The Monthly Magazine

Harper's Magazine made its debut in June 1850, the brainchild of the prominent New York book-publishing firm Harper & Brothers. Harper's Magazine, the oldest general-interest monthly in America,

explores the issues that drive our national conversation, through long-form narrative journalism and essays, and such celebrated features as the iconic Harper's Index. With its emphasis on fine writing and original thought Harper's provides readers with a unique perspective on politics, society, the environment, and culture. The preseason buildup, the rivalry games, the playoffs. The thrill of rooting for a team that might break your heart, but that might vindicate your allegiance, too. The group pride (our tribe vs. their tribe - bring it on), the pageantry, the drama, the tension and release. Being a sports fan has an understandable allure. However, there's a dark side. Wins may lift you onto cloud nine, but losses

throw you into a funk. And after a while, wins alone aren't enough. If it's not an underdog comeback win against a rival on the road in the championship game, who even cares? To avoid fellow fans' scorn ("Fairweather traitor!"), you remain loyal, regardless of how much sillier it feels with each passing season. But you wonder, "Is it foolish to cheer for men pursuing their dreams rather than pursuing my own? Would my life be more satisfying, authentic, worthwhile if the time and energy I spend obsessing

over a group of strangers were spent on my own goals (or simply doing my own thing)? Would I be happier, more content - my life overall better - if I could shake this fanhood addiction?" Being a sports fan can be a fun hobby. But it can also turn toxic. I can't decide for you whether your relationship with your team is worth it. But if you're ready to quit, this is how. Welcome to the path of fanhood to manhood.

McFate battled a giant otter. He had
the strength of 10 men, X-ray eyes,
and the fingers of a concert pianist. He
had what it took to keep one woman
satisfied and coming back for more.

Read PDF Volmania

McFate lived in exotic Egypt, Saudi Arabia, and New Jersey. Hoping that the deep puncture wounds would start healing soon, he moved to the quiet unspoiled village of Chapel Hill, North Carolina. Upon his return to the Congo, he was dismembered, disemboweled and scalped.
