

Under The Frog

Caldecott Honor-winning team Steve Jenkins and Robin Page explore form, color, and pattern, and capture the very unique nature of frogs in this brilliantly illustrated picture book. Perfect for fans of *The Beetle Book*, and young readers looking for nonfiction about this perennially fascinating animal. Long legs, sticky tongues, big round eyes, and other dazzling features--what's not to love about frogs? In this magnificently illustrated picture book, Caldecott Honor-winning team Steve Jenkins and Robin Page explore one of the world's most diverse--and most threatened--animals. With more than 5,000 different frog species on the planet, in every color of the rainbow and a vast number of vivid patterns, no creatures are more fascinating to learn about or look at. Jenkins and Page present a stunning array of these intriguing amphibians and the many amazing adaptations they have made to survive.

Oscar is an adorably naive, googly-eyed kitten, filled with curiosity and wonder about his natural surroundings. In this series, he meets friends who introduce him to key science concepts. This time, Oscar learns about tadpoles, seeds, eggs, and what he'll grow into."

Harry Driscoll is living in New York City (if you call trying to survive on an editorial assistant's salary "living"). His family is wealthy (but Harry Driscoll is not). His education is Ivy League (but what good is it doing him?). His publishing job is entry level (with no exit in sight). BUT... Harry Driscoll has a dream (if you call an unfinished manuscript hidden in the closet a "dream"). Harry Driscoll has a girl (although intercourse is out of the question). Harry Driscoll even has feelings. (He asked this girl, one day in the park, to be in his life forever--and meant it!) And the other girls? They're not the problem. (The problem is, Harry Driscoll cannot allow himself to say the word "love.")

The laughter never ends with Oi Frog and Friends! The board book edition of the hilarious rhyming story. The absurdly funny sequel to the bestselling Oi Frog, this will have children rolling around with laughter! *Winner of the Laugh Out Loud Picture Book Award* *Shortlisted for the Sainsbury's Book Award* Cat is a stickler for rules: cats sit on mats, hares sit on chairs and, however irritating, dogs must sit on frogs. That's until FROG decides to change the status quo ... But will Cat want to sit on gnats instead of cushy mats? Will spiders like sitting on gliders? Will whales like sitting on nails? And, most importantly, where is FROG going to sit? "This is a gigglingly delightful book, a perfect match of words and pictures to entertain again and again." Daily Mail Can't get enough? Look out for: Oi Frog, Oi Cat, Oi Duck-billed Platypus, Oi Puppies Oi Frog and Friends is a top ten bestselling series. Loved by children and parents, the books have won numerous awards, including the Laugh Out Loud Picture Book Award, and been shortlisted for many more!

Dick Cheney, Colin Powell, and the Broken Friendship That Defined an Era Frog and Fly

Frog Under a Coconut Shell

Where is the Frog?

Water Song

As Kermit the Frog taught us—it’s not easy being green. With good reason, since you’ll likely be dissected in biology class or have your legs gobbled up by a hungry Frenchman. And yet, these slimy creatures have captured our imagination, appearing in everything from fairytales about frog princes to Beatrix Potter’s The Tale of Jeremy Fisher and Arnold Lebel’s Frog and Toad. They even appear as a tasty chocolate snack in the Harry Potter series. Examining the significant role played by this slippery amphibian in art, literature, and popular culture, Charlotte Sleigh gives us an entertaining—and sometimes shocking—account of this both loved and misunderstood animal. Weaving the natural history of the frog together with its mythology, this witty book answers questions like why frogs have been so prominent in science throughout the years and what place the frog holds in religion. Sleigh also explores the frog’s many faces—the devilish and comic, sophisticated and chauvinist, the revolting and delicious. Featuring many images of frogs from nature and culture, Frog—the fiftieth entry into the Animal series—will draw pet owners, frog-leg devourers, and seekers of princes alike.

Sam and the Frog is a 30 page beginning reader book for preschoolers. Sam and the Frog are in a competition to see who can outdo the other. Who can hop, eat, swim, smile, or wave the best? Why does the frog think Sam won? Students will laugh at the comical cartoon drawings. Sam and the Frog is an easy book to read for emergent readers. The repetitive phrases help students to feel successful. This amusing book makes learning to read fun.

Jews have been active participants in shaping the healing practices of the communities of eastern Europe. Their approach largely combined the ideas of traditional Ashkenazi culture with the heritage of medieval and early modern medicine. Holy rabbis and faith healers, as well as Jewish barbers, innkeepers, and pedlars, all dispensed cures, purveyed folk remedies for different ailments, and gave hope to the sick and their families based on kabbalah, numerology, prayer, and magical Hebrew formulas. Nevertheless, as new sources of knowledge penetrated the traditional world, modern medical ideas gained widespread support. Jews became court physicians to the nobility, and when the universities were opened up to them many also qualified as doctors. At every stage, medicine proved an important field for cross-cultural contacts. Jewish historians and scholars of folk medicine alike will discover here fascinating sources never previously explored--manuscripts, printed publications, and memoirs in Yiddish and Hebrew but also in Polish, English, German, Russian, and Ukrainian. Marek Tuszewicki's careful study of these documents has teased out therapeutic advice, recipes, magical incantations, kabbalistic methods, and practical techniques, together with the ethical considerations that such approaches entailed. His research fills a gap in the study of folk medicine in eastern Europe, shedding light on little-known aspects of Ashkenazi culture, and on how the need to treat sickness brought Jews and their neighbours together.

Follows two young Hungarian basketball players from the last years of World War II through the anti-Soviet uprising of 1956

The Frog Alphabet Book

Frog and Toad Together

Frog Music

The Frog King

Jewish Folk Medicine in Eastern Europe

Shortlisted for the Booker Prize, Under the Frog follows the adventures of two young Hungarian basketball players through the turbulent years between the end of World War II and the anti-Soviet uprising of 1956. In this spirited indictment of totalitarianism, the two improbable heroes, Pataki and Gyuri, travel the length and breadth of Hungary in an epic quest for food, lodging, and female companionship. Praise for Under the Frog: 'A delicate, seriocomic treasure' ?Salman Rushdie 'Ferociously funny, bitterly sad, and perfectly paced' ?A.S. Byatt

Og the frog finally gets the chance to explore human world and to assist Humphrey the hamster in helping their human friends in Room 26.

The Great Rift is a sweeping history of the intertwined careers of Dick Cheney and Colin Powell, whose rivalry and conflicting views of U.S. national security color our political debate to this day. Dick Cheney and Colin Powell emerged on the national scene more than thirty years ago, and it is easy to forget that they were once allies. The two men collaborated closely in the successful American wars in Panama and Iraq during the presidency of George H. W. Bush--but from this pinnacle, conflicts of ideology and sensibility drove them apart. Returning to government service under George W. Bush in 2001, they (and their respective allies within the administration) fell into ever-deepening antagonism over the role America should play in a world marked by terrorism and other nontraditional threats. In a wide-ranging, deeply researched, and dramatic narrative, James Mann explores each man's biography and philosophical predispositions to show how and why this deep and permanent rupture occurred. Through dozens of original interviews and surprising revelations from presidential archives, he brings to life the very human story of how this influential friendship turned so sour and how the enmity of these two powerful men colored the way America acts in the world.

In Czechoslovakia during the 1980s, young Milan comforts himself with long-distance running and a woman named Tania, when he is forbidden entrance into the university because of his father's political activities. Reprint. 15,000 first printing.

21 Great Ways to Stop Procrastinating and Get More Done in Less Time

Children Frogs and Toad Books

Feeling adventurous one day, a frog leaves her pond and sets out to visit the great sea she has heard so much about.

A is for Amazon Horned Frog. B is for Blue-legged Strawberry Frog. C is for Crested Newt. What other amphibians can you think of? Learn more about these sometimes cute, sometimes dangerous, but always fascinating animals in THE FROG ALPHABET BOOK.

Jerry Pallotta and Ralph Masiello explore the ponds, look under rocks, and dig in the mud to bring you this colorful and fun way to learn more than the alphabet.

Pebbles is a dog that thinks he is a frog. Pebbles finds love, acceptance and friendship from his slimy pals and proves he has what it takes to be a frog by saving Cuddle Pond.

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to Eat That Frog!

Life Cycle of a Frog, The

A Retelling of "The Frog Prince"

A Frog Under the Tongue

Under the Frog

The Great Rift

"ONCE UPON A TIME" IS TIMELESS Young, beautiful, and wealthy, Emma Pennington is accustomed to a very comfortable life. Although war rages abroad, she hardly feels its effect. She and her mother travel from their home in Britain to the family estate in Belgium, never imagining that the war could reach them there. But it does. Soon Emma finds herself stranded in a war-torn country, utterly alone. Enemy troops fight to take over her estate, leaving her with no way to reach her family, and no way out. With all of her attention focused on survival and escape, Emma hardly expects to find love. But the war will teach her that life is unpredictable, people aren't always what they seem, and magic is lurking everywhere.

A NEW YORK TIMES TOP BOOK OF 2015 WASHINGTON POST NOTABLE BOOK The author of Red Sorghum and China’s most revered and controversial novelist returns with his first major publication since winning the Nobel Prize In 2012, the Nobel committee confirmed Mo Yan’s position as one of the greatest and most important writers of our time. In his much-anticipated new novel, Mo Yan chronicles the sweeping history of modern China through the lens of the nation’s controversial one-child policy. Frog opens with a playwright nicknamed Tadpole who plans to write about his aunt. In her youth, Gugu—the beautiful daughter of a famous doctor and staunch Communist—is revered for her skill as a midwife. But when her lover defects, Gugu’s own loyalty to the Party is questioned. She decides to prove her allegiance by strictly enforcing the one-child policy, keeping tabs on the number of children in the village, and performing abortions on women as many as eight months pregnant. In sharply personal prose, Mo Yan depicts a world of desperate families, illegal surrogates, forced abortions, and the guilt of those who must enforce the policy. At once illuminating and devastating, it shines a light into the heart of communist China.

"Touches and dazzles and entertains. An enchanting novel." --The New York Times In this moving, poignant novel by the bestselling author of Birds of America we share a grown woman’s bittersweet nostalgia for the wildness of her youth. The summer Berie was fifteen, she and her best friend Sils had jobs at Storyland in upstate New York where Berie sold tickets to see the beautiful Sils portray Cinderella in a strapless evening gown. They spent their breaks smoking, joking, and gossiping. After work they followed their own reckless rules, teasing the fun out of small town life, sleeping in the family station wagon, and drinking borrowed liquor from old mayonnaise jars. But no matter how wild, they always managed to escape any real danger—until the adoring Berie sees that Sils really does need her help—and then everything changes.

From the author of the worldwide bestseller Room: "Her greatest achievement yet...Emma Donoghue shows more than range with Frog Music -- she shows genius."- Darin Strauss, author of Half a Life. Summer of 1876: San Francisco is in the fierce grip of a record-breaking heat wave and a smallpox epidemic. Through the window of a railroad saloon, a young woman named Jenny Bonnet is shot dead. The survivor, her friend Blanche Beunot, is a French burlesque dancer. Over the next three days, she will risk everything to bring Jenny's murderer to justice -- if he doesn't track her down first. The story Blanche struggles to piece together is one of free-love bohemians, desperate paupers, and arrogant millionaires: of jealous men, icy women, and damaged children. It's the secret life of Jenny herself, a notorious character who breaks the law every morning by getting dressed: a charmer as slippery as the frogs she hunts. In thrilling, cinematic style, Frog Music digs up a long-forgotten, never-solved crime. Full of songs that migrated across the world, Emma Donoghue's lyrical tale of love and bloodshed among lowlifes captures the pulse of a boomtown like no other.

Nellie Under the Frog Bridge

The Frog in the Well

Kissing Frogs

The Frog Princess

Nancy Dunham, a recent college graduate needed a summer job. She never expected to become obsessed with the history of the town of Willimantic, Connecticut, and The American Thread Company's first bookkeeper, Nellie when she was hired by the company's last bookkeeper, Connie to help pack up the files of the American Thread Company. Nellie's dream was to go to New York and become a dress designer, but she felt obligated to remain at home to financially help her family in Willimantic, Connecticut. As the bookkeeper for more than 30 years at the Thread Company, Nellie has been fudging the books to help her family who also are employed at the Thread Mill. Nellie has a problem with the nepotism and the mistreatment she knows because she is the bookkeeper and Austin Dunham's trusted employee who will take advantage of his trust. When the ethics of Nancy's investigation become increasingly dim, she decides to trace the life of Nellie Buckingham through the Census records, the town records, her obituary, and her will, and both Nancy and Connie are surprised and oddly satisfied with their findings. By Caldecott Medal winners Alvin Tresselt and Roger Duvoisin, The Frog in the Well is the charming tale of a brave frog who beats his fears and explores the world Once upon a time there was a frog who lived at the bottom of a well. The well was the frog’s whole world, until the day the well ran dry and the bugs began to disappear. What was happening to the world, the frog wondered, and what could he do? The hungry frog decided he must hop to the top of the well to see what he could of the end of the world. Conquering his fear, he peered out, and what did he see? Trees, flowers, meadows, marshes, and all kinds of end-of-the-world creatures! Entranced, the little frog ventured forth to find out more about the world outside his own. Based on a classic Chinese fable, and written and illustrated by the Caldecott-winning Alvin Tresselt and Roger Duvoisin, The Frog in the Well is a charming tale of one brave frog and his journey into wisdom.

France. A skint, clapped-out British philosopher meets an incompetent, freshly released, one-armed, armed robber. The Thought Gang is born as the duo blag their way from Montpellier to Toulon for the ultimate bank robbery. Ferociously funny, Fischer combines an extravagant sense of humour with a flair for the grotesque in this heady follow-up to the Booker shortlisted Under the Frog. Praise for The Thought Gang: 'Acerbic, dashingly inventive, very funny indeed' Christopher Hitchens, Mail on Sunday 'Fischer has a unique ability to hinge the most unlikely concepts together... charcoaling ideas to gem-hardened, irresistibly funny insights' Time Out 'Hilarious, fast-moving stuff' Independent

Six slurpy stories, two comical combatants, and one laugh-out-loud picture book Frog and Fly are constant companions. There is only one problem . . . Frog thinks Fly is delicious! This leads to a never-ending battle of wits with laugh-out- loud consequences. Told in six short comic stripstyle chapters, Frog and Fly will delight kids and leave them begging for yet another slurpy story.

To the Gitxsan of Northwestern British Columbia, Nox Ga’naaw is a storyteller, speaking truths of the universe. After Nox Ga’naaw, the frog mother, releases her eggs among the aquatic plants of a pond, the tiny tadpoles are left to fend for themselves. As they hatch, grow legs, and transform into their adult selves, they must avoid the mouths of hungry predators. Will the young frogs survive to spawn their own eggs, continuing a cycle 200 million years in the making? Book four of the Mothers of Xsan series follows the life cycle of the columbia spotted frog. Learn about why this species is of special significance to the Gitxsan and how Nox Ga’naaw and her offspring are essential to the balance that is life.

Enter E.D. Baker's magical world in this first book of the Tales of the Frog Princess series.

The beloved classic about friendship—a Newbery Honor Book! Frog and Toad are best friends—they do everything together. When Toad admires the flowers in Frog's garden, Frog gives him seeds to grow a garden of his own. When Toad bakes cookies, Frog helps him eat them. And when both Frog and Toad are scared, they are brave together. School Library Journal called this story collection from Arnold Lobel "a masterpiece of child-styled humor and sensitivity." Winner of the Newbery Honor award, Frog and Toad Together is a Level Two I Can Read book, geared for kids who read on their own but still need a little help. Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors, including a Newbery Honor, a Caldecott Honor, ALA Notable Children’s Book, Fanfare Honor List (Horn Book), School Library Journal Best Children’s Book, and Library of Congress Children’s Book.

Partial translation into Dutch of Tibor Fischer's "Under the frog"

Pebbles, the Dog Who Thought He Was a Frog

Who Will Run the Frog Hospital?

Oscar and the Frog

Exploring According to Og the Frog

Once upon a time, a beautiful maiden went looking for her very own species of frog. Instead she found her Prince Charming!

Set in post-war Hungary between 1944 and 1956, the story follows the lives of two young men and in particular their careers in a travelling basketball team. They spend most of their time in the avoidance of work and army service and in the pursuit of sex.

This book is based on the true story of the author, of how her own mother struggled for her right to educate her daughters despite her own patriarchal experience in a small kampong. This highly nostalgic and evocative book pays tribute to her mother’s courageous journey from the bloom of youth to her affliction with Alzheimer’s disease in old age.

The life cycle of a frog takes place in water and on land. It begins in spring with a male frog croaking a song to attract a female. Young readers will read about and watch an egg develop into a tadpole and then into an adult frog.

The Frog Book

The Year of the Frog

Eat That Frog!

A Novel
Oi Dog!

Fiona is adventurous and looking to explore the world. Her dream destination is said to be unreachable, but Fiona is determined. Will she make it? Fiona the frog lives in a green pond tucked away in the hills. Her dream is to explore the world, see new places, and meet new faces. Despite the fears of those around her, Fiona is determined to set out on her own life-changing adventures. This story makes it possible for kids to see themselves and their spirit of adventure in little Fiona. It also encourages kids to read the rhyming lines out loud and step out into the world and seek their own adventures. Order your copy now to follow Fiona on her journey.

Learn about the amazing changes that frogs go through, and how their lives are uniquely tied to ours. Frogs don't start out as the hopping, green creatures that we might see sitting on a lily pad or under a leaf. They go through an amazing change. I Am a Frog introduces kids to basic biological concepts about this awesome amphibian. Big, vibrant illustrations capture the attention of children ages 3-7. Large print and easy to follow words make this a great book for parents introducing kids to science, as well as for teachers reading to a preschool or elementary school classroom.

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father is now available in paperback! Perfect for fans of Mo Willems's Don't Let the Pigeon Drive the Bus! and Jon Klassen's I Want My Hat Back! Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives--a wolf who HATES eating frogs--our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels--I Don't Want to Be Big, There's Nothing to Do!, and I Don't Want to Go to Sleep. ★ "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers--or it might just make them giggle."--Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."--Kirkus "This amusing story ends with a laugh and a much more content frog."--School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."--Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."--Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction--for both the green hero and the many fans he'll make with this book."--Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."--The Bulletin of the Center for Children's Books

Provides information on frogs in general by looking at the specific example of leopard frogs.

A Book about Frogs for Kids

The Frog who Wanted to See the Sea

The Frog Mother

I Don't Want to Be a Frog

The Adventure of Fiona the Frog

Introduces the frog and its life cycle, from its beginnings with a female frog in a pond to the young adult form ready to begin the cycle anew.

A tale inspired by Claude Monet's Water Lilies masterpieces features a lovely but vain frog, Antoinette, who engages in increasingly determined antics in her effort to be featured in a famous artist's paintings of a pond in Giverny.

"From the acclaimed author of Cantoras comes a mystical and heartening tale about seeking justice and the power of memory. In his modest home at the edge of town, the former President of a Latin American country receives a journalist in his iconic gardens to discuss his leg circumstances that threaten democracy around the globe. Once known as the Poorest President in the World, his reputation is the stuff of myth: a former guerilla who was jailed for inciting revolution before becoming the face of justice, human rights, and selflessness within his country. As engrossing as it is innovative, The President and the Frog explores the resilience of the human spirit and what is possible when danger looms. Ferrying us between a grim jail cell and lush garden, De Robertis emphasizes that even the smallest voice can change the world and full of wit and humor, The President and the Frog reaches beyond all borders and dares us to be human in the face of chaos"--

The President and the Frog
