known preservative
called thimerosal,
which includes a
quantity of the
toxin mercury.
Evidence of Harm

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Coercive Government Threaten Our Human Rights Our Health And Our Children

explores the heated controversy over what many parents, physicians, public officials, and educators have called an "epidemic" of afflicted children. Following several families, David Kirby traces their struggle to

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Coercive Government Threaten Our Human Rights Our Health And Our Children

understand how and why their once-healthy kids rapidly descended into silence or disturbed behavior, often accompanied by severe physical illness. Alarmed by the levels of mercury in the vaccine schedule, these families sought answers

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Coercive Government Threaten Our Human Rights Our Health And Our Children

from their doctors, from science, from pharmaceutical companies that manufacture vaccines, and finally from the Center for Disease Control and the Food and Drug Administration-to no avail. But as they dug deeper, the families also

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Coerced Government Threaten Our Human Rights Our Health And Our Children

found powerful allies in Congress and in the small community of physicians and researchers who believe that the rise of autism and other disorders is linked to toxic levels of mercury that accumulate in the systems of some children. An

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Coercive Government Threaten Our Human Rights Our Health And Our Children

important and troubling book, Evidence of Harm reveals both the public and unsung obstacles faced by desperate families who have been opposed by the combined power of the federal government, health agencies, and pharmaceutical

vaccines. In the
end, as research is
beginning to
demonstrate, the
questions raised by
these families have
significant

Online Library Vaccine Epidemic

implications for all children, and for those entrusted to oversee our national health.

Reveals the truth behind the controversial issue of vaccine-related injuries.

Proponents declare that vaccines have saved millions of lives. Critics claim

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Coercive Government Threaten Our Human Rights Our Health And Our Children

that the success is overstated and that vaccines may even be dangerous. Many consider mandatory vaccinations a violation of individual rights or religious principles. Many in public health argue that vaccine mandates

Online Library Vaccine Epidemic

are critical and justified and that antivaccination sentiment has resulted in outbreaks of preventable childhood illnesses. Vaccine critics point to mainstream medicine's denial of and underreporting of

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Sued Our Government Threaten Our Human Rights Our Health And Our Children

vaccine injury.
Vaccine injuries have happened in the past and continue to happen today, and neither the mainstream medical establishment nor the government has ever fully and transparently addressed the issue of vaccine

Injury. In the
1980s, the United
States addressed
individual cases of
vaccine injury by
establishing the
NVICP—the
National Vaccine
Injury

Compensation
Program—a
controversial
Department of
Health and Human

Online Library Vaccine Epidemic

Services program.

The NVICP was

intended to be

“non-adversarial,

compassionate,

and generous” to

vaccine-injury

victims. However,

many vaccine-

injury victims and

safety advocates

believe that the

program is not

functioning as

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Covered Up Government Threaten Our Human Rights Our Health And Our Children

intended. There are also concerns that the program is keeping the reality of vaccine injury from public inspection. Vaccine Injuries, a groundbreaking book in the field, reveals cases of vaccine injury from the NVICP—something

Online Library Vaccine Epidemic

that has never
been offered to the
public—and lets
readers assess
vaccine injuries for
themselves.

Vaccine Epidemic

eldom-
acknowledged
tendency of our
own immune cells
to promote
deadly cancers,
Ehrenreich looks
into the
cellular basis
of aging, and
shows how little
control we
actually have
over it. We tend

Online Library Vaccine Epidemic

How Corporate Greed Biased Science And Coercive Government Threaten Our Human Rights Our Health And Our Children

to believe we have agency over our bodies, our minds, and even over the manner of our deaths. But the latest science shows that the microscopic subunits of our bodies make their own "decisions," and

Online Library
Vaccine Epidemic

*not always in
our favor. We
may buy And
expensive anti-
aging products
or cosmetic
surgery, get
preventive
screenings and
eat more kale,
or throw
ourselves into
meditation and
spirituality.*

Online Library
Vaccine Epidemic

But all these things offer only the illusion of control. How to live well, even joyously, while accepting our mortality -- that is the vitally important philosophical challenge of

Online Library
Vaccine Epidemic

this book.

are now—of

Online Library
Vaccine Epidemic

How Corporate Greed Biased Science And Threaten Our Human Rights Our Health And Our Children

uncertainty about the future. This is not a book for those who think they already know how the story ends, but one that asks the tough questions in terse, hard-hitting paragraphs and chapters. Virus walks a tightrope wire, in the same way that nearly all

Online Library
Vaccine Epidemic

Americans are already doing, and does not presume our lives will be saved by any one approach or answer, or that any side has ownership of the truth, but puts us on a path towards a better understanding of what just happened to us and where

Online Library
Vaccine Epidemic

we're likely to be
headed when, not if,
the next virus

appears. Here is: •

The true story
behind the triumph
of science in an era
of unprecedented
science denialism; •

The other true story
of government
malfeasance that
brought the U.S. to
its knees and saw

Online Library
Vaccine Epidemic

How Corporate Greed Biased Science And
more Americans die from the pandemic than in any other nation; • An eye-opening series of interviews with researchers and creators of the mRNA vaccine, its test subjects, and other key figures; • The history behind one of the great medical milestones:

Online Library
Vaccine Epidemic

How Corporate Greed Biased Science And Government Threaten Our Human Rights Our Health And Our Children

the astonishingly fast development and clinical deployment of the first mRNA vaccine, and how it will change the way medicine is practiced in the future; • The alternate reality of bizarre conspiracy theories that undergird pandemic

Online Library
