A complete review, this guide covers the five major subject areas of the ARRT exam in radiography. And it's an effective study guide for many radiography courses! Written in outline format, each review of a subject is followed by

questions related specifically to that area. This edition also provides valuable information on preparing resumes and cover letters, interviewing, and career planning to help you make the transition to a successful career. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Content review in outline format includes the five major subject areas covered on the ARRT exam, helping you concentrate on the most important information. Thorough coverage of digital and computed radiography reflects the increased emphasis of these topics on the Registry exam. Review questions with answers let you practice AART exam-style questions, helping you assess your preparedness and identify areas that need additional study. Rationales for correct and incorrect answers are included in the appendix. Career preparation advice covers continuing education requirements, career advancement, and basic financial planning - such as negotiating salary and benefits. Expanded coverage of digital imaging and ethical standards

reflects the increased emphasis of these topics on the Registry exam. Situational Judgment Test questions provide practice with the new type of Registry question requiring you to select the best response in an ethics-related situation.

Over 270 total pages ... SUBJECT: Jumpmaster Course Student Conduct, Graduation Requirements and Grading Criteria The purpose of this memorandum is to outline the requirements for a student to successfully complete the United States Army Jumpmaster course within the administrative point system and all graded exams. 1. Students attending the Jumpmaster Course must conduct themselves in an appropriate and disciplined manner, on-duty and off-duty. Students who violate provisions of the Uniform Code of Military Justice (UCMJ) will be quickly disciplined, and may be permanently dropped from training with subsequent assignment as a non-graduate. You will receive a briefing from your NCOIC on your conduct while assigned to the Jumpmaster Course. Any violation of the items in the briefing may result in

being dropped from the course. 2. Students must meet the following requirements on all exams in order to graduate from the US Army Jumpmaster Course: a. Nomenclature Exam. Student will be presented with 25 items of equipment chosen on a random basis. Student must score a minimum of 70% to receive a “ GO ” . b. Actions During Decent Exam (pre-jump). Student will be given 30 minutes in which to recite Actions During Decent in its entirety. Student must score a minimum of 70% to receive a “ GO ” . c. Written Exam. Student will be given one hour to answer 100 questions, to include True/False, Multiple Choice, and Fill-in the Blank. Student must score a minimum of 70% to receive a “ GO ” . In addition to the tested material, students may lose 16 points on the exam for not following the instructions given during the test brief. d. JMPI Exam. Student will have five minutes in which to JMPI three jumpers, one wearing combat equipment, two hollywood jumpers. Using proper sequence, and proper nomenclature while identifying all deficiencies. Student must score a minimum of 70% to receive a “ GO ” . e. Practical Work inside the Aircraft (PWAC) Exam. Students will be graded on hand and arm signals, and door check procedures, in an Air Force fixed wing aircraft while in flight. Student must score a minimum of 70% to receive a “ GO ” . In addition to the tested material, students may lose points on the exam for improper rigging of equipment, or failure to follow instructions. 3. Students will be given one retest

for each exam (Nomenclature, Actions During Decent, Written, or PWAC) where they fail to meet the 70% standard. Students must score a minimum of 70% on any retest in order to receive a “GO.” Passing scores on a retest will count towards the student’s grade point average as 70%, regardless of the number of correct or incorrect answers on the exam. Students that fail to achieve the 70% standard on a retest will be dropped from the course. 4. Students who maintain an 80% or higher grade on the Nomenclature, Actions During Decent, PWAC and Written exams will be considered “Re-Entry Qualified.” Re-Entry Qualified students will receive two additional attempts to pass the JMPI test. Students that fail to maintain re-entry status will still receive three attempts on the JMPI test. 5. The use of administrative points will assist the cadre in enforcing standards throughout the course. Students will begin the course with 100 administrative points and my loose re-entry status if accrued administrative points drop below 80%. Radio Frequency Identification (RFID) is an automatic identification method, relying on storing and remotely retrieving data using devices called RFID tags (also called transponders). This book is a guide to CompTIA's new RFID+ Security exam and includes the following study elements: Exam objectives covered in a chapter are clearly explained in the beginning of the chapter, Notes and Alerts highlight the crucial points, Exam’s Eye View emphasizes the

important points from the exam ' s perspective, Key Terms present definitions, Review Questions contain questions modeled after the real exam questions.
