

Tutti Buoni Arriva Mommotti Il Trenino Verde

This daring work, set in Cagliari, the capital of Sardinia, weaves together two very different scenarios. In one scenario, conveyed by text and telephone messages or emails, the enigmatic journalist, Em, unaccountably endures a humiliatingly exploitative sexual relationship with her younger male lover, Davide, a law student with political ambitions who is already engaged to another woman. In the other scenario, young Edmondo, called Mondino, a member of a working-class suburban drug-running gang, tries his hand at describing how he and his mates, led by the charismatic hero Simone and his equally glamorous girlfriend, Michela, called Mikita or Miki, with whom Mondino is hopelessly in love, want to save the world from wage-slavery. Startlingly written, this book presents a shocking new Sardinia, a long leap beyond the ongoing tradition of tales of brigandage and mayhem in the mountains, and into hypothetical presents and futures.

New London of 2921 is a crowded, filthy slime-pit awash with Death-Juice junkies, Latin-spouting armored fascists, exploding nuns and a religious cult who worship Bing Crosby's left testicle. It's also home to ultra-violent, foul-mouthed private eye Johnny Nemo Ð a streetwise PI who deals in death and simple solutions to complex problems. The classic, remastered collection features never-before-seen art and is the crowing glory of award-winning writer, Peter Milligan (All-New Doop, Hellblazer, Shadowman) and illustrators Brett Ewins (Bad Company, Skreemer).

At precisely nine o'clock, as he did every evening, Don Sebastiano Sanna Carboni pushed back his armchair, carefully folded the newspaper which he had read to the very last line, tidied up the little things on his desk, and prepared to go down to the ground floor... Around the turn of the twentieth century, in the isolated Sardinian town of Nuoro, the aristocratic notary Don Sebastiano Sanna reflects on his life, his family's history and the fortunes of this provincial backwater where he has lived out his days.

Imagine that some people have the power to affect your thoughts and feelings when you read, or they read a book to you. They can seduce you with amazing stories, conjure up vividly imagined worlds, but also manipulate you into thinking exactly what they want you to. When Luca Campelli dies a sudden and violent death, his son Jon inherits his second-hand bookshop, Libri di Luca, in Copenhagen. Jon has not seen his father for twenty years since the mysterious death of his mother. When Luca's death is followed

by an arson attempt on the shop, Jon is forced to explore his family's past. Unbeknown to Jon, the bookshop has for years been hiding a remarkable secret. It is the meeting place of a society of booklovers and readers, who have maintained a tradition of immense power passed down from the days of the great library of ancient Alexandria. Now someone is trying to destroy them, and Jon finds himself in a fight for his life and those of his new friends.

From an Edgar award-winning author comes the gripping and unexpected tale of a lost town and the dark secrets that lie beneath the glittering waters of an East Texas lake. Daniel Russell was only thirteen years old when his father tried to kill them both by driving their car into Moon Lake. Miraculously surviving the crash—and growing into adulthood—Daniel returns to the site of this traumatic incident in the hopes of recovering his father's car and bones. As he attempts to finally put to rest the memories that have plagued him for years, he discovers something even more shocking among the wreckage that has ties to a twisted web of dark deeds, old grudges, and strange murders. As Daniel diligently follows where the mysterious trail of vengeance leads, he unveils the heroic revelation at its core.

Obra maestra de la novela corta. Doña Berta, último y anciano miembro de la estirpe de los Rondaliegos, recibe la inesperada visita de un pintor que no sólo le devuelve la evocación de dulces y terribles recuerdos de juventud, sino la posibilidad de reparar una lejanísima culpa. Un delirio quijotesco de extraordinaria fuerza dramática y belleza literaria.

“A darkly humorous, rapid-fire read.” —Kirkus Reviews Stranger Things meets Buffy the Vampire Slayer in this contemporary novel from Francesca Zappia, the acclaimed author of Eliza and Her Monsters. When Zora Novak is framed for a crime she didn't commit, she must track down the true culprit and clear her name before it's too late. But in a small town obsessed with ghosts, getting people to believe the truth might prove to be impossible. When someone burns down the home of the school janitor and he dies in the blaze, everyone in Addamsville, Indiana, points a finger at Zora. Never mind that Zora has been on the

*straight and narrow since her father was thrown in jail. With everyone looking for evidence against her, her only choice is to uncover the identity of the real killer. There's one big problem—Zora has no leads. No one does. Addamsville has a history of tragedy, and thirty years ago a similar string of fires left several townspeople dead. The arsonist was never caught. Now, Zora must team up with her cousin Artemis—an annoying self-proclaimed Addamsville historian—to clear her name. But with a popular ghost-hunting television show riling up the townspeople, almost no support from her family and friends, and rumors spinning out of control, things aren't looking good. Zora will have to read between the lines of Addamsville's ghost stories before she becomes one herself. Acclaimed author Francesca Zappia has a perfectly pitched teen voice that shines in this inventive novel. Now *Entering Addamsville* is perfect for fans of Brittany Cavallaro, Victoria Schwab, *Riverdale*, *Truly Devious*, and *The Chilling Adventures of Sabrina*. Includes interior spot illustrations from the author.*

*How the law harms sex workers—and what they want instead Do you have to endorse prostitution in order to support sex worker rights? Should clients be criminalized, and can the police deliver justice? In *Revolting Prostitutes*, sex workers Juno Mac and Molly Smith bring a fresh perspective to questions that have long been contentious. Speaking from a growing global sex worker rights movement, and situating their argument firmly within wider questions of migration, work, feminism, and resistance to white supremacy, they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement.*

*A translation of Grazia Deledda's final novel, an autobiographically based portrayal of an Italian woman coming to terms with breast cancer at the cusp of the twentieth century. *The Church of Solitude* tells the story of Maria Concezione, a young Sardinian seamstress living with breast cancer at the cusp of the twentieth century. Overwhelmed by the shame of her diagnosis, she decides that no one can know what has happened to her, but the heavy burden of this secrecy changes her life in dramatic ways and almost causes the destruction of several people in her life. This surprising novel paints the portrait of a woman facing the unknown with courage, faith, and self-reliance, and is the last and most autobiographical work of Grazia Deledda, who died of breast cancer in 1936, shortly after its publication. An afterword by the translator offers additional information on the author and examines the social and historical environment of that time. Grazia Deledda (1871–1936), the only Italian woman to have won the Nobel Prize for Literature (1926), is largely remembered today for her exalted prose and stark portraits of social change*

in early twentieth-century Sardinia. She wrote over sixty volumes, including novels, stories, and folklore of Sardinia, poetry, and essays. Her other translated works include After the Divorce; Cosima; Elias Portolu; Reeds in the Wind; and The Mother. E. Ann Matter is the R. Jean Brownlee Term Professor in the Department of Religious Studies at the University of Pennsylvania. She has published several books, including The Voice of My Beloved: The Song of Songs in Western Medieval Christianity.

Fairy-Tale Finesse Reviving East of the Sun and West of the Moon, Kay Nielsen's Scandinavian masterwork Step into a world of star-crossed lovers, magical winds, mischievous giants, and trolls, through some of the most exquisite illustrations in publishing history. In this gorgeous reprint, TASCHEN revives the most ambitious publication project of beloved Danish artist Kay Nielsen, one of the most famous children's book illustrators of all time. First published in 1914, East of the Sun and West of the Moon is a celebrated collection of fifteen fairy tales, gathered by legendary Norwegian folklorists Peter Christen Asbjørnsen and Jørgen Engebretsen Moe on their journeys across Norway in the mid-nineteenth century. Nielsen's illustration edition of Asbjørnsen and Moe's tales is considered a jewel of early 20th-century children's literature, highly sought-after by art and book collectors worldwide. An original signed copy of the book sold at auction in 2008 commanded the highest price ever paid for an illustrated children's book. This finely crafted reprint restores the stunning detail and artistry of Nielsen's images to their original splendor. Featuring 46 illustrations, including many enlarged details from Nielsen's rare original watercolors. The book is printed in five colors, comes with three accompanying essays, illustrated with dozens of rare and previously unseen artworks by Nielsen, explore the history of Norwegian folktales, Nielsen's life and work, and how this masterpiece came to be. "...a beautiful reprint of the fairy tale, with its sumptuous illustrations presented in full glory." -- VOGUE.com

Eva Rass, a leading expert on the work of Allan Schore, presents a collection that provides an overview of his core ideas and makes accessible the evolution of his thought. Including interviews and original papers, as well as integrating his ideas with research in psychoanalysis, developmental psychology, biology and developmental psychopathology, this book provides an in-depth introduction to Schore's theories. Allan Schore: Setting the Course of Development represents a major contribution to the understanding of Schore's often dense and complex work. The choice of papers, interviews and subject matter is structured and instructive, while the content captures both the depth and breadth of Schore's ideas, including important extensions into other fields, like paediatrics, social works and family law.

Schore's contribution to the advancing knowledge base - pioneering the paradigm shift in researchers' focus in psychopathogenesis from the cognitive verbal left brain to the affective, preverbal right brain - is here made accessible to a far greater readership. The book will be of interest to all practitioners, researchers, educators and policy makers dealing with the critically important and broad field of mental health service delivery and prevention of mental illness for those "at risk", particularly psychoanalysts, psychoanalytic psychotherapists and counsellors.

Presents a study of the legend and reality of ancient Druids, looking at their Celtic origins, their religious practices and beliefs, and areas in which they were believed to have special wisdom, such as philosophy and magic.

In 1999, at the tender age of ten, Charlene Lunnon and Lisa Hoodless were snatched as they walked to school. Over the next week, they were held captive, tortured, raped and almost killed. News of the girls' disappearance dominated the headlines, and the entire country held its breath, praying for their safe return as a massive police hunt failed to turn up any clues. But then a miracle happened. The girls were found alive, their abductor was arrested and the case was closed. But there was to be no such closure for Charlene and Lisa. Over the coming years, their friendship was strained to breaking point, as they struggled to reconcile themselves to their painful memories and to each other. *Abducted* is their astonishing first-hand, insider account of how it feels to be kidnapped, how they survived their horrific ordeal and how they have found the strength to move on and rebuild their lives.
