What's the deal? Why's Lucy writing a cookbook? Well my friend, I'm attempting to fill the void of information that's missing. To create content that I would actually read myself and information that I wish I had stumbled across on my researching endeavours. For starters, all the 'van life' cookbooks and cooking ideas out there have been written and developed by people with oodles amounts of money, people not living the true van life. So if you're about to embark on the true van life experience this will be the perfect book for you. The true recipe to make everything just that much simpler and more enjoyable. There's nothing worse than growing sick of those same few meals you can cook and dreading meal times. What a lot of people don't know about me is that I'm a bit of a spreadsheet nerd - I love them. I like to understand everything and know what I can actually afford and when I'm treating myself. Sometimes foods you think cost more and what I consider some of the finer things in life, can turn out to be cheaper than expected. Often that is the case and I can live like a queen! But seriously, these are truly van life or camper life recipes for those budget, free camping, happy-go-lucky, looking for something tasty people in life. All money goes towards my coffee fund. This Book is suitable for Vegetarians and Vegans. With hundreds of funky vehicles, awe-

inspiring landscapes, and cleverly designed interiors in tiny spaces, Van Life is perfect for anyone who dreams about living on the open road. More and more, people of all generations -- from millennials to baby boomers -- are taking a break from conventional life for the freedom, tranquility, and adventure of being on the road and living in a converted vintage truck, camper, or van. One of these van-dwellers, Foster Huntington, created the #vanlife hashtag as he chronicled his adventures of living in a van and driving it across the country. He tapped into a community of like-minded individuals looking to explore nature at their own pace and live a debt-free lifestyle. Van Life showcases the best crowd-sourced photographs from Foster's social media accounts -- many of which have never been posted or seen before. Organized into sections like Volkswagen vans, American vans, converted vans, school buses, and more, the selection of photos includes shots of the unique vehicles and the beautiful locations they've been parked. From stunning beaches to dramatic mountains and picturesque forests, and with fully designed interiors with kitchens and sleeping quarters, this stunning array of life-on-the-road-possibilities might just be enough to get you to pack up your things and hit the highway. Also included are informative and topical interviews with solo travelers, couples, and families who are living this new American dream.

On the Open Road from Debt to Freedom

Live, Eat, Sleep (Repeat)

Inspired by Thoreau, Ilgunas set out on a Spartan path to pay off \$32,000 in undergraduate student loans by scrubbing toilets and making beds in Coldfoot, Alaska. Determined to graduate debt-free after enrolling in graduate school, he lived in an Econoline van in a campus parking lot, saving—and learning—much about the cost of education today.

Build your dream van. Jumping into van life and living in a home on wheels doesn't mean you need to give up comfort or modernity. This book will guide you through every step, from choosing a van, to designing the layout,

to plumbing and electrical systems, to self-building your new dream home -- all in as little as 21 days.- Zero Experience Required. We built our dream van with zero prior experience! Before the build, we had desk jobs -- and had never even touched many of the tools we used.- 220 pages of details. We cover every step of the process with charts, lists, photos, and descriptions to help you design and build your own campervan or motorhome from scratch. - Save Money & Time. We spent 9 months planning for our build, scouring an overwhelming number of articles and videos for the best and most useful information. This book will save you months of research, and help you make fewer mistakes.

The variety of people seduced by the idea of living, or at least holidaying, in a home on wheels is wide and all-encompassing; from retired couples to digital nomads, and from surfers living on an extreme budget to start-up professionals. Van Life celebrates every aspect of a home on wheels, with help and advice on successful holidays, exciting sabbaticals and even a complete transformation to van life, leaving the static comfort of a roof and four walls and heading off into the unknown. Chapters include help

on choosing your vehicle, where to find advice on refurb and conversion, what to pack, what to leave behind, and how to achieve those day-to-day challenges on the open road - like making a cup of coffee, getting your laundry done and finding a safe place to sleep.

This essential guidebook for anyone looking to hit the road, from the weekend warriors to the full-time nomads, combines practical information, inspirational photography, and engaging stories of travel and adventure. It helps the reader transition past the 9-5 to the nomadic lifestyle, and then guide them to the best vistas, hikes, and adventures in the country. Get the inside scoop on building out a van, from insulation to plumbing, building a budget, and staying safe and well on the road. Inside you'll find 5 Suggested Road Trip Itineraries complete with maps, highlights, and stop information: Denver, Colorado to Whitefish, Montana Moab, Utah to Yosemite National Park, California Seattle, Washington to San Francisco, California Shenandoah National Park, Virginia to Charleston, South Carolina Millinocket, Maine to Deep Creek Lake, Maryland The van guide to National Parks: Northeast Shenandoah National Park (Virginia) Southeast

Congaree National Park (South Carolina) Great Smoky Mountains National Park (North Carolina and Tennessee) Midwest Badlands National Park (South Dakota) Wind Cave National Park (South Dakota) West Yellowstone National Park (Idaho, Montana, Wyoming) Yosemite National Park (California) Redwoods State and National Park (California) Southwest Canyonlands National Park (Utah) Grand Canyon National Park (Arizona) Zion National Park (Utah) Black Canyon of the Gunnison National Park (Colorado) Northwest Glacier National Park Olympic National Park

Do your friends think you're crazy for wanting to opt-out of the 9-5 rat race, move into a van and travel the world? Screw them, let's do it. This book will take you from daydreaming about van life as you sit at your desk counting down the days until your next vacation, to living a dream life of endless travel, adventure, and the great outdoors. Living in a van is the most economical way to travel and there are so many ways to make it sustainable long term. Working as an executive assistant in New York City, I never dreamed I would quit my high-paying corporate job to live in a van down by the river. That was until I met Frankie, a wanderlust with a big heart who was ready to explore the world and wanted me by his side. With his dream and my organization skills, a year later we had sold everything we owned, gave notice on our apartment, moved into our self-converted van and hit the road. 20,000+ miles later, through so much trial and error, we are experts at living a nomadic life.

We share our successes, struggles and setbacks weekly on our YouTube channel and interview other thriving nomads on our podcast (FnA Van Life). We've traveled pre and post-pandemic so can share how life on the road has changed, but how it is still the best way to live and travel that we've ever found. First, I'll guide you through the planning stages of van life. Things you can work on while you're still at your job like defining your dreams, downsizing, finding your rig, and building a tiny home on wheels. Then we'll hit the road and all your burning questions about where to sleep, how to camp for free, where to get internet, how to earn money, and so much more will be answered in detail with real-life examples from my own travels and experiences living a nomadic life. If you want to take the leap into van life but need some practical advice about the realities of living on the road, this is the book for you. With so many updates for a post-pandemic world, this guide will have you on the road making smart decisions about your safety, finances, and of course, having so much fun and adventure your friends will be wishing they lived in a van too. Reviews for FnA (Frankie n Alex) Van Life Content "I love you guys so much! I hope you let us know when your book is out. Hit the road with two freewheeling ladies and experience love in a van in this bohemian lesbian romance! Julia Marks isn't one to stick around very long. She's blissfully living the vanlife, crossing the country as she pleases, working odd jobs to fund her lifestyle, treading lightly, and leaving no trace behind her. But despite the immense freedom she has as a bohemian nomad, she can't help but feel that something's missing. A quick trip through Madison turns far more interesting for Julia when she meets Robin Hyland. Robin is searching for answers, and a chance encounter between the two women opens up a brand new adventure that neither expected. While Julia didn't anticipate having a passenger in her van, it's hard to say no to a pretty redhead who's looking to find herself. Now these two women must navigate the difficult route ahead of them together. Can love prevail over the challenges of life on the road? "Showcasing hundreds of funky vehicles,
