Story of a Soldier

Electronic Mechanic

What Might Have Been Me

For almost 70 years now, India has been withstanding terrorism and imposed wars. Thousands of soldiers from the Indian Army have sacrificed their life to safeguard their nation. After independence and until the Kargil war of 1999, 25,942 soldiers from the Indian Army sacrificed their life for the nation, to honor them; a national war memorial has been constructed in New Delhi. Even after all these, India has been successful in establishing peace at an international level.

**The Spirit of the English Journals. 1825,2  
With a Compleat Index**

Carla Matthews travelled to New York as a student for a summer but when the time came to head home to Ireland, she decided to stay behind. She had fallen in love with musician boyfriend Eddie, with the city itself, with the idea that here she could become someone new, someone she couldn't be in Dublin anymore. Eleven years later, Carla feels stuck. She never did return to university and has almost forgotten her dream of being a writer. As she begins to wonder if this is how it will always be, she receives a phone call from home that changes everything. Now Carla must return to Dublin, to her mother and sister, to a city and a life she hardly recognises anymore. Faced with some difficult choices, Carla begins to discover what it truly means to come home to herself. What Might Have Been Me is a compelling story of love and belonging, and of how, in the midst of devastating loss, a family finds a way to piece itself back together.
