Librarian Kathleen Paulson and her inquisitive cats find themselves in a jam when a musician turns up dead, in the newest installment of this New York Times bestselling series. It's summer in Mayville Heights, and Kathleen Paulson and her detective boyfriend, Marcus, are eager to attend the closing concert of the local music festival. The concert is a success, but then one of the band members is discovered dead shortly after it. At first it's assumed the death is a robbery gone wrong, but Kathleen suspects foul play—and she's certain that she, along with her trusty side-cats, Owen and Hercules, can help solve the murder. Before his death, Kathleen had noticed the victim in the library researching his genealogy, and when she and Marcus take a closer look at the man's family tree, they begin to think a previous death of one of his relatives now seems suspicious. The more Kathleen thinks about it, the more this murder feels like it could be an encore performance. Kathleen and her cats will need to act fast and be very careful if they want to stay off of a killer's hit list.

A FREE PRELUDE TO THE FIFTH VITAL Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him—the last flicker of hope—began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is the prelude to his story. Here is Robert Alvarado's second collection of pin-up photography. Relying on the subtlest of costuming, which goes a long way to add color, texture, humor, and homage to his images, Alvarado uses this collection to focus more on the female form. As with all of his photography, Alvarado uses innovative techniques in these 145+ pin-up nudes to blur the line that distinguishes a photograph from an illustration. With these techniques, his nod to Alberto Vargas, Gil Elvgren, and other pioneering pin-up artists is clear. But the themes, models, and styling in these alluring and luscious images are also steeped in today's popular culture. From the heavily inked and stilettoed to the sexy Storm Trooper and the traditional innocence of the girl next door, Alvarado's images show the breadth of his creativity and the beauty of his models

Legendary porn star Nina Hartley's guide to thrilling, liberating, mind-blowing, soul-fulfilling, and intimacy-building sex! Witty, smart, and frankly provocative, Nina Hartley knows sex. As a sex performer, sexual adventurer, and sex educator, she's done the fieldwork and has taken extensive notes. Now, she's ready to share her research. Let's just say that she's had all the sex—the good, the bad, and the indifferent—so you won't necessarily have to! Nina Hartley's Guide to Total Sex is for sexual pioneers and enthusiastic novices.

Unabashedly erotic, the book covers a lot of territory, allowing readers to sample the whole smorgasbord or just nibble at what they see as the choicest bits. To start things off, Nina includes explicitly detailed chapters on foreplay, oral sex, masturbation, toys, and games.

Sexual adventurers (and voyeurs) will find chapters on swinging, three-ways, anal sex, erotic domination, sensual submission, and much more. Nina is a strong advocate of safe sex, physically and emotionally, and she helps readers establish personal ground rules.

But as a sexual liberationist and a feminist, her core belief is that, between consenting adults, all sexual behaviors are a matter of personal choice. Whether you're trying to reignite the passion with a longtime spouse, or explore new terrain with a new lover, Nina offers a variety of ideas to achieve exhilarating, deeply satisfying, intimate, and profoundly liberating sex.

A profound and moving journey into the heart of Christianity that explores the mysterious and often paradoxical lives and legacies of the Twelve Apostles—a book both for those of the faith and for others who seek to understand Christianity from the outside in. "Expertly researched and fascinating... Bissell is a wonderfully sure guide to these mysterious men.... This is a serious book about the origins of Christianity that is also very funny. How often can you say that?" —The Independent Peter, Matthew, Thomas, John: Who were these men? What was their relationship to Jesus? Tom Bissell provides rich and surprising answers to these ancient, elusive questions. He examines not just who these men were (and weren't), but also how their identities have taken shape over the course of two millennia. Ultimately, Bissell finds that the story of the apostles is the story of early Christianity: its competing versions of Jesus's ministry, its countless schisms, and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Bissell embarks on a years-long pilgrimage to the supposed tombs of the Twelve Apostles. He travels from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan, vividly capturing the rich diversity of Christianity's worldwide reach. Along the way, he engages with a host of characters—priests, paupers, a Vatican archaeologist, a Palestinian taxi driver, a Russian monk—posing sharp questions that range from the religious to the philosophical to the political. Written with warmth, empathy, and rare acumen, Apostle is a brilliant synthesis of travel writing, biblical history, and a deep, lifelong relationship with Christianity. The result is an unusual, erudite, and at times hilarious book—a religious, intellectual, and personal adventure fit for believers, scholars, and wanderers alike.

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. 'The actual facts are so simple. I love you. You love me. You love Otto. I love Otto. Otto loves you. Otto loves me. There now! Start to unravel from there.' Design for Living is a wickedly witty dark romantic comedy by Noel Coward. Initially banned in the UK, this provocative play portrays three amoral, glib and stylish characters and their hopelessly inescapable, if also unconventional, emotional entanglement. From 1930s bohemian Paris to the dizzying heights of Manhattan society, a tempestuous love triangle unravels between a vivacious interior designer, Gilda, playwright Leo and artist Otto - three people unashamedly and passionately in love with each other. They are trapped in what Coward called 'a three-sided erotic hodge podge.' With Coward's trademark piquant style, this lively, funny but also atypical play looks at dazzling, egotistical creatures and their self-destructive dependence on each other. Exploring themes of bisexuality, celebrity, success and self-obsession, Design for Living is a stylish and scandalous comedy.
