Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did ... and my life changed forever. This is not a love story. It is an un-love story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

The first Future State collections are here! In the far-flung future, an all-new Justice League must investigate the mysterious death of their greatest foes-the Legion of Doom! The Justice League Dark emerges from years of hiding to fight the villainous force stalking supernatural heroes and villains alike! John Stewart and his band of abandoned Green Lanterns must hold the line against an invasion of murderous zealots in an uncharted dark sector after their rings have stopped working! Barry Allen battles for the soul of his former Flash partner, Wally West! And Jackson Hyde and Andy Curry, son of Black Manta and daughter of Aquaman, must find each other again after being torn apart if they hope to escape the mysterious universe-spanning One

Beginning with elementary surveying techniques Surveying and Levelling, covers the entire spectrum of the subject in a single volume. This student-friendly book incorporates a large number of exercise problems.

Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

Getting Close

When Archie graduates high school, he explores two different paths for the future of his life—if he marries teen heiress Veronica, or if he marries Betty, the girl next door.

These chapters explore a number of issues in the contemporary study of Paul raised by queuing what it means to read Paul "from within Judaism" rather than supposing that he left the practice and promotion of living Jewishly behind after his discovery of Jesus as Christ (Messiah). This is a different question to those which have driven the "New Perspective" over the last thirty years, which still operates from many traditional assumptions about Paul's motives and behavior, viewing them as inconsistent with and critical of Judaism.

Based on the latest current scholarship, Atlas of the Biblical World features striking full-color maps and insightful commentary to make the ancient biblical world come alive. The complexities and questions that accompany the responsible study of the ancient world and its intersection with the biblical narrative are addressed through innovative map design and analysis. Sharp commentary that accompanies each map provides factual data, addresses questions of interpretation, and locates the biblical narrative in its wider historical and cultural context, making this particular atlas an ideal introduction for students of biblical studies. The atlas will feature over 60 full-color maps, illuminating commentary, full-color photographs of key historical artifacts, timelines, charts, and an index to the maps and content.

This five-views work brings together an all-star lineup of Pauline scholars to offer a constructive, interdenominational, up-to-date conversation on key issues of Pauline theology. The editors begin with an informative recent history of biblical tradition related to the perspectives on Paul. John M. G. Barclay, A. Andrew Das, James D. G. Dunn, Brant Pitre, and Magnus Zetterholm then discuss how to interpret Paul's writings and theology, especially the apostle's view of salvation. The book concludes with an assessment of the perspectives from a pastoral point of view by Dennis R. Edwards.

Tony Stark takes a business trip to Omaha, Nebraska where he comes face-to-face with an old enemy and two superhumans whom he has never encountered before.
