

Unexplained Mysteries Of Heaven And Earth

Heaven's Call By: Roger Dawson Heaven's Call sets out to prove the existence of the afterlife through actual paranormal events experienced by an entire family with voice recordings, while also explaining research completed by the CIA and US Army on paranormal science and includes photographic evidence of an Angel visitation. Documentations within this book also provide evidence of past lives through personal paranormal experiences.

An amazing compendium of the weird and the wonderful. The range of entries is extraordinary, from the bizarre to the horrific, and from the spooky to the just plain confounding. Discover the truth behind the world's greatest mysteries We live in a beautiful world full of miracles. But so many people think that Christianity is simply a "fairy tale" religion complete with talking snakes and donkeys, magical fruit and paranormal healings, but it is simply not so. Unexplained Mysteries of Heaven and Earth investigates the physical evidence that speaks to the truth of Scripture, demonstrating that Christianity is a religion founded on fact. So join Ron Phillips as he combines his trademark theological balance with extensive historical research to travel through time to look at: · The Flood · Lost Atlantis · The Great Pyramid · The Antichrist · The Rapture · And other mysteries of God! The title "The Mysterious Chronicles of the Unexplained", is a collection or Anthology of breaking new events that caught the attention of the public new media. Most of the material in this collection concerns the mysterious and unexplained happenings of specific. Quite often in today's news media certain detailing involving the deals of breaking news events is withheld or perhaps not even discussed. This material strives to enlighten the reader with an emphasis towards looking beneath the surface of new reports and our usual perception of reality.

The Complete Guide to Understanding How They Operate

Did astronauts from other parts of the Universe visit earth before? Let's find out and discern the facts from the myths and conspiracies surrounding the Ancient Astronauts Space is vast, but rarely do we think that time is vast, too. Are we the first to visit Earth? Are we the only ones to ever do so? Since ancient times there have been strange stories of strange visitors from the stars. Ancient man often referred to these beings as gods and goddesses, but with a more modern perspective, many have begun to see these age-old myths and legends much differently. One of the most remarkable new interpretations is the ancient astronaut theory. This concept has received widespread attention and has gained more and more mainstream acceptance over the last few decades. This book does not seek to convince or persuade anyone of anything; it simply takes a look at the latest findings in the field and invites you to draw your own interpretations and conclusions. if you are fascinated by the unexplained mysteries and paranormal phenomena on our planet, you will enjoy this book Find out about the cases of possible ancient astronaut visits to our planet including: In Ancient Mesopotamia Mentioned in the Bible Mentioned in the Vedas In Ancient Egypt and Peru In Ancient Greece and Rome In Ancient China In Renaissance Europe On the British Isles Scroll back up and order your copy today!

Collects more than six hundred documented reports of incredible occurrences witnessed or experienced, over the past two hundred years, by ordinary people In these pages you will find never-before-seen biblical proof that you can be assured of blessing and favor in the last days.

Unexplained Mysteries of Heaven and Earth

The Intellectual repository for the New Church. (July/Sept. 1817). [Continued as] The Intellectual repository and New Jerusalem magazine. Enlarged ser., vol.1-28 Our Invisible Allies

This fascinating work begins with a scientific appraisal of time and its relationship with 3D space. It explains in clear, understandable language, the complex theories of such famous men as Newton, Einstein, and Stephen Hawking. Is time infinite, or does it have a beginning and an end? Do Black Holes and White Vortices distort time, or penetrate it? The authors also analyse and evaluate puzzling, well documented reports of time travel and reincarnation, and strange cases of deja vu. Can time travel account for such anachronistic discoveries as a 20th century sparkplug found encased among fossils half a million years old? Finally, the authors bring all the unsolved time-related mysteries together in a unified field theory that suggests an awesome answer to the mysteries of time-travel and reincarnation.

Accompany the Fanthorpes on their intriguing investigations in Canada and worldwide, through years of research into the unexplained.

There are many mysteries in the New Testament that Biblical teachers either ignore or dogmatically change to support an ideal rather than the written words. This book tries to expand your awareness of The New Testament so that you can understand these nuances and build upon those truths without the blinders of generalization. Some of the facts to explore are the 2 types of Faith, 2 types of Baptism, and what the 300 verses on the Heart mean. Then we get into the more confusing statements about reincarnation, revitalization, Resurrection, demons, Heaven, hell, and death, along with many other elements to help

you grow as a Christian. Some of the book will offend and other parts will uplift, but all will gain you better insight into the details of the New Testament.

New mysteries, as well as variations on recurring ones, continue to surface on a weekly basis around the globe, from showers of frogs over Hungary to birds falling to earth in Arkansas. This compendious round-up of unexplained phenomena examines everything from the experiments being done with the Large Hadron Collider to classic maritime mysteries involving inexplicably missing crews, via UFOs, mediums, cryptozoology, panics, paranoia and a universe proving stranger in fact than we'd imagined.

This is the combined volume of all four major sections of the SELF-MASTERY series of courses by the APOFS organization and the first to be published. It should be studied as a course in practical metaphysics (YOGA).

Everyone's Guide to Demons and Spiritual Warfare is a basic training manual for anyone who wants to understand spiritual warfare principles and know how to stand against satanic attacks. By incorporating demon-defying principles in our daily spiritual lives, we can learn to put the enemy to flight and move from bondage into freedom. The author also identifies several specific demonic spirits that attack God's people, and provides strategies for overcoming evil in our lives.

A fresh look at heaven invading earth, based on personal experiences with God's glory. To know God personally, says the author, is to experience His glory.

A gripping and compelling account of some of the most baffling and astonishing events, an amazing compendium of the weird and the wonderful, includes some of history's most astounding tales of the strange and supernatural and tells in vivid details the story of both events and people involved.

The Mammoth Book of Unexplained Phenomena

New Testament Mystery

This book is part of the Foundation Series by Pastor Ron Phillips.

OPEN YOUR EYES to a WHOLE NEW WORLD Beyond our normal senses there lies another dimension more real and lasting than anything we can imagine. It is a world populated by both angels and demons, and it is essential that we understand it. In Angels and Demons Ron Phillips brings you a definitive guide to these supernatural beings, providing a basic training manual in the war between good and evil. We are not powerless against the forces of darkness, but to survive we must know both our allies and our real enemies. Divided into two parts for easy understanding, sections include: ANGELS * Where they originated * How they operate * How they are activated DEMONS * Tracing their history * Understanding their dynasty * Enforcing and maintaining the victory over them

WHAT'S GOD DOING IN YOUR STORY? Our kids beg us for stories at bedtime or while we drive; we gather around firepits and dinner tables to tell and retell our favorite tales—the more dramatic the better. But when it comes to our actual lives, we prefer something less sensational, even boring—sunny skies and smooth sailing, please and thank you. We want our own stories to be predictable, safe, controllable, and catastrophe-free. When plans fall apart, jobs are lost, kids wander off, doctors give bad reports, we often wonder, "What are you doing, God? Are you sure you have this under control? It doesn't really seem like it right now." God is the master Storyteller. He's writing your story and it's a part of His bigger, grander, eternal Story. But we're still in the middle. We haven't gotten to the happy ending yet, and it can be hard to trust Him in the thick of our struggles. That's why Robert and Nancy share their own story, friends' stories, and the stories of people in the Bible who have faced life-altering challenges, but, in the end, have found God to be faithful. Learn why you really can trust God to write your story—no matter what plot twists you may encounter along the way. "This is a unique and charming book, integrating stories of God's providence from His people and His Word. Nancy and Robert write personally and beautifully, infusing readers with a Christ-centered vision, hope, and trust for the future." -Randy Alcorn, author of Heaven, Giving is the Good Life, and Deception "You Can Trust God to Write Your Story is an amazing book whose title says it all. For if you are a follower of Jesus, every day of your life—whether you feel like it or not—is weighted with kingdom purpose, eternal significance, and a royal destiny filled with joy and contentment. Let my dear friends, Robert and Nancy, help you embrace the mysteries of the Lord's Providence. For when it comes to happy endings, you can't find a better Author than the God of the Bible. Happy endings are His forte—turn the page, trust Him, and discover it for yourself." -Joni Eareckson Tada, Joni and Friends International Disability Center

The Christian faith is filled with mystery, from the Trinity and the Incarnation to the smaller mysteries found in some of the strange and unexplained passages of the Bible: Behemoth and Leviathan, nephilim and seraphim, heroes and giants and more. There is no reason for fiction engaging with Christianity to be more tidy and theologically precise than the faith itself. Here you will find challenging fantasy, science fiction, and horror stories that wrestle with tough questions and refuse to provide easy answers or censored depictions of a broken world, characters whose deeds are as obscene as their words and people who meet bad ends-sometimes deserved and sometimes not. But there are also hope, grace, and redemption, though even they can burn like fire. Join us as we rediscover the mysteries of the

Christian faith. Featuring stories by Daniel Southwell, Stephen Case, Bret Carter, H. L. Fullerton, David Tallerman, James Beamon, Robert B Finegold MD, Pauline J. Alama, J. S. Bangs, Kenneth Schneyer, Christian Leithart, F. R. Michaels, Rachael K. Jones, S. Q. Eries, Beth Cato, G. Scott Huggins, Laurel Amberdine, Joanna Michal Hoyt, Mike Barretta, Sarah Ellen Rogers. Heaven's Call

Truth is the Word

A key to the knowledge of Church history

Why isn't the Book of Enoch in the Holy Bible, even though Enoch is referenced multiple times? Why were texts considered sacred by many, excluded by others? Who made the decisions and why? There are more than 50 books—some of which exist only in fragments while others are complete and whole—that are not included in the biblical canon. Why were they discarded? Most Protestant denominations settled on 66 canonical books of the Bible, while there are 73 for Roman Catholics and 78 for Eastern Orthodox adherents. Why are there these differences of opinion? We are often taught that the Bible is, in the words of many religious catechisms, "the infallible word of faith and practice." In reality, the Bible can also be seen as a political document as much as a spiritual one. Ordained minister and theologian Jim Willis examines the historical, political, and social climates that influenced the redactors and editors of the Bible and other sacred texts in *Censoring God: The History of the Lost Books (and other Excluded Scriptures)*. In analyzing why texts were censored, he uncovers sometimes surprising biases. He investigates enigmatic hints of Bible codes and ancient wisdom that implies a greater spiritual force might have been at work. Willis explores the importance of the Book of Enoch, its disappearance, and how it was rediscovered in Ethiopia. He analyzes over two dozen excluded texts, such as Jubilees and the Gospel of Thomas, along with the many references to books that we know about from fragments but remain lost. Thought-provoking and provocative, *Censoring God* scrutinizes how sacred texts might have been used to justify the power of the powerful, including the destruction of sacred writings of conquered indigenous cultures because they did not agree with the finished version of the Bible accepted by the Church establishment. This important book looks at the human failings in interpreting God's words, and through a compassionate examination it brings a deeper understanding of the power and importance of the lost words. With more than 120 photos and graphics, this tome is richly illustrated. Its helpful bibliography provides sources for further exploration, and an extensive index adds to its usefulness.

The *Monarch History of the Church* is an eight-volume series by world-renowned historians and theologians. Each volume offers an even-handed, comprehensive and readable assessment of the main strands of Christianity within its period. The first volume covers the period AD 30-312. During this time, the church experienced major challenges politically, culturally and intellectually, yet grew and defined itself in remarkable ways. Here is the story of Christianity's earliest shapers - men and women whose influence is still felt today.

In every corner of this earth there are secrets. They are hidden in the dark edge of the woods, nestled in the cold stars, and staring out from a stranger's eyes. And whether they be demonic possession or an unsolved murder, the unknown has always haunted our dreams. From the hit podcast *Unexplained* comes a volume perfectly crafted for the curious, the cynical, and the not-easily-frightened. Richard Maclean Smith is the expert in the unknown, and humbly offers up ten tales of real-life events that continue to evade explanation. With these chilling stories comes the missing key: a connection to our own beliefs in science, superstition, and perception. What can a case of demonic possession teach us about free will? What can a cursed box show us about the act of storytelling? What can a supposed instance of reincarnation tell us about developing a concept of the self? Perhaps some things are just better left unexplained...

Unveiled Mysteries' describes Godfre Ray King's encounter with the ascended master, St. Germain. The account is extremely in-depth and detailed, and is vital reading for anyone with an interest in the

subject of ascension. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

*Includes pictures *Profiles mysteries like the Lost Colony of Roanoke, ghosts like the Bell Witch of Tennessee, and more *Includes online resources and a bibliography for further reading *Includes a table of contents The American South has given birth to many of the nation's great stories and legends. From the earliest Colonial times, it's been a place of mystery, replete with disappearing colonies and strange apparitions in the woods, but the South's long and proud history has always had a darker, and stranger, side to it. One of America's most famous mysteries was its first. Despite the fact he had left over 100 colonists at the island of Roanoke in 1587, John White returned to literally nothing, with all traces of the settlement gone and no evidence of fighting or anything else that might have explained the disappearance of the inhabitants. White found the word "Croatoan" carved on a tree nearby, which he figured might mean the colonists moved to a nearby island, but he was unable to conduct a search expedition there. The Spanish also searched for the colony in hopes of wiping it out themselves, but none of the Europeans could find Roanoke's colonists or explain what happened to the "lost" colony. The fate of Roanoke has fascinated people for over 400 years, and there is no shortage of theories regarding the disappearance of the colony. In addition to the possibility that the settlers moved to Croatoan Island, most theories speculate that they were either wiped out by nearby Native Americans or assimilated among a tribe. Future settlements in the area would survive and start to flourish, and that would bring more mystery and unexplained phenomena. Tales of monsters and ghosts lurking in its woods and old houses, and strange monuments that may be from a forgotten civilization, puzzle local investigators. All the while, the early inhabitants themselves were always superstitious, whether in Florida, Georgia, Maryland, North Carolina, South Carolina, Virginia, West Virginia, Alabama, Kentucky, Mississippi, Tennessee, and eastern Louisiana. *Mysteries of the South: Ghosts, Legends, and Unexplained Phenomena in Dixie* profiles a sampling of strange, unexplained, and just plain odd stories of the South that have fascinated people in and around the region for centuries. Along with pictures of important people, places, and events, you will learn about the mysterious side of the South like never before, in no time at all.
