

# Uncle Sam American Symbols

It is said that the inspiration for the character of Uncle Sam was a man named Sam Wilson, who provided food for the U.S. Army during the War of 1812. By the 1830s, the figure of Uncle Sam had become a personified image of America, commonly used by newspaper and magazine cartoonists to represent the U.S. government's decisions and policies.

Perhaps the best-known image of Uncle Sam was created in 1917, during the First World War—a stern, white-haired man wearing star-spangled clothing, encouraging Americans to do their part to support their nation. Uncle Sam remains an important symbol of the United States and the policies and

This book presents three decades of writings by one of America's most distinguished historians. John Higham, renowned for his influential works on immigration, ethnicity, political symbolism, and the writing of history, here traces the changing contours of American culture since its beginnings, focusing on the ways that an extraordinarily mobile society has allowed divergent ethnic, class, and ideological groups to "hang together" as

Americans. The book includes classic essays by Higham and more recent writings, some of which have been substantially revised for this publication. Topics range widely from the evolution of American national symbols and the fate of our national character to new perspectives on the New Deal, on other major turning points, and on changes in race relations after major American wars. Yet they are unified by an underlying theme: that a heterogeneous society and an inclusive national culture need each other.

Briefly discusses American growth, with related projects and activities.

Kids learn early American history as taught by Uncle Sam to Humpty Dumpty. It's a fun romp through time that teaches children the basics of early United States history from the signing of the Declaration of Independence, the writing of the Constitution, the Revolutionary War, the move out west, and the Battle of the Alamo to the Civil War. Uncle Sam teaches Humpty some very interesting facts, as well, such as Benjamin Franklin's view of the Bald Eagle as an American symbol, important historical dates, the Statue of Liberty, and kids will learn all of the words to the "Star Spangled Banner". Humpty learns about important people too, especially important facts

reading this book to their children, and may even learn a few new things themselves about history, or perhaps, remember a few things they were taught in school. Also, within the book are found the basic principles of American ideology from our Founding Fathers, such as the idea that all men are created equal, endowed by their Creator with certain unalienable rights, and have the right to pursue life, liberty, and happiness, as written in the preamble of the Declaration of Independence. This book aims to create an appetite for historical knowledge in children, in a time when even college students seem to know so little about American history. Consider this book

The story of America's early symbols, the Uncle Sam image, and the cartoonists who created them through the years.

"Uncle Sam and You takes students on a guided tour of what elected officials and everyday citizens do to run America today. Students learn about government on all levels: federal, state, and local. They study American ideals, symbols, and holidays. Students discover what it is like to be a fireman, a police officer, and the president of the United States. They learn respect for their community, state, and country; and they learn about the people who make them work.

Throughout the curriculum, students learn that a citizen's

**In early 19th century Uncle Sam became the symbol/personification of the American government. To novelist, dramatist, critic, and professor of English at Columbia Univ, John Erskine (1879 - 1951), "The cartoon figure of Uncle Sam, the lanky gentleman with top-hat, long coat and boots, seems almost the portrait of a personality we have met. For some of us the face of this personality wears a benign**

**expression; for others the features are mean." This novel fleshes out the caricature into a complete character, and in so doing, supplies the symbol of "the national temperament" with a biography. Erskine tells us that "He was the youngest of the family. All his life the others called his attention to the fact, as though he ought to do something about it, or at least be ashamed. As a child he was freckled and undersized. Later he grew quite tall, awkwardly so, but the freckles remained, along with the carrot hair. The others had a trick, not unkindly meant, of pointing out his lack of presence, not**
