something amazing happens. Suddenly, Harold can see anyone's greatest fear. Do you know what this means? R-E-V-E-N-G-E. And it has never tasted so sweet. One by one, Harold is going to make bullies pay. But, in the end, what if Harold becomes the villain in the story . . . instead of the hero?

With the sexy and arrogant Mage Lord pressuring me to join his team and a dark movement in the magical underworld threatening to ignite a war between the half-faeries and other supernaturals, I have my work cut out. To find the source of the lies, I have to go undercover to a dangerous magical contest where half-faeries compete for glory. Problem is, to get in, I have to pretend to be one of them. Navigating my way between half-faeries who want my head on a platter and the Mage Lord who wants, well, me, is tricky enough. But then I learn something about my own magic that changes the playing field. If I don't come out on top, a second faerie apocalypse is on the horizon.

Four scorching-hot gods. One kickass valkyrie. Nine realms of trouble. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. I'm connected to all of them through a bond we barely understand. The longer I spend with them, the more my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined, but the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. Good thing I've always been a fighter. Hunt for Magic

The Complete Series

In a world of suppressed magic, I'm an Unknown. Deadly power, little control. I'm only alive because I pay a Blood Sorcerer to keep me hidden. But when he comes to collect on the debt I can't pay, one of his goons slams me with a deadly curse. Suddenly, I'm out of options and out of time. When I'm given a rare chance to join the secretive Undercover Protectorate and train at their academy to become an investigator, I have a way to hunt the cure for the curse. They have resources I don't. Easy, since I'm broke. Seems like a good plan, right? At least, until they tell me Cade will be joining me on my hunt for the Blood Sorcerer. He's an actual Celtic war god--and the hottest guy I've ever seen. The catch? I can't let him know that I'm an Unknown, or I'm out on my ass and deader than Hades.

I've got one chance to prove myself and earn my place. Against all odds, I've snagged myself a spot at the elite Undercover Protectorate. It's basically a supernatural Scotland Yard, but in a castle. A dream come true. All I have to do is make it through their academy. No big deal. Except that I'm a magical nightmare, a supernatural with a strange brand of unknown dragon magic. When the Undercover Protectorate is attacked by a dark curse, it falls on me to solve the case and save the castle. I have the help of my friends and the sexy Celtic war god Cade. But if I don't figure out what's going on, I'll lose more than my place at the academy. I'll lose my life. "Believe it or not, submarines date back to the seventeenth century! Discover how they developed from early designs into streamlined, stealthy warships. Learn how submarine technology and

strategy have changed throughout military history, and experience life under the waves." A hungry eagle flies slowly above the rain forest canopy, looking for its next meal. Will it spot the emerald boa coiled on a tree branch? It's tricky;—these snakes are bright green with white markings, helping them blend in with the leaves. This camouflage often fools eagles into passing right by the snakes. The emerald boa stays safe by hiding in plain sight! Packed with fascinating facts and photos that will test children's detective skills, this book will engage emergent readers as they learn how emerald boas are adapted for survival. A section of the book highlights other snakes that are camouflaged to look like their leafy green homes.

I'm good at two things: finding treasure and killing demons. Lying low is a close third—but not because I want to be good at hiding. I have to be. I'm a FireSoul, one of the unlucky few to inherit a piece of the dragon's soul. Being born with the dragon's covetousness should be a sweet gig — I have the power to find and steal any type of treasure, including the powers of other supernaturals. But it doesn't come without a price — stealing powers requires that I kill, and others would destroy me if they discover what I am. In a world full of magic, hiding my species is the only way to survive. Finding magical artifacts is the only way to pay the bills. It's a dangerous job when you can barely use your magic, but that's one of the things I like about it. When Aidan Merrick, the most powerful shifter in the city, hired me to find an ancient scroll, I didn't want to take the job. His immense amount of power reminds me of too much of murky memories from a past I can't remember. But I don't have a choice. The scroll reveals what I am. And if anyone finds out, I'm dead.

For vet and animal whisperer Charli Avers, talking to bears is all in a day's work. But when she finds a man—a very sexy, very alpha man—where a bear ought to be, the wild comes close to home. Charli is drawn to this mysterious stranger. She wants to help him piece together the past he can't remember—even if that means shedding her human misgivings and embracing her more carnal desires. After shifting from bear to man, Barry believes he's finally found his mate. Now he just needs to find himself. He doesn't know much about the animal within him, but his human heart aches for Charli. She ignites his instincts to protect her from all danger—including their electric attraction. The stakes climb as Charli investigates the mystery behind Barry's memory loss and how it may relate to strange sightings and thefts in this little corner of Oregon. Without answers, she may lose Barry—and herself—to the wild side forever.
