

Unlocking The English Legal System Untl

Contains the essential cases required to study the English Legal System module of an undergraduate llb or GDL/CPE law degree in a format that is convenient and which breaks the key law down into helpful sections.

Offers an accessible overview of Hong Kong's legal system and guides first-year law students in legal research and methods.

Public Law is an ideal choice for all undergraduate and GDL students looking for a comprehensive yet accessible textbook on this area of law. The author's clear writing style, accessible tone, and focus on modern case law help bring the subject to life. The book covers the key institutions, concepts, and legal rules of the United Kingdom's constitutional system, with the chapters arranged around four subjects: the foundations of the constitutional system; Constitutional Law; Administrative Law; and human rights. The book's central theme is that of state power, and the relationship between the state and the citizen. The second edition has been revised to reflect recent key developments in Public Law, and now extensively explores, in addition to several other key chapter updates, the impact of the 2016 EU referendum, the 2017 General Election, and changes in devolution across England, Scotland, and Wales. Clearly written and easy to use, Public Law enables students to fully engage with the topic and gain a profound understanding of this fundamental, exciting area. The Routledge Spotlights series brings a modern, contemporary approach to the core curriculum for the LLB and GDL, which will help students: to move beyond an understanding of the law to refine and develop the key skills of problem-solving, evaluation and critical reasoning, which are essential to assessment success to discover sources and suggestions for taking your study further By focusing on recent case law and real-world examples, Routledge Spotlights will help you shed light on the law, understand how it operates in practice and gain a unique appreciation of the contemporary context of the subject. This book is supported by a range of online resources developed to support your learning. Keep you up-to-date and to help you prepare for assessments.

Course Notes designed to help you succeed in your law examinations and assessments. Each guide supports revision of an undergraduate and conversion GDL/CPE law degree module by demonstrating good practice in creating and maintaining ideal notes. Course Notes will support you in actively and effectively learning the material by guiding you through the demands of compiling the information you need. Written by expert lecturers who understand your needs with examination requirements in mind Covers key cases, legislation and principles clearly and concisely so you can recall information confidently Contains numerous diagrams, definition boxes, workpoints, and other features to help you understand difficult concepts Provides opportunities throughout for you to check your understanding Additional online revision guidance such as sample essay plans, interactive quizzes and a glossary of legal terms at www.unlockingthelaw.co.uk

Unlocking Equity and Trusts

A Research Companion

This volume presents a leading contribution to the substantive arena relating to homicide in the criminal law. In broad terms, the ambit of homicide standardisations in extant law is contestable and opaque. This book provides a logical template to focus the debate. The overall concept addresses three specific elements within this arena, embracing an overarching synergy between them. This edifice engages in an examination of UK provisions, and in contrasting these provisions against alternative domestic jurisdictions as well as comparative contributions addressing a particularised research grid for content. The comparative chapters provide a wider background of how other legal systems treat a variety of specialised issues relating to homicide in the context of the criminal law. The debate in relation to homicide continues apace for academics, practitioners and within the criminal justice system. Having expert descriptions of the wider issues surrounding the particular discussion and of other legal systems' approaches serves to stimulate and inform that debate. This collection will be a major source of reference for future discussion.

Unlocking Land Law will help you grasp the main concepts of the subject with ease. Containing accessible explanations in clear and precise terms that are easy to understand, it provides an excellent foundation for learning and revising land law. The information is clearly presented in a logical structure and the following features support learning, helping you to advance with confidence: Clear learning outcomes at the beginning of each chapter set out the skills and knowledge you will need to get to grips with the subject; key facts summaries throughout each chapter allow you to progressively build and consolidate your understanding; end-of-chapter summaries provide a useful check-list for each topic; cases and judgments are highlighted to help you find them and add them to your notes quickly; frequent activities and self-test questions are included so you can put your knowledge into practice; sample essay questions with annotated answers prepare you for assessment; glossary of legal terms clarifies important definitions. This edition has been extensively rewritten and updated to include discussion of recent changes and developments within the module. These include the decision in *Marr v Collie* [2017] UKPC 17 and its implications on implied trusts and rights in the family home; *Regency Villas Title Ltd v Diamond Resorts* [2017] EWCA Civ 238, which has redefined the definition of an easement; *Smith v Molyneux* [2016] UKPC 35, which revisits the law on consent to a licence in adverse possession cases, and, not least, the interesting decision in *Baker v Craggs* [2018] EWCA 1126, which considers what constitutes a legal estate in land under s 2 Law of Property Act 1925.

Combining straightforward explanation with scholarly analysis, Law of Evidence introduces students to the full range of topics covered in law of evidence courses, with clarity and depth. Highlighting the context within which the law operates, the textbook maintains an engaging narrative with a strong practical focus. Integrated extracts from key judgments and statutes, as well as academic articles and books, lead students to develop a deeper understanding of the subject, and detailed commentary on these extracts helps students develop the ability to read and analyse case law effectively. Student learning is further supported by numerous visual aids, including diagrams, flowcharts and tables, which illustrate the relationships between principles and provisions and clarify the complex aspects of the law. A companion website with regular updates to the text ensures that students always have the most up-to-date coverage of the law at their fingertips.

Unlocking the English Legal System will help you grasp the main concepts of the legal system in England and Wales with ease. Containing accessible explanations in clear and precise terms that are easy to understand, it provides an excellent foundation for learning and revising. This edition considers recent case law and legislation as well as the outcome of the UK's referendum on membership of the EU; the decision of *Millers v Joyce* and its impact on the role of the Privy Council in the system of precedent; the new Combined Family Court; the Legal Education and Training review and changes to the profession; and funding cuts to legal services and legal aid. The Unlocking the Law series is designed specifically to make the law accessible. Each chapter opens with a list of aims and objectives, and contains diagrams to aid learning. Cases and judgments are prominently displayed, as are primary source quotations. Summaries help check your understanding of each chapter, and there is a glossary of legal terminology. New features include problem-based questions with guidance on answering, as well as essay questions and answer plans, plus cases and materials exercises. All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units.

An Introduction to Law

The Hong Kong Legal System

Unlocking Land Law

English Law

Collier's Conflict of Laws

This book is a broad and deep inquiry into how contingency fees distort our civil justice system, influence our political system and endanger democratic governance. Contingency fees are the way personal injury lawyers finance access to the courts for those wrongfully injured. Although the public senses that lawyers manipulate the justice system to serve their own ends, few are aware of the high costs that come with contingency fees. This book sets out to change that, providing a window into the seamy underworld of contingency fees that the bar and the courts not only tolerate but even protect and nurture. Contrary to a broad academic consensus, the book argues that the financial incentives for lawyers to litigate are so inordinately high that they perversely impact our civil justice system and impose other unconscionable costs. It thus presents the intellectual architecture that underpins all tort reform efforts.

Unlocking Company Law is the ideal resource for learning and revising Company Law. This 4th edition has been extensively updated, and this, along with its many pedagogical features, makes it the ideal companion for students studying Company Law. Each chapter in the book contains: • aims and objectives; • activities such as self-test questions; • charts of key facts to consolidate your knowledge; • diagrams to aid memory and understanding; • prominently displayed cases and judgments; • chapter summaries; • essay questions with answer plans. In addition, the book features a glossary of legal terminology, making the law more accessible.

Unlocking the English Legal SystemRoutledge

An engaging introduction to one of the most complex areas of modern life. The book introduces both the main components of the legal system - including judges, juries and law-makers - and key areas of law - contract, civil negligence, and criminal law - to provide the uninitiated with an ideal introduction to law. Key questions to be considered include: How are laws made? How do judges decide cases? What is the exact role of the EU in the legal system? What are your rights and duties under contract law? What is a crime and what are criminal defences? Throughout the book, a wide range of contemporary cases are examined to relate key legal concepts to familiar examples and real world situations.

The British justice system is an ancient one that has continually evolved to meet modern needs. In this set of three essays, originally presented as the Hamlyn lectures in 2012, Jack Straw reviews some of the most important recent reforms to the system of British justice and suggests key areas in need of further reform. He focuses in particular on the criminal courts, human rights, judicial appointments and the relationship between the UK Parliament, the domestic courts and the European Court of Human Rights. In all three cases, he argues that the British justice system is now in a healthier state than it has been in his lifetime, but that there remains much room - and need - for improvement.

The extensively updated seventh edition of Unlocking Equity and Trusts will help you grasp the main concepts of Equity and Trusts with ease. Using straightforward language and explaining the law in a clear manner, it provides an excellent foundation for learning and revising. This detailed examination explores the extent to which non-pecuniary damages can properly be awarded to companies.

Slapper and Kelly's The English Legal System

Unlocking Criminal Law

This text offers an activity-based approach to the often difficult topic of the English legal system. The text incorporates a wide range of activities, exercises and real examination questions along with illustrations.

A striking new analysis of Myanmar's court system, revealing how the rule of law is 'lexically present but semantically absent'.

Slapper and Kelly 's The English Legal System explains and critically assesses how our law is made and applied. Trusted by generations of academics and students, this authoritative textbook clearly describes the legal rules of England and Wales and their collective influence as a sociocultural institution. This latest edition has been extensively restructured and updated, providing up-to-date and reliable analysis of recent developments that have an impact on the legal system in England and Wales. Key learning features include: useful chapter summaries which act as a good check point for students: ' food for thought ' questions at the end of each chapter to prompt critical thinking and reflection; sources for further reading and suggested websites at the end of each chapter to point students towards further learning pathways; and an online skills network including how tos, practical examples, tips, advice and interactive examples of English law in action. Relied upon by generations of students, this book is a permanent fixture in this ever-evolving subject.

The legal system is awash with excessive and incomprehensible information. Yet many of us assume that the unrelenting torrent of information pouring into various legal programs is both inevitable and unstoppable. We have become complacent; but it does not have to be this way. Incomprehensible! argues that surrendering to incomprehensibility is a bad mistake. Drawing together evidence from diverse fields such as consumer protection, financial regulation, patents, chemical control, and administrative and legislative processes, this book identifies a number of important legal programs that are built on the foundational assumption that 'more information is better'. Each of these legal processes have been designed in ways that ignore the imperative of meaningful communication. To rectify this systemic problem, the law must be re-designed to pay careful attention to the problem of incomprehensibility.
