When I started writing these books, I wanted to create a series of books that I would love to read. I love paranormal romances and shifter love stories, but I also love books with some action, danger, suspense, and a strong female character. I try to roll all of these interests into my books. My shifter books are a mix of romance, sex, longing, danger, and mystery. I also try to create some really memorable

These books take place in New Orleans where there is an evil vampire orchestrating murders of young women.
