Will they risk breaking the law and betraying Fraser's twin? Or, will they find a way out of the sacrifice contract and live their own happily ever after? =====Keywords: dragon shifter romance, dragon romance, paranormal romance, Scottish alpha hero, strong heroine, humor, action, Scotland, coming of age, Stonefire Dragons, Lochguard Highland Dragons

Sacrificed to a dragon as a teen, she was coddled for years. But when her dragon shifter fails to notice she's all grown up and willing, she may just have to claim him herself. Since she was dropped on his doorstep, Cardi has had the hots for Kimber. Despite prancing around him in her off-the-shoulder shirts that showcase her bare midriff and her assortment of tight skorts that showcase her shapely thighs, he doesn't take much notice of her. Kimber may have marked her as his, but he has yet to claim her by bopping her brains out. Cardi's done waiting. Now she's sure it's time to resort to drastic measures. Kimber has his hands full with the upcoming Accords which aims to bring shifters to a peaceful agreement to get the Valkyrie to lift the ban of sacrifices coming into the Veil. The trouble is, his own sacrifice continues to act like a child and demand his attention at every turn. When grounding Cardi doesn't work, she drops a bombshell by dumping Kimber. It seems like a perfect solution as the peace and quiet settles in... but then Kimber comes to understand that being dumped means she's going to date other shifters. Their break up puts the Accords in jeopardy when Kimber has to abide by the new rules; rules that say a sacrifice makes her own choice of mate. With Cardi now a free agent, Kimber isn't so sure she'll choose him in the end. If he can't win her back, and he resorts to ripping out the throats of the shifters sniffing around her, the fragile peace he's cobbled together will turn to chaos. If you love alpha male shifters, fated mates, and steamy romance with a touch of 80's nostalgia, then you don't want to miss The Last Dragons series!

Only for those I love would I traipse into the merciless Northlands to risk life, limb, and my exquisite beauty. But do they appreciate it? Do they say, "Gwenvael the Handsome, you are the best among us--the most loved of all dragons?" No! For centuries my family has refused to acknowledge my magnificence as well as my innate humility. Yet for them, and because I am so chivalrous, I will brave the worst this land has to offer. So here I stand, waiting to broker an alliance with the one the Northlanders call The Beast. A being so fearful, the greatest warriors will only whisper its name. Yet I, Gwenvael, will courageously face down this terrifying. . . woman? It turns out the Beast, a.k.a. Dagmar Reinholdt, is a woman--one with steel-gray eyes and a shocking disregard for my good looks. Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed. Who better than a dragon to thaw out that icy demeanor? And who better than a beast to finally tame a mighty dragon's heart? "Sexy and outrageous humor." --Romantic Times I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail's length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and, finally, when the trap is set, bring him to his knees. I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside

So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn't need it--namely me--I'll let him. Because while I'm trying to fulfill a ridiculous quest for a pushy god, I'm going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat. . . He was just a top student in the veterinary medicine department from the Agricultural University. Before he could even realize his dream, on a stormy night, he was' summoned 'to another world by a certain Dragon King. From then on, the cute little dragon and the sick magical beasts all flocked to him ...

\*\*This isn't a stand-alone story. Please read at least Healed by the Dragon (Stonefire Dragons #4) first. I would highly suggest reading the other books in the Lochguard series as well.\*\* For Finlay Stewart, being a dragon-shifter clan leader is easy compared to managing his family... Finn is trying his best to work and protect his clan on little sleep; having triplets is his toughest challenge to date. But with his mate, Arabella, at his side, he finds a way to manage. However, as things start to spiral out of control with a pregnant cousin, another cousin constantly containing a mate-claim frenzy, and another driving his eight-months'-pregnant mate crazy, Finn's next mission is to find a way to ensure everyone behaves and toes the line. The only problem is that the MacKenzies are a stubborn lot and Finn may be in over his head. However, as Finn soon finds out, his wild cousins are nothing compared to the latest surprise to show up on his doorstep. It's going to take every bit of wit and charm he possesses to keep his family safe and together. Failure simply isn't an option.

I've spent years as the dragons' plaything; something to be tortured, experimented on, and used in the worst of ways. But my salvation comes in the form of three identical faces, betraying their own kind. They'll gamble their lives committing

treason to hide me, but I'll risk everything to keep them safe. Yet no matter how far I run, I can't truly escape. Something's changing, and the triplets are the key. I'll be their ruin if stay, but they'll be mine if I don't leave. I have to run, and once I start, I can never stop. In a world where monsters don't fear the light, there's nowhere left to hide. Contains:

\*Overprotective triplets \*Prank wars \*Men that adore her \*Multi POV This is a humorous, HFN standalone, 18+ RH dragon shifter romance with darker themes. (PLEASE see note at bottom) Both books in this universe are HFN standalones that can be read independently, though to appreciate all of the cameo references, you may want to start with Forged from the Ashes. This means that I will wrap things up with our main characters' story, but leave an opening into bigger world problems. This book is more romance focused, and it's just not their job to fix the whole world. PLEASE NOTE: This book is meant to be a tale of finding your inner strength and healing, to learn how to laugh again after being trapped in the darkness for so long. While I would love for you to read my work, I encourage you to read the warning at the beginning of the book. (None of the traumatic events are described in detail, but they ARE referenced.)

Wyvernwood, a deep and mysterious forest in the land of Engmar, is the last known refuge for the descendants of the great and majestic dragons that once ruled the skies. And with them have come most of the remaining mythological and magical creatures of the world. But there is no stopping the encroachment of Men. It is clear to all the creatures of Wyvernwood, that if they are to survive, a new refuge must be found. Lost in the dangerous outer world, prophecy says, are three ancient artifacts: the Diamond Dragon, the Glass Dragon, and the Heart of All Dragons. When the three are united once again, they will point the way to a new home. Harrow, Chan, and Luna are three young dragon triplets. Prophecy says that one of the three will rise to lead the dragons to a new home--but which one?

I have a secret. Darkness exists. I try to hide, but where can I go when it lives inside me? On the run from those who want to kill me, I've made an uneasy alliance and found a new home. Everything is going just fine until a coven of witches walk into the pub where I work. Broody, sexy, and scary as hell, I'm determined to avoid them, no matter how much attraction sizzles between us. But Ezra, Alexander, Jason, and Benjamin have no intention of leaving me alone. They're the council's finest hunters, and they recognize the darkness that lives inside me, even if they don't know what it is. They're in town on a mission and agree to hold off turning me in.

Which means I have limited time to convince them I'm not a bad person. The darkness inside me is growing, though, and when it breaks free in public, I'll be forced to face the consequence. The only question is, can I trust these men who I feel a bond with, or will it lead to my destruction? p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Helvetica} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Helvetica; min-height: 14.0px}

There's good news and bad news. The good news is I'm still alive. The bad news is that three deadly titans want to destroy the world, and they're more powerful than ever. Oh, and I have to stop them

**Basil's kind of a shithead. But he's a shithead trying to save Talia, his imprisoned love. Or, he is now, after spending a good ten years whoring around bars and clubs all across America. The means to save her just happen to include killing a few innocent people, screwing over friends, manipulating some triplets, and shoving five souls into a bewildered dead girl's head whilst betrothing her to a crazed Rat King. There are worse people though. Like King Frederick, an incestuous cannibalistic bastard more obsessed with fucking his sisters or drinking mustard wine than he ever was with Talia. But he's a king. And Basil's a thief. So it really doesn't matter if Frederick uses her as a chamber pot or a jester; she is his. In order to get her back, and (he supposes) save the poor people in the Kingdom of Surrcoaits from the King, Basil must go back to America for a few triplets...and a dragon. All this while he tries to appease animal gods, kill ancient trickster mice, and outrun a horde of tentacle like monsters called the Turuthi.**
