Do you use a satnav or smartphone satnav app? If so, How to Get More from Your Satnav is for you. This unique exploration of the satnav, by an experienced professional driver, provides a penetrating analysis of the difficulties and problems associated with using it. In

Download Free User Guide For Tomtom Gps

addition, a wealth of practical advice is offered and many fascinating insights. The 'bells and whistles' associated with satnavs are avoided and instead author Bob Scanlon concentrates on straightforward road navigation. • The problem of arriving at the wrong destination

Download Free User Guide For Tomtom Gps

is given an in-depth consideration and a simple practical solution offered. •

Route planning is explored and a range of techniques are proposed to help. •

Pointers are provided to advanced routing. •

How you use your satnav on the move is a much neglected area of concern and

Download Free User Guide For Tomtom Gps

guidance and advice
is provided here too. •

A review of a high
specification satnav
with HD live traffic is
included and lastly,
the satnav as a
concept is evaluated.

This is a sorely
needed contribution to
the practice of road
navigation and
provides an
invaluable guide to
