**Look and learn to recall a wealth of everyday vocabulary in Portuguese with this intuitive easy-to-use visual language dictionary** Whether it's for business or pleasure, pick up 6,000 key Portuguese words and phrases on a range of subjects: from shopping and eating out, to sport and beyond quickly and easily. Find every word you need to know fast using the clearly labelled illustrated scenes from everyday life. Plus, find helpful features on key Portuguese nouns, verbs and phrases to improve your understanding of the language. Take it wherever you travels take you.

**Covers all five live-action television series, with full coverage of favourite characters such as Spock, Bones, Scotty and Uhura, as well as full-colour pictures of the ships. This is a guide to "Star Trek" for any Trekkie.** Discover how humans created their world from the objects they left behind - from the US Constitution to the first iPhone - in DK's latest history book. From the beginning of human history, the one thing that has defined us is our talent for making things, from basic technology and everyday objects, such as bowls and hand axes, to high-tech inventions, such as supersonic aircraft, smart devices, and Mars rovers. Objects speak volumes about a civilization, telling us how our ancestors lived - as well as what they believed in and valued. A bronze cat mummy shows us how highly the ancient Egyptians valued their feline companions, while a mechanical tiger toy tells the story of rising tensions between an Indian sultan and European colonizers.

**With stunning, exclusive photography, History of the World in 1000 Objects shows you the objects that our ancestors treasured - from the jewelry worn by the Mesopotamians to the prized ritual vessels used by the people of the Shang Dynasty - and gives you insight into what gave each culture its own identity.** From astrolabes and airplanes to vacuum cleaners and X-rays, DK uses its hallmark visual style to weave the extraordinary legacy of our creativity into a unique view of world history that will change the way you see the objects all around us.

**"The ultimate dictionary," - Times Educational Supplement** Packed with more than 30,000 words and 6,000 incredible images, this look-up-and-learn encyclopedia covers a spectacular spectrum of subjects to educate and entertain young readers.?? DK's Visual Dictionary has been updated and revised with crystal-clear definitions and eye-catching visuals ready to explore and explain anything and everything you can think of. The vast range of topics include our planet and the Universe, prehistoric Earth, plants and animals, the human body, geography, visual arts, architecture, music, sports, science, and technology. Discover how a plasma TV works, step inside an erupting volcano, or take the wheel of a racing car on this amazing tour of useful words for you to put into practice. If your vocabulary could do with a boost, this is an unbeatable dictionary. If school studies and homework are a struggle, this is the helping hand you need. And if your library has room for an absolute classic, this is a welcome addition for all the family to enjoy.

**WINNER OF THE PULITZER PRIZE • NEW YORK TIMES BESTSELLER • The epic, beloved novel of two boy geniuses dreaming up superheroes in New York's Golden Age of comics, now with special bonus material by the author—soon to be a Showtime limited series "It's absolutely gosh-wow, super-colossal—smart, funny, and a continual pleasure to read."—The Washington Post Book World Named one of the 10 Best Books of the Decade by Entertainment Weekly • Finalist for the PEN/Faulkner Award, National Book Critics Circle Award, and Los Angeles Times Book Prize A "towering, smash-buckling thrill of a book" (Newsweek), hailed as Chabon's "magnum opus" (The New York Review of Books), The Amazing Adventures of Kavalier & Clay is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1939. A young escape artist and budding magician named Joe Kavalier arrives on the doorstep of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys, they spin comic book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing from the streets of Brooklyn to the top of the Empire State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta ink. Spanning continents and eras, this superb book by one of America's finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award**
