The Gospel written by the Beloved Disciple St. Augustine once said about the Gospel of John, that, "It is shallow enough for a child not to drown, yet deep enough for an elephant to swim in it." John contains the Bible's favorite verse - John 3:16. John's themes are essential to our understanding of Jesus as Son of God and Messiah. Here we learn about the Holy Spirit, the Counselor who lives within us to guide and empower us. We learn about the Father's

love and eternal life. Some of the most beloved stories of Jesus' ministry are found only in the Fourth Gospel -- changing the water into wine, the woman at the well, the woman taken in adultery, raising Lazarus, washing the disciples' feet, and many more. In John's Gospel you find Jesus as the Bread of Life; the Light of the World; the Good Shepherd; the Way, the Truth, and the Life. John's Gospel is lengthy - 21 chapters, but rich and deep. Each chapter concludes with a summary of lessons for disciples to ponder. This study's helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved

Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient,

medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the

The Gospel of Christ is a message which claims to save from damnation those who believe it. This "good news" message purports to reveal who saves, what he

did, why we need it, how we get it, and where to find reliable information about it. The Gospel, however, is widely doubted, disputed, and denied. Many wonder: - Does Jesus have to be who Christians claim he is? - What did his death accomplish? - Why would God send me to hell? - Can faith really be all there is to it? - Do I need to trust the Bible? Using Bible verses, "I Have Some Good News" addresses objections to the Gospel, and allows

The book of Revelation is a book that contains the revelation of Jesus Christ, which God gave to him for one specific purpose. What is that? To show unto his servant John things which must shortly come to pass. Revelation, despite what many people believe or say, is not the revelation of John. The Word tells us point blank that the book of Revelation is the revelation of Jesus Christ. John was only the vessel that Jesus used to write the warning to the churches and to the saints of what the future holds for the world. Jesus is coming back. The scripture says that

A new translation and analysis of one of the most controversial of the apocryphal gospels • Emphasizes an initiatic marriage between the male and female principles as the heart of the Christian mystery • Bears witness to the physical relationship shared by Jesus and Mary Magdalene • Translated from the Coptic and analyzed by the author of the bestselling *The Gospel of Mary Magdalene* (over 90,000 sold) The mainstream position of the Christian church on sexuality was perhaps best summed up by Pope Innocent III (1160-1216) when he stated that “the sexual act is so shameful that it is intrinsically evil.” Another Christian theologian maintained that the “Holy Ghost is absent from the room shared by a wedded couple.” What Philip records in his gospel is that Christ said precisely the opposite: The nuptial

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

chamber is in fact the holy of holies. For Philip the holy trinity includes the feminine presence. God is the Father, the Holy Ghost is the Mother, and Jesus is the Son. Neither man nor woman alone is created in the image of God. It is only in their relationship with one another--the sacred embrace in which they share the divine breath--that they resemble God. The Gospel of Philip is best known for its portrayal of the physical relationship shared by Jesus and his most beloved disciple, Mary of Magdala. Because it ran counter to the direction of the Church, which condemned the "works of the flesh," Philip's gospel was suppressed and lost until rediscovered at Nag Hammadi in 1947. Orthodox theologian Jean-Yves Leloup's translation from the Coptic and his analysis of this gospel are presented here for the first time in English. What

Daybreak over Ecuador is a historical narrative of the first protestant foreign missionaries to attempt to enter Ecuador after the lessening of religious control in the country. Ecuador was the last Latin American country to open its doors to protestant missions. Those who dared to come faced hostility and deprivation. This is the country where a native indigenous person had to apply for permission to dress like a Spaniard, and an Ecuadorian was not a citizen if he was not a Catholic. Here is where a customs official boasted that "as

long as Mount Chimborazo stands the Bible will not enter Ecuador." It was not until 1895 that foreign missionaries were allowed on its soil. This is the story of some of those people. It is a tribute to the faithful men and women who risked their lives in order to establish the evangelical church in Ecuador. There are stories of persistence and meagre beginnings in some of the most isolated places till a national church arose that is today a formidable missionary force in its own right. It is the story of the people who came, and who came to stay. Ecuadorian writers who understood the milieu into which they were coming provide the historical backdrop for the story. The book foreword is written by the president of the Ecuadorian confraternity of evangelical churches, Eduardo Lopez who says that "AS EVANGELICAL CHRISTIANS IN ECUADOR

we ought to be grateful to God for the life and testimony of the first missionaries who came to our nation for the solitary purpose of sharing the Gospel of Christ with Ecuadorians. Daybreak Over Ecuador transports us by way of its pages to an understanding of the life and testimony of these men and women of God, as well as of the events that signalled important milestones in the advance of the missionary enterprise in Ecuador." Daybreak over Ecuador is a primer to understanding evangelical mission effort in Ecuador. There is a serious attempt to set the religious context of the book. Rather than a comprehensive account it is anecdotal and selective. It touches on the original individuals who came, highlighting instructive moments in their careers. Three representative figures form the centrepiece dedicatory. The

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

second half of the book traces some of the attempts to engage the populace with the Gospel in different spheres of endeavor. The resulting national church becomes a watershed mark in 1945. From there the mission family expanded exponentially and the resulting growth pains of the church are noted as missions organizations navigated the landscape. The author is a career international worker who himself lived and researched the stories in the course of his journey and experience as a missionary. As a participant in the drama he offers insights and insider perspective on what was happening and had access to C&MA mission files during the investigation. Daybreak over Ecuador is part of his journey and is a tribute to the men and women of the Gospel Missionary Union, the Christian and Missionary Alliance, and

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

many others who spent their lives in the face of great opposition to establish the evangelical church in Ecuador. The fierce fanaticism of the times was matched by the steadfast defiance of the early pioneers. Theirs are stories of loneliness and loss, isolation, persecution and tragedy. There are also stories of perseverance and meagre beginnings in some of the most isolated places till a national church arose that is today a formidable missionary force in its own right. These are the stories of ordinary foot soldiers who are honoured today as heroes of faith because they constructed the footholds and built the beachheads on which the church today stands."

important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its

Using the alphabet to teach about God has a rich history in the Bible, especially in the Psalms and Lamentations. Several of the psalms—notably Psalm 119—begin with letters of the Hebrew alphabet, forming an acrostic that spells out the entire alphabet. The authors make learning theology fun and effortless. Their book shows God as he is, not “just to know about him more in our brains, but to know him as the God of glory who reigns.”

Laudato Si 'is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

For us, Jews who grew up in Israel, Jesus and His word were never part of the conversation. Not in our school

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

system, not in our synagogues, and not in our media. Nor do we have easy access to the New Testament. Jesus has been studiously avoided, and hidden from our people. Today in Israel, 99.7% of the Jewish population, reject Jesus as the Messiah. How did our country, where the gospel first took place, come to be so adamantly against it? Within Judaism over the last two millennia, any kind of spiritual message had to go through the "gate keepers," the Orthodox Jewish Rabbis. The Rabbinic Judaism of the Orthodox comes directly from the sect of the "Pharisees," whom Jesus rebuked: "Woe to you, scribes and Pharisees, hypocrites, because you shut off the kingdom of heaven from people; for you do not enter

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

in yourselves, nor do you allow those who are entering to go in." (Matthew 23:13) Ever since the days of Messiah, the Rabbis have set themselves in opposition to the gospel, blocking the message of Jesus from Israel. They deliberately prevent Jewish people from hearing about the free salvation offered to them in the death and resurrection of their own Jewish Messiah. They have gone to great lengths to conceal Jesus, and keep him the best kept secret in Judaism., keeping our people in spiritual darkness. But now the secret is out! After almost 2000 years, Jesus, or as we call him in Hebrew, Yeshua, can no longer be hidden from the people! Today, our ministry, ONE FOR ISRAEL, reaches Jewish and Arab

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

Israelis exactly where they are - online. We no longer need the rabbis' permission for anything. We can go straight into the smartphones, tablets, and computers of every Israeli, sharing the saving good news of Yeshua the Messiah! In the past, the message of the gospel came to Israel from outside our borders, delivered by people who didn't understand our language, our culture, our heritage or our way of thinking. Today the messengers look very different. Now it is Jewish and Arab Israelis who are bringing the gospel back to where it started - back to our own people Israel. We can explain the gospel to our people in a way that makes sense to them, in our own native tongues of Hebrew and Arabic

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

as only Israelis can, and help our people understand who Yeshua really is. The Orthodox rabbis in Israel operate an "anti missionary" organization called Yad L'Achim, specifically to fight against the spread of the gospel among the Jewish people. This very well-funded organization, works very closely with the Minister of Interior in the Israeli government. They seek to prevent Jewish people from leaving the confines of Rabbinic Judaism by any means necessary (not always legally), and relentlessly persecute us, the Jewish believers in Jesus in Israel. With over 90% of the names, photos and addresses of all the Messianic Jews in Israel on file, Yad L'Achim began sending a magazine called "Searching"

Online Library Union Gospel Press Sunday School Lesson For Aug 3rd 2014

to the homes of believers in Israel back in 2014. The magazine contains objections and refutations from Orthodox rabbis about the messiahship of Jesus, the credibility of the New Testament, and trying to ridicule and destroy the belief in Jesus. This caused several Jewish believers, even including some who had been missionaries, to deny their faith in Jesus and revert to rabbinic Judaism. Over the past five years, I decided to go over all of their magazines, books and videos, in order to answer their arguments and prove their objections false. Since 2015 we have released about 150 short videos where we share the gospel and directly refute these rabbinic objections to Jesus, New
