With 150 wins to his name, Steve Williams is one of the most successful caddies of the modern era. From his modest start in freelancing his way around the world's golf courses, he became a man in demand, working with some of the golfing world's best. Greg Norman, Raymond Floyd, Terry Gale, Ian Baker-Finch, and Adam Scott all benefitted from the knowledge, experience, and honesty for which Williams is known. Williams is perhaps best known, however, for his triumphant thirteen years on the bag of Tiger Woods. Together,

Woods and Williams won more than 80 tournaments—with 13 major championships among them. But it wasn't all celebrations. Despite his best efforts, Williams could only watch as Woods fell from the podium, his game in decline—ignorant of the scandal about to make headlines around the world that would nearly ruin Tiger's pro career. In this candid book, Williams tells the stories of golf's elites that you won't hear anywhere else—the highs and lows of their careers, and the critical role of a caddie in both spots. Bold and entertaining, his story offers a rare insider's view of the professional golfing

Travel and Tourism are wide and multifaceted systems whose

complexity is reflected in the terminology employed to describe them or to operate them. Their communication language appears at times secretive; but there is no secrecy, in fact. Travel activities are bound to a vehicle distinguished by its velocity. Operating such activities demands, therefore, a communication system able to match such rapidity. It is required that all performers are fluent in travel terminology, including students, airlines staff, travel agents, and other service providers. The Dictionary for Travel and Tourism Activities has been designed to solve the need to learn, understand and succeed with the most common terms and expressions used by these so-called Industries. It is an educational tool for students and professionals, but is also an understanding means for travelers.

"The only golf I play is putt-putt with my kids. But you know what? It doesn't matter. This book really resonated with me. It made me think about productivity in a productive way. Mike Vardy teaches us to say "Hell yeah!" to projects. So do I recommend this book? Hell yeah!" –A.J. Jacobs, Editor at Large at Esquire magazine and bestselling author of DROP DEAD and THE YEAR OF LIVING BIBLICALLY "Mike Vardy has

been the go to person for productivity tips for me over the past few years both as editor of the famous Lefhack.org and via his new site at Productivityist.com. This book is full of his best insights from years of experience of working at the very top in the online industry. I can't recommending this book enough for anyone looking to take 2013 by storm and doubling down on efficiency on any tasks they are working on. Especially his descriptive elements of connecting learnings from golfing makes it all a lot easier to grasp."

–Leo Widrich, co-founder of Buffer "While I'm not a golf fan, the use of golf in this book works perfectly. Plus, if you try something from the book and it doesn't work for

you, simply call a mulligan and move forward." –C.C. Chapman, co-author of the bestseller CONTENT RULES

What is THE FRONT NINE? THE FRONT NINE is a guide by one of the web's leading productivity experts, former Lifehack.org Editor-in-Chief, Mike Vardy, to help you get ready, get set, and go forward with your new year, anytime you want. Taking elements from the game of golf and applying them to productivity and goal-setting, THE FRONT NINE aims to put you in a position to make a fresh start on a project, a goal, or even a deeper desire, whenever you 're ready. THE FRONT NINE is a resource that is specific in structure, yet fluid in content in that it is accessible to anyone who has an open mind.

You don't need to be a "productivityist" to wrap your head around it -- and you certainly don't need to be a golfer. You don't need to be using a task manager - or task management system - to make it work for you (although it can help). All you need is the willingness to want to change and see things through to make THE FRONT NINE work for you.
