

Twice Lucky English Edition

This volume demonstrates how literacy is more than learning to read and write. Literacy creates communities, organizes personal and social lives, makes possible civil society and the rule of law, and underwrites the commitment of both modern and developing societies to universal education and ever higher levels of literate competence. Everything that is involved in being and becoming literate is the concern of this interdisciplinary group of distinguished scholars.

From the bestselling author of How to Train Your Dragon comes an exciting high-adventure series--set in a magical time, full of Wizards, Warriors, Giants and Sprites. This was once the story of a young boy Wizard and a young girl Warrior who had been taught since birth to hate each other like poison. But now, the boy Wizard and girl Warrior have been brought together in the Badwoods and they have witnessed the shocking consequences of the Stone That Takes Away Magic. They will need to cast aside their differences once more--for an Evil Spell has broken free. It's up to Xar and Wish to find the ingredients. But it means entering dangerous territory unannounced... Cressida Cowell brings her trademark wit to this spellbinding sequel, along with the stunning artwork and heartfelt adventure that has made her beloved around the world, weaving a story that is sure to transport readers to a world that will enchant and bewitch them.

Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain. It lists all secondary source material including reference works, in a classified order to meet the needs of the sports historian. Here is the authorized, definitive biography of one of the most controversial figures of twentieth-century literature, renowned for his blistering intelligence, savage wit and belligerent fierceness of opinion: Kingsley Amis was not only the finest comic novelist of his generation--having first achieved prominence with the publication of Lucky Jim in 1954 and as one of the Angry Young Men--but also a dominant figure in post-World War II British writing as novelist, poet, critic and polemicist. In The Life of Kingsley Amis, Zachary Leader, acclaimed editor of The Letters of Kingsley Amis, draws not only on unpublished works and correspondence but also on interviews with a wide range of Amis's friends, relatives, fellow writers, students and colleagues, many of whom have never spoken out before. The result is a compulsively readable account of Amis's childhood, school days and life as a student at Oxford, teacher, critic, political and cultural commentator, professional author, husband, father and lover. Even as he makes the case for Amis's cultural centrality--at his death Time magazine claimed that "the British decades between 1955 and 1995 should in fairness be called 'the Amis era'"--Leader explores the writer's phobias, self-doubts and ambitions; the controversies in which he was embroiled; and the role that drink played in a life bedeviled by erotic entanglements, domestic turbulence and personal disaster. Dazzling for its thoroughness, psychological acuity and elegant style, The Life of Kingsley Amis is exemplary: literary biography at its very best.

The Chocolate Soldier

A Record of Adventure During the Boer War

British films of the 1970s

Volume 3: Biographical Studies of Britsh Sportsmen, Women and Animals

A narrative that spans 16 years and four cities, Varun takes a trip down the memory lane and opens up his world to you, describing the intricacies of shouldering the burden of expectations his family has on him and yet coming up triumphant, the importance of having a friend's shoulder to cry on when you are down and out and the perks of being a soldier's son. Join the emotional sissy that he calls himself; in his roller coaster ride as he tries to unlock the eternal mystery that is LOVE. In a romantic relationship that has gone kaput, with two women who are as different as chalk and cheese, he finally meets the love of his life. But do good things come the easy way? Before that, he has to bear the gut wrenching blows of the henchmen of a local Corporator, physically assault a senior HR leader in his company, almost lose his life in Dharavi and then take on the might of a powerful landlord turned realtor – all though at different stages of his life. True love is never a one-time event in one's life. It can hit you in various forms. 'Once smitten, twice shy, thrice lucky!' is a story that tells you why Love is a perennial feeling, a mixed bag of myriad emotions no one can ever describe in the true sense.

The author is ready to assert that practically none of the readers of this book will ever happen to deal with large doses of radiation. But the author, without a shadow of a doubt, claims that any readers of this book, regardless of gender, age, financial situation, type of professional activity, and habits, are actually exposed to low doses of radiation throughout their life. This book is devoted to the effect of small doses on the body. To understand the basic effects of radiation on humans, the book contains the necessary information from an atomic, molecular and nuclear physics, as well as from biochemistry and biology. Special attention is paid to the issues that are either not considered or discussed very briefly in existing literature. Examples include the ionization of inner atomic shells that play an essential role in radiological processes, and the questions of transformation of the energy of ionizing radiation in matter. The benefits of ionizing radiation to mankind is reflected in a wide range of radiation technologies used in science, industry, agriculture, culture, art, forensics, and, what is the most important application, medicine. Radiation: Fundamentals, Applications, Risks and Safety provides information on the use of radiation in modern life, its usefulness and indispensability. Experiments on the effects of small doses on bacteria, fungi, algae, insects, plants and animals are described. Human medical experiments are inhuman and ethically flawed. However, during the familiarity of mankind with ionizing radiation, a large number of population groups were subject to accumulation, exposed to radiation at doses of small but exceeding the natural background radiation. This book analyzes existing, real-life radiation results from survivors of Hiroshima and Nagasaki, Chernobyl and Fukushima, and examines studies of radiation effect on patients, radiologists, crews of long-distant flights and astronauts, on miners of uranium copies, on workers of nuclear industry and on militaries, exposed to ionizing radiation on a professional basis, and on the population of the various countries receiving environmental exposure. The author hopes that this book can mitigate the impact of radiation phobia, which prevails in the public consciousness over the last half century. Explores the science of radiation and the effects of radiation technologies and biological processes Analyzes the elementary processes of ionization and excitation Summarizes information about inner shells ionization and its impact on matter and biological structures Discusses quantum concepts in biology and clarifies the importance of epigenetics in radiological processes Includes case studies focusing on humans irradiated by low doses of radiation and its effects

Reproduction of the original: Twice Bought by R.M Ballantyne

No matter your field, industry, or specialty, as a leader you make a series of crucial decisions every single day. And the harsh truth is that the majority of decisions—no matter how good the intentions behind them—are mismanaged, resulting in a huge toll on organizations, the people they employ, and even the people they serve. So why is it so hard to make sound decisions? In Think Twice, now in paperback, Michael Mauboussin argues that we often fall victim to simplified mental routines that prevent us from coping with the complex realities inherent in important judgment calls. Yet these cognitive errors are preventable. In this engaging book, Mauboussin shows us how to recognize and avoid common mental missteps. These include misunderstanding cause-and-effect linkages, not considering enough alternative possibilities in making a decision, and relying too much on experts. Through vivid stories, the author presents memorable rules for avoiding each error and explains how to recognize when you should “think twice”—questioning your reasoning and adopting decision-making strategies that are far more effective, even if they seem counterintuitive. Armed with this awareness, you'll soon begin making sounder judgment calls that benefit (rather than hurt) your organization.

Harnessing the Power of Counterintuition

The Wizards of Once: Twice Magic

In the one hundred and ten years covered by volume four of The Oxford History of Literary Translation in English, what characterized translation was above all the move to encompass what Goethe called 'world literature'. This occurred, paradoxically, at a time when English literature is often seen as increasingly self-sufficient. In Europe, the culture of Germany was a new source of inspiration, as were the medieval literatures and the popular ballads of many lands, from Spain to Serbia. From the mid-century, the other literatures of the North, both ancient and modern, were extensively translated, and the last third of the century saw the beginning of the Russian vogue. Meanwhile, as the British presence in the East was consolidated, translation helped readers to take possession of 'exotic' non-European cultures, from Persian and Arabic to Sanskrit and Chinese. The thirty-five contributors bring an enormous range of expertise to the exploration of these new developments and of the fascinating debates which reopened old questions about the translator's task, as the new literalism, whether scholarly or experimental, vied with established modes of translation. The complex story unfolds in Britain and its empire, but also in the United States, involving not just translators, publishers, and readers, but also institutions such as the universities and the periodical press. Nineteenth-century English literature emerges as more open to the foreign than has been recognized before, with far-reaching effects on its orientation.

Mr. and Mrs. Tibbetts pop into a pub for lunch but get served a murder case in this novel with “all the proper ingredients for a cozy whodunit” (The New York Times). What could be more delightful than a long-forgotten relative who dies and leaves you a tidbit in his will? How about if that tidbit is in fact a charming country pub, and that pub is now yours—lock, stock, and barrels of beer? Susan Gardiner is delighted, even when it becomes clear that the establishment has a lineup of regulars, not all of them as endearing as one might prefer. No, she doesn't love all her new customers, but she certainly didn't intend for one of them to be poisoned by a bad batch of mushrooms. The outlook is dire for both Susan and the Blue Moon . . . until Inspector Henry Tibbett steps in. He and Emmy just want a spot of lunch, but they are, as ever, willing to take on more than they had bargained for, in this compelling British mystery by the Agatha Award-winning “new queen of crime” (Daily Herald) . “Intricate plots, ingenious murders, and skillfully drawn, often hilarious, characters distinguish Patricia Moyes’ writing.” —Mystery Scene

When a little brother or sister comes along, everyone is excited... everyone except one little person who can't quite understand why everything has changed. Follow the tale of one older sibling who learns that having a baby brother or sister can be truly magical - aren't they lucky!

Learning English idioms can be difficult for ESL speakers. This book will help simplify some of the common words and expressions native English speakers use. Use it as a reference, or read it as a learning exercise, and you will improve your English in no time at all!

ADDA 247 has been consistently working to make the word “SUCCESS” a true companion to all the banking aspirants. As the year 2020 has just marked its presence, we are delighted to announce that ADDA 247 is launching - “A Complete eeBook of Puzzles & Seating Arrangement“ Second Edition. Puzzles are an important part of Reasoning Section, the one that you cannot escape from. It is the topic that dominates the Reasoning Section of all sorts of banking exams. So many other miscellaneous topics too are now being asked in the form of puzzles. The number of questions being asked on puzzles ranges from 60 to 65 percent of the total number of questions in the Reasoning Section. So it is now very obvious that the strategy of ignoring questions based on puzzles, thereby solving other questions won't be working anymore as neglecting questions on puzzles can risk the likelihood of you clearing the sectional cut off or scoring satisfactory marks in the Reasoning Section It is already known to all the aspirants that Puzzles & Seating Arrangement form the most important part of the Reasoning Section as they carry the highest weightage among the other topics. So, considering all the significance that these portions carry, this eeBook would provide all the necessary help and guidance in clearing the given sections smoothly. SALIENT FEATURES: -2500+ Questions on Puzzles & Seating Arrangement - New pattern Based Questions of 2017-18 Exams including 10 practice sets - Expect the Unexpected ones[Surprised Pattern] -Incorporates more than 10 Types of Puzzles & Sitting Arrangement -Incorporates the last 5-year Memory Based Questions asked in SBI, IBPS, RBI & Other Examinations
The Perreaus and Mrs. Rudd tells the remarkable story of a complex forgery uncovered in London in 1775. Like the trials of Martin Guerre and O.J. Simpson, the Perreau-Rudd case—filled with scandal, deceit, and mystery—preoccupied a public hungry for sensationalism. Peopled with such familiar figures as John Wilkes, King George III, Lord Mansfield, and James Boswell, this story reveals the deep anxieties of this period of English capitalism. The case acts as a prism that reveals the hopes, fears, and prejudices of that society. Above all, this episode presents a parable of the 1770s, when London was the center of European finance and national politics, of fashionable life and tell-all journalism, of empire achieved and empire lost. The crime, a hanging offense, came to light with the arrest of identical twin brothers, Robert and Daniel Perreau, after the former was detained trying to negotiate a forged bond. At their arraignment they both accused Daniel's mistress, Margaret Caroline Rudd, of being responsible for the crime. The brothers' trials coincided with the first reports of bloodshed in the American colonies at Lexington and Concord and successfully competed for space in the newspapers. From March until the following January, people could talk of little other than the fate of the Perreaus and the impending trial of Mrs. Rudd. The participants told wildly different tales and offered strikingly different portraits of themselves. The press was filled with letters from concerned or angry correspondents. The public, deeply divided over who was guilty, was troubled by evidence that suggested not only that fair might be foul, but that it might not be possible to decide which was which. While the decade of the 1770s has most frequently been studied in relation to imperial concerns and their impact upon the political institutions of the day, this book draws a different portrait of the period, making a cause célèbre its point of entry. Exhaustively researched and brilliantly presented, it offers both a vivid panorama of London and a gauge for tracking the shifting social currents of the period.

Dominic Ramos is a Premiership football player with a secret. There are no trophies for being gay in his game. Locked into his rep as the meanest defender on the pitch, keeping his secret is soul-crushing, but love has no place in his sport, even if his soft heart craves it. Lucky Coleman is on his knees when he meets a man with more money than sense. It's a Grindr hook-up for cash, not a love match, but dreaming of his desperate, kind eyes earns a place amongst his numerous bad habits. Meeting once was risky, twice pushes Dom's courage to the limit. Losing Lucky seems inevitable, but his tight grip on his image counts for nothing when Lucky starts to fall. Catching him could cost Dom everything, but if he can set his heart free, getting Lucky long term might be a risk worth taking.

A Lucky Sixpence

A poignant and dramatic saga set in Liverpool, perfect for fans of Katie Flynn, Annie Groves and Lyn Andrews. Praise for Anne Baker's Merseyside sagas: 'A stirring tale of romance and passion, poverty and ambition' Liverpool Echo It's 1937 and for sisters Lizzie and Milly Travis there's nothing quite like the thrill of the funfair at New Brighton. Amid the bright lights and whirling rides, Lizzie wins a lucky sixpence on a stall - as well as the heart of a handsome stallholder. Ben McCluskey isn't the type of man Lizzie's respectable parents had in mind for her, nevertheless the young couple embark on a whirlwind romance. Lizzie's mother worries that history will repeat itself when Ben introduces her daughter to a world she never knew existed. And, as war looms, Milly realises that her sister's luck can't last for ever...

An autobiography of Stuart Turner, one of the leading motorsport figures of the last 40 years. He claims to have had two major pieces of luck - he joined the British Motor Corporation as Competitions Manager when the Mini Cooper was coming on strong and then moved to Ford just as the Escort was starting to shine. He includes anecdotes about many of the top race and rally drivers, including several World Champions, whom he knows personally.

Commonsense advice on all aspects of crocheting ranges from the basics for beginners to perfecting techniques for the advanced crocheter, and from selecting threads and yarns to blocking, cleaning, and storing crocheted articles

British films of the 1970s offers highly detailed and insightful critical analysis of a range of individual films of the period. This analysis draws upon an innovative range of critical methodologies which place the film texts within a rich variety of historical contexts. The book sets out to examine British films of the 1970s in order to get a clearer understanding of two things – the fragmentary state of the filmmaking culture of the period, and the fragmentary nature of the nation that these films represent. It argues that there is no singular narrative to be drawn about British filmmaking in the 1970s, other than the fact that these films offer evidence of a Britain (and ideas of Britishness) characterised by vicissitudes. While this was a period of struggle and instability, it was also a period of openings, of experiment, and of new ideas. Newland looks at many films, including Carry On Girls, O Lucky Man!, That'll be the Day, The Shout, and The Long Good Friday.

Amerasian Children of the Vietnam War

Think Twice

With an introduction by the author of Circe and The Song of Achilles, Madeline Miller In Lucky Alice Sebold reveals how her life was irrevocably changed when, as an eighteen-year-old college freshman, she was raped and beaten inside a tunnel near her campus. In this same tunnel, a girl had been raped and dismembered. By comparison, Alice was told by police, she was lucky. Though Alice’s friends and family try their best to offer understanding and support, in the end it is Alice’s formidable spirit which resonates most in these pages. In a narrative both painful and inspiring, Alice Sebold shines a light on the true experience of violent trauma. Sebold’s redemption turns out to be as hard-won as it is real.

The book offers a simple yet effective way to learn English as well as to translate from Hindi to English. It contains several common hindi sentences that have been translated into English that allow a learner to easily understand day-to-day words and how to use them in sentences when writing or speaking in English. By learning how typical Hindi sentences, when translated into english can be used in everyday life, one can improve his or her grasp about using both the language. Besides the author, a good bi-linguist, has even detailed the grammatical aspects about each topic given in the book, which offer self improvising problems with easy solutions to them. Different sections have been created so as to improve the reader’s basic grammar, which includes Nouns, Pronouns, Tenses, Sentence making, etc. Each section comes with a separate practice set that lets the readers test English reading, writing and speaking skills as well as the translation ability that one has been able to learn. There is even a separate vocabulary section to help readers learn more new words and how to use them effectively while communicating. With step-by-step guidelines, one can surely bring fluency in their English language usage over a few months.

A Companion to the Mystery Fiction

Once smitten, twice shy, thrice lucky

Can a ‘marriage of convenience’ ever blossom into true love? Prim and proper Lydia Turner believes she has no choice but to sell her father’s beloved drugstore and make a new life for herself far away from the idyllic Texas town of Eden Point. But when the drug store’s buyer turns out to be a handsome young doctor with a little boy in tow, Lydia succumbs to the temptation to linger in Eden Point for a few more weeks. Major Thomas Sullivan and his son are looking for a safe haven where they can heal from the heartbreak of war. Although Lydia vows to protect her own heart, she soon finds herself falling for the wary little boy...and his irresistible father... TWICE BLESSED is a long novella of 32,000 words. The other books in the Borrowed Brides series include: Golden Chances Harvest Moon Something Borrowed The Counterfeit Bride “Rebecca Hagan Lee warms my heart and touches my soul. She’s a star in the making!” Sabrina Jeffries, New York Times bestselling author “Every Rebecca Hagan Lee book is a tender treasure!” Teresa Medeiros, New York Times bestselling author “Rebecca Hagan Lee taps into every woman’s fantasy!” Christina Dodd, New York Times bestseller “Rebecca Hagan Lee is a writer on the rise!”—Romantic Times Americana romance, Romance novella, Bride romance

Traces the stories of entrepreneurs who rose from the ashes of the dot-com bust to create groundbreaking new Web companies, in an account that documents the success stories of such examples as Facebook, MySpace, and YouTube.

The volumes in this set, originally published between 1968 and 1989, draw together research by leading academics in the area of the British Empire and provides an examination of related key issues. The volumes examine slavery in the British Empire, problems encountered in India in the eighteenth and nineteenth century, as well as the Empire at its most powerful. This set will be of particular interest to students of British, colonial, and world history.

Beyond facing mortality, finding purpose and humor in life’s taxing challenges. After surviving two bouts with cancer and living with chronic illness, Vee Q has chosen to continue life with purpose and adventure while implementing thoughtful solutions to overcoming life’s obstacles and finding humor wherever and whenever encounters avail. In a poignant reflection, Vee chronicles her challenging journey through life as she bravely faced breast cancer, its recurrence seven years later, the subsequent treatment, and her own mortality. While detailing how she dealt with the emotional turmoil, fear, and anxiety associated with her health battles, Vee provides gentle encouragement to others that it is possible to push forward, gain strength, remain focused, and eventually develop a more positive outlook on life, whatever our personal challenges. By sharing her story, Vee guides those suffering from serious illness to realize that even in our darkest moments, we can draw strength from our experiences to move forward into the light of hope. “Twice in a Lifetime, and Then Some – an enlightening story of overcoming fear, anxiety and emotional turmoil when facing overwhelming obstacles. Vee’s challenging life and travel stories demonstrate how she faces the unexpected, exercises perseverance, and moves forward with purpose and grace.”

British Sport - a Bibliography to 2000

The Life of Kingsley Amis

Routledge Library Editions: The British Empire

The Perreaus and Mrs. Rudd

A Borrowed Brides Novella

Surviving Twice is the story of five Vietnamese Amerasians born during the Vietnam War to American soldiers and Vietnamese mothers. Unfortunately, they were not among the few thousand Amerasian children who came to the United States before the war’s end and grew up as Americans, speaking English and attending American schools. Instead, this group of Amerasians faced much more formidable obstacles, both in Vietnam and in their new home. Surviving Twice raises significant questions about how mixed-race children born of wars and occupations are treated and the ways in which the shifting laws, policies, social attitudes, and bureaucratic red tape of two nations affect them their entire lives.

The undisputed "Queen of Crime," Dame Agatha Christie (1890-1976) is the bestselling novelist of all time. As the creator of immortal detectives Hercule Poirot and Jane Marple, she continues to enthrall readers around the world and is drawing increasing attention from scholars, historians, and critics. But Christie wrote far beyond Poirot and Marple. A varied life including war work, archaeology, and two very different marriages provided the backdrop to a diverse body of work. This encyclopedic companion summarizes and explores Christie's entire literary output, including the detective fiction, plays, radio dramas, adaptations, and her little-studied non-crime writing. It details all published works and key themes and characters, as well as the people and places that inspired them, and identifies a trove of uncollected interviews, articles, and unpublished material, including details that have never appeared in print. For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new angles, this companion will provide the most comprehensive and up-to-date information.

Read about the adventures of a young Norwegian girl living on Måløy Island surrounded by family and friends. This idyllic island life comes to an end with the uncertainties of World War II and the family’s journey to the United States.

Mackenzie “ Mouse ” James ’ s life is all about firefighting. Being a firefighter fills her waking hours, leaving her too tired to think, to socialize, or to put herself out there. A large part of Sarah Macarthur ’ s success as a doctor is due to the structure and control that that she has established to help her cope when all the elements are thrown her way. As danger draws closer, Mac and Sarah will be tested in ways neither had ever imagined. Both will need to fight far more than fear—they will need to fight for lives.
